

## Troubled With Weak Back and Kidneys For 10 Years.

Many people fail to understand the significance of a lame, weak, sore or aching back.

When the back aches or becomes weak it is a warning that the kidneys are affected in some way.

Take notice to the warning and cure the backache on the first sign, for if you don't do this, serious complications are sure to arise and perhaps develop into Dropsy, Diabetes or Bright's Disease, the three most deadly forms of kidney trouble.

Doan's Kidney Pills will strengthen the weak back, and prevent any form of kidney trouble entering the system.

Mrs. Ed. Boyer, Nokomis, Sask., writes: "I have been troubled with weak back and kidneys—I had terrible dizzy headaches, and could not sleep at night. In this way I suffered for ten years, until I read about Doan's Kidney Pills. I purchased two boxes, and as they helped me, I sent for two more; they put me on my feet, and I have been able to work ever since."

Doan's Kidney Pills are 50 cents a box, or 3 boxes for \$1.25, at all dealers, or mailed direct on receipt of price by The T. M. B. Co., Limited, Toronto, Ont.

If ordering direct specify "Doan's."

## GEORGIAN DAY GROCER KILLED FOR HIS MONEY

Robert Hayde's Body Found in Manure Pile—Missing Since March 27.

[Canadian Press.]  
Midland, April 7.—Robert Hayde, a greener, of Tomahawk Point, two miles north of Honey Harbor, was murdered on or about the night of Friday, March 27. His body was found last night, buried in a manure pile near the stable of his home. There was a shot wound in the back of his neck, and the weapon had been fired close enough to singe the hair. Three men who were aiding in the search for Hayde found the body.

An inquest was formally opened to-day and adjourned until tomorrow at Midland.

Hayde was a bachelor, about 50 years of age, and lived alone. On the day he disappeared (March 27) he was for a short time in Midland. For some days search was made for the body in the channels among the surrounding islands, as it was feared he might have dropped through a hole in the ice and been drowned.

The men who found the body were standing on the manure heap discussing what further steps should be taken in the search, when they noticed an unusual conformation in the pile, and made their search, with the above result.

It is supposed he was murdered for his money, as he usually carried a considerable sum on his person.

## JUDGE MACWATT QUIETLY MARRIED

Ceremony at Toronto, Without Friends' Knowledge—Bride From New Brunswick.

[Special to The Advertiser.]  
Toronto, April 7.—Judge W. D. MacWatt, of Sarnia, former grand master of the Grand Lodge of Canada, was quietly married.

JUDGE D. F. MacWATT.

ried to Miss Griselda McDonald, of Grace Bay, N. B., at the Queen's Hotel, Toronto, by Rev. Thomas Dakin yesterday afternoon. The bride's father was present, and after the ceremony the couple left for New York and the States for their honeymoon.

The ceremony was very quietly performed, the parties arriving at the hotel on Saturday. No friends were notified.

## LUCAS HAS NEW PLAN TO MEET BIG DEFICIT

Proposes Tax on Banks, Loan, Insurance and Other Companies.

[Special to The Advertiser.]

Parliament Buildings, Toronto, April 7.—Following the lines indicated in his budget speech, Hon. J. B. Lucas, provincial treasurer, introduced into the Legislature today a bill to supplement the provincial revenue to the extent of \$600,000 or \$700,000.

The main features of the bill are an increase in the tax on banks, loan, insurance and trust companies, telephone and telegraph companies and railways. There is also an added tax on racing associations. On the paid-up capital of banks up to \$5,000,000 the tax is to be one-fifth of 1 per cent, and \$50 on every \$100,000 in excess of this sum; \$500 for the head office and \$50 for each branch located in the province. On the gross premium income of the life and life insurance companies the tax is raised from 1 per cent, to 1 1/2 per cent, in the case of other insurance companies it is two-thirds of 1 per cent.

Loan companies will pay one-eighth of 1 per cent on the paid-up capital instead of one-tenth of 1 per cent. Trust companies will be taxed 1 per cent on the gross annual income in addition to one-fourth of 1 per cent on the paid-up capital. Telegraph and telephone companies will pay one-fifth of 1 per cent on the paid-up capital of \$1,000 for every 100 miles of line. Steam railways will suffer no increased tax on the mileage basis, but the gross annual revenue will be subject to an imposition of half of 1 per cent. This, Mr. Lucas expects to bring in a revenue of \$50,000. Electric railways will pay one-half of 1 per cent, calculated on the gross earnings. Where the tax on telephone companies does not exceed \$50 it will not be imposed. Race tracks will have their license raised from \$200 to \$500. Gas and electric light companies will pay 1 per cent on the net revenue. Car companies will be asked to pay 1 per cent on the capital invested in respect of dining, refrigerator, oil and freight cars used in their business.

