

LOCAL KIWANIS FETE ST. THOMAS

True Spirit of Club Prevails at Weekly Luncheon.

Witness London-Bay City Ball Game at Tecumseh Park.

The true spirit of Kiwanis prevailed at the weekly luncheon of the London Kiwanis Club Wednesday noon, when more than thirty members of the St. Thomas Club, including Mayor Frank Brinkman, were the guests of the local Kiwanians. After the luncheon, all assembled at the Tecumseh Park to witness the ball game between London and Bay City. Following that, a London Kiwanian team plays a representative nine from St. Thomas.

Charge of Program.

The visitors had entire charge of the program, President Reg. Kidner, of St. Thomas, acting as chairman, and Frank Holcom, Tom Keith and Doug McIntyre acting as hostesses. Pardon Love, a prominent fruit-grower of this city, was the special booster, and presented each member present with a dainty box of strawberries from Lovehome Farm. Attached to the handle of each basket was a tag tied with purple and gold ribbons, the club colors which served as the booster's luncheon speech. It read in part:

"Hello, Mr. Kiwanian. 'Kinda formal greeting, but you'll know us better soon."

"Us strawberries all grew up on 'Lovehome,' Pardon Love's 32-acre fruit farm at Springbank Hill, 200 yards east of the reservoir. We will admit we're pretty good, but you ought to see his raspberries, cherries, grapes, plums and apples. Drop in and see them when you are motor-ing."

"The farm has 287 cherry, 283 plum, 234 pear and 147 apple trees on it, as well as six acres of bearing raspberries and 500 grape vines. Strawberries, black currants and blackberries are being brought up in the way they should go for next year."

"The speaker of the day, Rev. J. McGillivray, pastor of Knox Presbyterian Church, St. Thomas, addressed the gathering on 'Short Cuts.'"

"We all love short-cuts," he said, "we would sooner go through the hole in our neighbor's fence than to enter by the gate. There is more romance in beating a track through the bush than to take the road, and it isn't the lazy gratification of a labor-saving device, but the spirit of the explorer."

"Short Cuts Dangerous. 'But short cuts are dangerous, and sometimes very disastrous. It is far better to stick to the public highway, to the rules and roads, which represent the experience of thousands, than to blaze our own trails."

"The speaker then went on to show how all the modern inventions were the results of men seeking short cuts, how short cuts dominated politics, and how the wish of a short cut to world domination was the cause of the late war."

In concluding, Mr. McGillivray criticized the arm-chair critics and declared that Canada needs men and women who would get out and do things rather than those who take pleasure in telling how things ought to be done."

President Reg. Kidner of the St. Thomas club invited the London Kiwanians to come and visit the made-in-St. Thomas exhibition this week. Colin McKenzie, a visiting Kiwanian, entertained with many delightful solos.

Harry McCallum of the local club reminded the members of the Kiwanis convention, which begins in Toronto Monday, and urged that as many as possible should be there to represent the London club. Some delegates will motor and others will leave via C. P. R. Monday noon.

Among the visitors were Mayor Cameron Wilson, London, and the following St. Thomas Kiwanians: Reg. Kidner, Walter Edwards, Arnold Elliott, Stan. Oliver, Roger Black, Jack Handford, Doug. McLaughlin, Frank Brinkman, Doug. Gerrard, Bob Christie, George Small, Fred Sullivan, Hal Tansey, Chas. Montgomery, Walt. Montgomery, Charlie Butler, Murray McCulloch, Doug. McIntyre, Bill Agnew, Pete Birdsell, Tom Keith, Frank Holcom, Lorne Hart, Beck Taylor, Jack Dowler, Jim Stewart, Bill Owen, Howard Vair and Jim Mulligan.

TRUSTEES FIND EXTRA \$72,000

Result of Debiture Duplication for New Victoria School.

As the result of duplication of debentures issued for the new Victoria school, the board of education possesses a credit of \$72,000, which the members did not realize was at their disposal.

In 1920 debentures totalling \$70,000 were issued for this school. Last year the board of education authorized a debenture issue of \$188,726.50, which included the \$70,000 not known.

It is not known what will be done with the extra \$70,000, but City Treasurer Bell declares that it will offset any debt charges of the board of education.

"The board of education will not have to increase debt charges," said Mr. Bell. "The Dakota Street School which is proposed is in the estimates this year, and the \$70,000 surplus will look after this now."

"I do not know whose blunder caused this \$70,000 to be included in debentures twice," said the city treasurer.

\$400,000 SCHOOL FOR KITCHENER

KITCHENER, June 13.—A building permit was issued today for the erection of the new Collegiate building at an estimated cost of \$400,000.

400 SET OUT TO CLOSE UP MINES

Terre Haute, Ind., June 14.—A crowd estimated at 400 persons left here today in automobiles after announcing their intention of closing every mine in operation between Terre Haute and Brazil, ten miles east of here.

The first stop made was at the Hones mine, near Stanton, Ind., where two trucks loaded with coal were seized and the contents dumped into the river, according to reports received here.

CLAIMS CHURCH REPORT BIASED

Dr. Nelson Demands Apology Because of Records of Presbyterian Witness.

Editor Confesses Inability To Get Copy of Unionist "Chained Lightning."

Winnipeg, Man., June 14.—(Canadian Press.)—Charges of bias in reporting proceedings of last year's Presbyterian general assembly at Toronto were leveled against the Presbyterian witnesses at this morning's sederunt of the House of Commons by Dr. S. Banks Nelson of Hamilton, in the course of the general debate.

