REAL ESTATERS WANT REFUND TO BE MADE

Meeting Last Night Passed Resolution in Regard to Medicine Hat Trip.

There was a lively time at the regular meeting of the Real Estate Owners' Association last night, when the trip of Mayor Stevely and Ald. Dan Fergu-son to Medicine Hat was discussed Practically every member took a hand a framing a resolution in regard-to the matter, and the following was car-

The Resolution.

"That whereas it has been publicly admitted by the mayor that he and Ald. D. Ferguson obtained from the city treasury the sum of \$490 for their expenses on the trip to the municipal convention held at Medicine Hat and Calgary, that whereas the C. P. R. issues a firstclass return ticket from London to Calgary at \$85, a Pullman fare of \$24 return, the term of the convention and time of travel occupying 13 days, thus at \$3 per day for dining car and hotel service, would amount to \$39, or a total of \$148

"That this association requests the city council to ask these representatives to return the overcharges of \$97 each, or a total of \$194, and to furnish the ratepayers at a public meeting to be held at the city hall, with a full report of the proceedings of said convention, that the taxpayers may consider whether it is wise to any longer send representatives to any further convention of this character; and that a copy of this resolution be sent to the press and city council by the secretary."

Mr. Baker in Limelight. Several of the members cited the

The following resolution in regard to the proposed census was passed: "That whereas the Sunday car question will require a census to establish the required population, we believe the best interests of all concerned will be best served by waiting for the federal census, due to be taken in the year 1911, nominally only a year to wait, that this association respectfully request the city council to suspend all action on this question until said census shall be completed, and thereby save the citizens any expense in connection with the matter, and that copies of this resolution be sent to the city council, and also to Sir J. P. Whitney.

MISS RUSSELL TO WED NEPHEW OF MIKADO

Daughter of Lillian Announces She Is To Become "Princess Mutsuhito." great fortune to pave the way to a European title, Miss Dorothy Russell, daughter of Lillian Russell, the actes, has decided to become an oriental princess. She admitted tomight that al princess. She admitted tonight that she was engaged to Acki Sumutrui, Prince Mutsuhito, a nephew of the Emperor of Japan. She is waiting in Pasadena, accompanied by Miss M. A Driscoll, who is to act as her chaperone, she says, until she becomes 'Princess Mutsuhito."

The prince has sailed from Japan. and the wedding is expected to follow sembled in this city, took on its most three years would be \$32 per share, his arrival. PRESIDENT FALCONER OPENED NEW WING

Toronto Varsity Head Guest of Honor of the Stratford Collegiate.

Stratford, Nov. 19.—The opening of before acting on her excommunication the new wing at the Stratford Collogical Institute was formally cele
Mrs. Stetson's resignation from the legiate Institute was formally cele-brated last night in a banquet held in brated last night in a banquet held in the Collegiate building, at which Pres- gation, would not be called until she ident Falconer, of Toronto University, had been given ample time to present was the guest of honor. The banquet her resignation. was given by the staff of the Collegiate and among those present were, the general reorganization in the board of city council, the school boards of the trustees of the New York church, as

sembly hall which was tastefully decorated for the occasion, after which orated for the occasion, after which the guests adjourned to the new gymnasium where the tables were set. A unique feature of the banquet was that the catering was done by the domestic science department, and too great praise could hardly be given to Miss Dease and her assistants.

Mr. C. A. Mayberry, the principal of the Collegiate, was the toastmaster, and seated on his right was President Falconer, and on his left Mayor Dingman. After the toast to the King had been honored, Mr. Mayberry welcomed all present at the opening of the new wing, which he said was an enduring monument to the liberality of the heard and the council of Stratford. He was especially glad to welcome the president to this, one of the most progressive of the smaller cities in the matter of education.

President Falconer, in responding to the toast of the University of Toronto, congratulated the gathering very first public exhibition in wireless telepheartily on the splendid addition to their educational facilities, and also their educational facilities, and also Canadian National Exhibition by The complimented the domestic science de-partment on the way the banquet had of Newark, N. Madrid, Nov. 19.—Official advices received from the Island of Teneriffe midway between the Virginia capes. NEW RAILWAY COMBINE.

