We have also been fortunate enough to have a number of friends contribute as much as donations of money.

The Club held a Basket Social in the Town Hall on Easter Monday, April 23rd. Although the weather was not favorable quite a number of people showed they were in sympathy with the work and efforts of the Club by attending and helping to make the evening a success.

The sum of \$60.00 was realized and this amount will be devoted to the purchase of field comforts for the New Kings boys who are serving their Country. We appreciate the fact that this sum could not have been raised had it not been for the generous response of the young men still at home.

The members wish to thank Hon. J. Kelly for a donation, also Mr. G. J. Kinner for kindly acting as Auctioneer. It would require a lot of space to thank each person and society individually but we have made note of all and fully appreciate each and everyone's kindness.

CROSS POINT.  
Irvine Bignold of Grand Casapedia is visiting Mr. Joe. Olcamp.

Mr. Fred Landry, constable left on Tuesday morning.

Mr. Joe. Olcamp has recently purchased a splendid new horse from Mr. H. Miller of Campbellton for use in connection with his passenger business. He has also bought a new Ford car which will greatly assist him in his business in conveying passengers from the ferry to Sandy Hill Station.

POINT A NAVEAU.  
Many friends will regret to hear that Pte. Victor Adams is ill with pneumonia. He is a son of Mr. Adams of St. John and Martha McFadden recently.

The death occurred on Sunday April 22nd of Robert Adams, second son of Mr. and Mrs. Adams, after an illness of only two weeks of pneumonia. Deceased is survived by his father and mother, five brothers, and two sisters. Much sympathy is felt for the family.

Miss Peter Hamilton was in Port-  
on on Thursday last the guest of her aunt Mrs. Theo. Adams, Jr.

The spring is quite late this year,  
but there are great hopes out for it's  
ultimate arrival. The rivermen have  
gone in great numbers this week to  
start the drives. As there is so much  
snow this spring it should be an ideal  
one for driving. The wages are also  
quite good.

Potatoes were being loaded last  
week and are steadily rising in price.  
It is reported they reached as high as  
\$6.00 per barrel. This is the day of  
the farmers.

Congratulations are in order to Mr.  
and Mrs. Charles Noel on the arrival  
of a baby girl at their home last week.  
A happy event took place at 20  
when Edward DeGrecie was married  
to Miss Josephine DeGrecie and Mr.  
James Morrison. Mr. and Mrs. De-  
Grecie will reside in Jacquet River.

## Shaving Single Handed in a Military Hospital

Only those who have been there can realize what the Gillette Safety Razor is doing for the wounded!

Clean shaving on the firing line, possible only with a Gillette, has saved endless trouble in dressing face wounds. In the hands of orderly or nurse it shortens by precious minutes the preparations for operating. Later, in the hands of the patients, it is a blessing indeed!

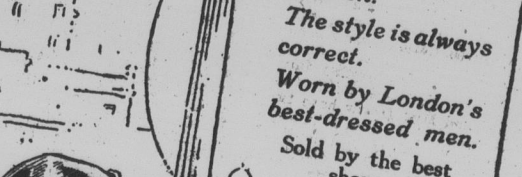

As soon as their strength begins to return, they get the Gillette into action, and fairly revel in the finishing touch which it gives to the welcome cleanliness of hospital life. For though he can use his one hand—and that one shaky—a man can shave himself safely and comfortably with a Gillette Safety Razor.

It may seem a little thing to you to send a Gillette to that lad you know overseas, but to him it will mean so much! It will bring a touch of home comfort to his life in exile's service, and he can more appreciate it if he gets "Blondie".
