BUGOLD &amp; ALLAN,

Proprietors,  
Campbellton, N. B.ST. PIERRE CLEARED  
OF MURDER CHARGEJury Out Less Than One Hour—  
Mr. LeBlanc Warmly  
Congratulated.Edmundton, March 17.—It took the  
jurymen less than one hour today to  
lift the stigma of murder from Wil-  
liam St. Pierre, the young man who  
has been on trial here for his life on  
the charge of having murdered Miss  
Minnie Stevens of Aylesford (N. S.),  
on the night of October 11, 1920.  
Following the judge's charge the jury  
retired at 5:07 p.m. and at 6:04 they  
returned and announced that a verdict  
had been arrived at. The foreman,  
Ligorie M. Nadeau, read the verdict  
which was not guilty. A tremen-  
dous outburst of applause greeted the  
announcement, and it seemed to meet  
with the general approval of those in  
the audience in the court room. The  
attorney-general asked that the jury  
be polled and as each juror stood up  
in answer to his name he gave his  
verdict as not guilty. The judge  
thanked the jury and immediately  
discharged them.Warmly Congratulated.  
A. T. LeBlanc, of Campbellton then  
moved that his client be discharged  
which was immediately done. St.  
Pierre was warmly congratulated by  
those adjacent to him and upon his  
discharge walked over to the jurors  
with his counsel and shook each by  
the hand. The judge ordered the  
court cleared but the spectators would  
not leave until they had shaken "Zam"  
by the hand and congratulated him on  
his acquittal. Several of his friends  
followed him into the jail while he  
obtained his belongings.EMPLOYER LIABLE.  
The Public, and especially all em-  
ployees who are brought, by working  
or having conditions in close and pro-  
longed personal contact one with an-  
other, as in Camps, Shanties, Board-  
ing Houses without individual rooms,  
or, as in the Crews' Quarters in Ships,  
are reminded that they should be at  
least once successfully vaccinated as  
evidence by a Medical Certificate.Unless this is the case the employer  
is liable for all costs entailed by the  
Health Authorities in caring for such  
fall sick of Smallpox, while in  
such employment, or during fourteen  
days after quitting such employment.  
Exceptions—Those who have had  
Smallpox with a Doctor's Certificate  
to that effect, or those who are proved  
by doctor's certificate to be immune  
to vaccination after three separate  
trials.Fredericton, N. B.

EXPERIENCEOf Interest to Childless  
Women.Toronto, Ontario.—"I suffered for a  
long time from a female weakness, in-  
flammation, and a terrible backache  
caused by that condition. One day one  
of your booklets was left at my door, and  
I read how other women with troubles  
like mine had been made well, so I got a  
bottle of Lydia E. Pinkham's Vegetable  
Compound and a package of Sanative  
Wash, and it helped me wonderfully,  
and I now have the finest little baby boy  
that any mother could want. I want to  
recommend Lydia E. Pinkham's Vege-  
table Compound to any woman who has  
female troubles."—Mrs. JOSEPH LA  
BELLA, 773 Shaw Street, Toronto, On-  
tario, Canada.The experience of Motherhood is a  
trying one to most women and marks  
distinctly an epoch in their lives. Not  
one woman in a hundred is prepared or  
understands how to properly care for  
herself. Every woman at this time  
should rely upon Lydia E. Pinkham's  
Vegetable Compound, a most valuable  
tonic and invigorator of the female  
organism.In many times once childless there  
are now children because of the fact  
that Lydia E. Pinkham's Vegetable  
Compound makes women normal,  
healthy and strong, and this good old  
fashioned root and herb remedy con-  
tains no narcotics or harmful drugs.WERE NOT SWORN IN  
MEMBERS OF HOUSECandidates from Restigouche  
at Fredericton But Without  
Avail.Fredericton, Mar. 17.—D. A. Ste-  
wart and Henry Dittie, the opposition  
candidates in Restigouche at the gen-  
eral elections last October, when they  
were first returned as elected, then a  
recount demanded, and finally a pro-  
test filed, appeared at noon today be-  
fore Sir Douglas Hazen, Chief Justice  
of New Brunswick, and demanded  
that they be sworn in as members of  
the Legislature.The appearance of Messrs. Stewart  
and Dittie was an unmistakable sur-  
prise, and when Hon. J. B. M. Baxter,  
leader of the opposition, demanded  
that they be sworn in and seated as  
members the first political gun of the  
session had been fired.Sir Douglas Hazen declared that he  
had been presented with a return by  
the Provincial Secretary showing the  
roll of members elected to the legis-  
lature, and that Regarding Restigouche  
County it was stated the sheriff  
had made no return.Hon. Mr. Baxter persisted that  
there had been a return made by the  
sheriff of Restigouche County showing  
Messrs. Stewart and Dittie elected  
and he again demanded that they be  
sworn in.Sir Douglas then ruled that if a re-  
turn was presented to him showing  
Messrs. Stewart and Dittie elected he  
would have to allow them to be sworn  
in.Mr. Baxter called upon Hon. Dr.  
Hetherington to present the return,  
which, he said, had been sent by the  
sheriff, and which he said, he had  
seen himself in the government offices.The Provincial Secretary said he  
was acting under instructions from  
the Attorney General and Premier  
Foster took a hand.Messrs. Stewart and Dittie elected  
not sworn in, and as soon as the  
swearing in proceedings were com-  
pleted, the opposition party went into  
caucus. When they adjourned Hon.  
Mr. Baxter said he was not in a po-  
sition to make any statement as to  
what the next move would be with  
regard to the Restigouche situation,  
but he intimated that something fur-  
ther would be done later on.

C. N. R. DIVISIONSConforming With Provincial  
Boundaries; Mr. J. M. Lyons  
Writes Quebec Paper.Quebec, March 17.—That the Can-  
adian National Railways should be  
operated in divisions conforming with  
the provincial boundaries, each divi-  
sion to be in charge of a provincial  
manager, is the proposition advanced  
by J. M. Lyons, of Moncton, N. B., in  
the Quebec Telegraph.Mr. Lyons argues that there are as  
many reasons for provincial control of  
the railways as of the highways. Ap-  
parently his idea is that each province  
should eventually take the profits or  
losses of railway operations within its  
borders.

TRY THIS!

Sing this to the tune of "The Old  
Oakden Bucket."How dear to our heart is the steady  
subscriber, who pays in advance at  
the birth of each year. Who lays  
down the money and does it quite  
gladly, and casts round the office a  
halo of cheer.He never says: "Stop it; I cannot  
afford it, I'm getting more papers than  
now I can read," but always says:  
"Send it, our people all like it—in-  
fact we all think it a help and a need."  
How welcome his check when it  
reaches our sanctum, how it makes  
our pulse throb, how it makes our  
heart dance. We outwardly thank  
him; we inwardly bless him—the  
steady subscriber who pays in ad-  
vance.