## DEMAND CUTTING OFF OF HURON LICENSES

[Special to The Advertiser.]

Clinton, April 7.—At one of the most enthusiastic conventions yet held by the temperance workers of Huron County it was decided this afternoon to insist on the Government carrying out its promise to cut off all licenses on May 1. If this is not done the members were unanimous in declaring that war will be carried on against the members for South and Centre Huron. Mr. Proudfoot, it is known, will make every effort to have the licenses cancelled as far as he can. The temperance workers will send strong delegations to the meetings of the commissioners to be held on April 17 and 22 and will urge that they follow the example set by North Huron which has already given the hotelmen notice to quit on May 1.

Rev. E. G. Powell, of Exeter, who accepted the appointment of secretary for Perth recently on condition that Huron and Perth agreed to have a joint secretary, was named as secretary for Huron at a salary of \$1,500 per year and expenses. A vote was taken and it was decided that there will be plenty of work for Rev. Mr. Powell in Huron. He will therefore be compelled to not accept the offer made him by Perth.

## LONDON BOYS IN TROUBLE

Break into Two Detroit Places and Destroy Property.

[Special to The Advertiser.]

Detroit, Mich., April 7.—Chesley Roberts and Edward Brown, of London, Ont., each about 19 years old, pleaded guilty in Judge Mandell's Court Tuesday of breaking and entering in the day time. They broke into two houses on Grosvenor, owned by Mrs. Adelaide Clark and J. Haynes, of the Regal Motor Car Co., and defiled and destroyed property. In the second house they had made coffee and thrown what was left over the walls and ceiling, destroying beautiful wall paper. The United States authorities told the judge that as soon as he had disposed of the boys they would deport them to London.

"There is more of the beast than the man about you," the judge told them in a disgusted tone, "and I will not sentence you now lest temper enter into it for your conduct would disgust any decent man. I will consider your case in two days."

## DOCTORS THE VICTIMS

[Canadian Press.]

Toronto, April 7.—Mary Johnston and Lena Mitchell, members of a band of gypsies, were arrested today after a complaint had been received from Dr. A. H. Garret, 53 College street, who alleged that one of the women had stolen a sum of money from him. Dr. C. E. Stacey, 161 College, is another complainant. It is alleged the fortune tellers, known as Dr. Garret, out of \$3 in handling a roll of money the doctor had.

## FOUR GUNMEN MUST DIE

Albany, N. Y., April 7.—Governor Glynn tonight refused to either commute the death sentence of the four gunmen who were convicted of slaying Henry J. Campbell, 53 College street, a reprieve until after the second trial of former police Lieutenant Becker. They now must die by electrocution in Sing Sing prison some time next week, probably Monday.

## ANDERSON BILL TO FAIL

[Special to The Advertiser.]

Toronto, April 7.—The bill introduced into the Legislature by Dr. C. N. Anderson, South Essex, to prevent the wholesale destruction of wild ducks is likely to be killed by the Government.

When the bill came up in the fish and game committee today it was laid over until Thursday on account of Dr. Anderson's absence in another committee, but The Advertiser understands that Dr. Reaume has made the fact plain that the bill cannot go in its present form, and it will likely be withdrawn.

It is suggested that something might be done by the department to limit the number of the bag, but the sale of ducks will not be prohibited.

## BURDOCK BLOOD BITTERS

CURED A BAD ATTACK OF ECZEMA.

All skin diseases such as Eczema, Salt Rheum, Tetter, Rash, Boils, Pimples, and Itching Skin Eruptions, are always caused from the blood being in a bad condition, and it is impossible to eradicate them from the system unless you put your blood into good shape. This you can very easily do without the slightest trouble by using Burdock Blood Bitters.

It drives out all the humor from the blood, and makes it pure and rich, and not only are the unsightly diseases removed, and a bright clean complexion produced, but the entire system is renovated and invigorated at the same time. Mrs. G. A. Day, Somerville, N.B., writes: "Last spring I had a bad attack of Eczema. I tried several patent medicines as well as the unsightly diseases removed, but they seemed to make the disease worse. I was advised to try Burdock Blood Bitters, and I did so with the result that in two weeks time the sores began to disappear. I continued to take it until I had taken three bottles and they worked a complete cure."