Dr. Nelson demanded an apology from the witness for a paragraph that appeared in the publication regarding the church union debate last year to the effect that Dr. Nelson spoke for 30 minutes, and was reproved by the moderator. His speech was against church union, and he claimed it should have been reported and not left to the judgment of the editor as to what was printable. On the other hand, the speech was not reported at all and only a reflecting remark published.

D. S. Carson, an associate editor of the witness, denied charges of bias in dealing with the church union question. It was not easy to report "chain lightning," he said. An accurate summary of Dr. Nelson's speech was not obtainable, he declared. The incident was closed.

S. & I. EMPLOYEES PICNIC AT PORT

Staff of London Departmental Store Hold Annual Outing At Lakeside.

Yellow ribbons, signifying the wearer to be a member of Smallman & Ingram's annual picnic party, will predominate at Port Stanley Wednesday afternoon and evening.

The store doors closed promptly at 1 o'clock and the picnicers, headed by the W. O. R. Band, which is to be in attendance at the outing, and with the Smallman & Ingram banner prominently displayed, marched to the L. and P. S. station, where a special train of six cars had been provided for the members of the firm and their families, about 400 in number.

Smallman & Ingram's store presented a gala aspect Wednesday morning, and even the casual observer might have noticed that there was something in the air.

Instead of the quietly efficient-looking black dresses behind the counters there were all sorts of gay colors and pretty frocks, and in the dining-room, usually a white-clad dinner, the waitresses emerged dressed in the pretty muslins and gingham of picnic frocks. Business ceased at 12:30, and by 1 o'clock all the picnicers were well started on the day's enjoyment.

Immediately on arrival at Port Stanley the sporting events of the day will be run off on Invererie Heights. Novel features have been introduced in the program, for instance, a blind pig race and rum-runners race, so that it is anticipated that plenty of fun will result from the carrying out of sports.

In the afternoon there is to be a giant push ball game between men of the firm, also a girls' volleyball game.

EXTENDS SEWER TAXES TEN YEARS

Continued From Page 3.

The fourth deputation comprised ratepayers of Florence street, who announced that although they desired a sewer on their street, they considered the estimated cost prohibitive. They pointed out that nearby streets obtained sewer facilities at a greatly decreased expenditure.

Quickened and Springs. City Engineer Brazier explained that the presence of quicksand and springs in the Florence street subsoil will necessitate a cement bottom for the sewer, and for this reason the estimated cost is higher than usual. Unless the taxpayers are willing to pay the price, they must do without sewer accommodation.

What Dr. Lane appeared with his forces, Chairman Ashton took him to task for statements made concerning the city council last week.

"I see by the papers that you said the city council put one over on you," commented Ald. Ashton. "This question had to come back to No. 2 committee again, and it went the same course as if you had been here."

Mr. Lane stated that Ald. Watkinson informed him that the council meeting of last week was to be postponed, and consequently his deputation did not appear. When the meeting was held he concluded that the council had "put one over on them."

After this matter was straightened out to the satisfaction of all parties, Mr. Lane pointed out that both sewers and the Richmond street north pavement had been put down without consulting the ratepayers.

He drew the attention of the committee to the fact that the sewers served vacant lots and very few residences.

Take Care of Motorists. "Because you wanted to lay a pavement to take care of motorists of London that do not live in the blocks of pavement, a comfort station that runs 365 days in the year, in order to take care of three houses," Mr. Lane alleged. "All the rest is vacant property."

"Because the pavement was put down it has been impossible to sell property," he continued.

"When the people know the taxes they do not want the property at all," declared Mrs. L. McDougall, one of the members of the deputation, in answer to a query from the mayor.

"With all the sins this year's council has committed you can't blame us," replied Mayor Wilson.

William Andrews stated that in one year his taxes have jumped from \$375 to \$620.10.

"Previous to that I sold 150 feet of land," he said. "If I owned that land now, where under the sun would my taxes soar to? My case is similar to the others."

"While I am in sympathy with these people, I do not think it is fair to saddle a debt on the city for thirty years," said Mayor Wilson. "The only reason we should grant their request is because we were foolish enough to do it for others. It is not a sound business proposition."

Opposed to Principle. "In the first place, that sewer should not have gone down," declared Ald. Douglass. "I am opposed to the principle. This is not a precedent."

"It will be just the same thing," replied the mayor. "There is \$500,000 in sewers coming up this year."

"That will be next year, and we won't be here," interrupted Ald. Ashton.

"No, thank goodness for that," murmured the mayor.

No action was taken on the Motor Club request that Queen's avenue be widened from Richmond to Wellington street, as a petition of ratepayers has been prepared against such an improvement.

There are also 1,600 state and city loads are bringing \$750.00. Cows are steady at \$6.00 for choice. Good butter is selling up to \$5.50.

FINANCIAL AND COMMERCIAL

BERRIES OFFERED AT 15 CENTS BOX

Supply of Strawberries Expected To Be Large On Thursday.

A few crates of strawberries were offered on the local market on Wednesday at 15¢ per box. It is anticipated there will be a large offering of berries on Thursday. The largest offering of this year was made on Tuesday, but the citizens did not expect such an early offering. The berries were sold on Saturday, they were not present, and many farmers were forced to place their berries in cold storage or sell them at an extremely low figure. Late on Tuesday afternoon some crates were offered on the market. One offering was of 15¢ per box. Some buyers complained that boxes are not filled properly.

Eggs remain firm at 27¢ per dozen. It is reported that eggs have declined at some outside points. On Wednesday's live hog shipment \$13.25 per cwt. was paid. The shipment was of fair size.

Sixteen loads of hay were offered at \$10.50 per ton. Grain, per cwt.: Oats, new, per cwt., \$1.40 to \$1.50; Oats, old, per cwt., \$1.35 to \$1.45; Wheat, per cwt., \$2.00 to \$2.25.
