SENDS NEW INVITATION

Requests Irish Delegates To Come to London For Meeting On October 11.

London, Sept. 29.—The Sinn Fein leaders were today invited by Prime Minister Lloyd George to a conference in London, October 11, on an Irish peace adjustment.

The invitation was extended in Mr. Lloyd George's reply to Eamonn de Valera, dispatched from Gairloch, Scotland, the premier's temporary residence. The reply carried a declination to meet the Sinn Fein negotiators on the basis of the previous conference between Mr. de Valera and Mr. Lloyd George, the prime minister holding this to be a basis which might involve Great Britain in a recognition of sovereignty. Great Britain's position on this point was fundamental to the existence of the British Empire, the premier declared.

Mr. Lloyd George, however, renewed the offer of a conference "with a view to ascertaining how the association of Ireland with the community of nations known as the British Empire may best be reconciled with Irish national aspira-