St. Louis, Nov. 19.-St. Louis financiers are discussing a widely circulated report that Edwin Hawley is organizing a \$500,000,000 holding corporation to include the St. Louis and San Francisco and Chicago and Alton; Missour!, Kansas and Texas: Chesaneake and Ohio, Toledo, St. Louis and indication of the next move in the sponsive chord. President Taft lent Western, Iowa Central, Colorado Southern, Minneapolis and St. Louis the Temiskaming and Northern Ontario and Chicago, Rock Island and Pacific railroad companies.

Mexico, has organized a company known as the La Sauntene, with a capital of ten million pesos, to take over twenty million acres in the State financial consequences of the refusal san Juan Capistrano, San Antonio, and of the Lords to consent to the gubic spirit, has been restored to all its beauty.

Three of the finest of the missions—
San Juan Capistrano, San Antonio, and of the Lords to consent to the collection. Ottawa, Nov. 19.—It was announced colonize 240,000 hectares, or approxition of revenue, which the Governation of the local Salvation Army headquarters today that Gen. Booth has defining the kind ever undertaken in spend, are so grave that a compromise and rapidly going into ruins. Some effective to the salvation and rapidly going into ruins. Some effective to the salvation and rapidly going into ruins. the latter part of February and early the Rio Grande for fifteen miles, and solution. He will spend one day in south to the Conchos River, about 90 under existing conditions, consider San Diego, miles. Water for irrigation will be secured from rivers and from the stor- of the question. Both sides are proage of storm waters, and for supplying testing their own determination to the 240,000 hectares the company will fight to the last ditch. Certainly the receive a subsidy of 6,000,000 pesos situation is as dark as it well can be

Paris, Nov. 19.—For the first time in a French assize court, a trial was conducted today after the Anglo-Saxon fashion. This was in fulfillment of the wish of Minister of Justice Marthou that certain reforms be instituted, including the doing away of the judges interrogation of the prisoner.

Deputy Moquillet introduced in the Chamber of Deputies today a bill providing that witnesses in court trials may have a lawyer present when they are examined.

As given formal notice he will move on Monday.

Interest in the city will now centre on the unsettled electioneering campaign for the general election, which is almost certain for December or January.

It will probably be January, as the Government will desire to take advantage of the new registry of voters which will then become available. If the working cleaner would be found. FRENCH COURT REFORM.

HURRICANE AT LISBON.

Lisbon, Nov. 19.—A hurricane struck this city this afternoon causing considerable damage. No casualties are reported, though it is rumored that a fishing vessel was swamped off shore.

MRS. STETSON MAY FORM A CHURCH

Her Admirers Are Discussing the Possibility of Her Starting for

Herself. New York, Nov. 20. - It was learned today that the board of trustees of the First Church of Christ, Scientist, were waiting for the next move on the part of Mrs. Augusta E. Stetson,

Friends of Mrs. Stetson predict a city, and a majority of the public school teachers of the city.

A reception was first held in the assure of the New York church a result of her excommunication. Some of her followers today strong in their disapproval of the Some of her followers today were strong in their disapproval of the con-

that Mrs. Stetson had been tricked into the power of her enemies at Boston by partial promises of vindication at her trial, and that it was this belief which led her to admit her error. It was said that when she left Boston Wednesday at the close of the hearing, she believed that her judges would pardon her "errors," and reinstate her with added powers.

Some of her friends and students in the church here are discussing today the possibility of a new church being formed under her leadership.

TELEPHONING WITHOUT WIRES

Interest is still unabated in the visited during the summer at Cam- brick walls without any wire connecthe citizens very valuable information that he had acquired there. They professed to regard the trip of the mayor and Ald. Ferguson as a pleasure faunt at the city's expense.

Another Resolution.

Visited during the summer at the citizens very valuable information bridge, Geneva and Leipsic.

"The very environment of Cambridge, Was emin-bridge," said the speaker, "was emin-ently suited to academic life. England is the home of great men in states—the control of the many hundreds that demonstrated the Collins Telephone, to their satisfaction, were Mayor Oliver, Mr. W. K. McNaught, M. P. P., Mr. J. C. Eaton, Dr. J. O. Chr. manager of the Evhibition and tell others a little of what they have learned of life.

"The University of Geneva," said Dr. Falconer, "had impressed him as a university of the people and for the preciation of the first public exhibition." Calvin's aim in starting the preciation of the first public exhibition in Canada of this great invention,
