Canard Line Winter Service. It is a noteworthy fact that although a number of the finer Atlantic lines have had to arrange a service to the Mediterranean for their finest steamers for the winter months, the popularity of the Cunard line enables them to continue their regular weekly service to Liverpool, with their 15,000 ton record holders, Campania and Lucania, and with the 8000 tonners, Euterpa and Umbria.

As usual they will have the last steamer from this side, which will be sure to reach England in time for their passengers to be in any part of Britain before Christmas day.

CATTO'S A, B, C. A Comfortable Bed

is one of the greatest of life's necessities. Head-aches and heart-aches are soon forgotten when we lay us down to sleep.

if the comforts of the couch are sufficient, Bed-covering of a too heavy, non-porous kind is both uncomfortable and injurious even the coldest night. The two great requirements are Warmth and Lightness. A Down Quilt is the only thing yet invented which combines these two grand qualities in large measure. We can show you the largest stock of EIDER DOWN GOODS to be seen in Canada, with new arrivals to-day.
