An Oil for All Men—The sailor,
the soldier, the fisherman, the lum-
berman, the out-door laborer and all
who are exposed to injury and the
elements will find in Dr. Thomas'
Electric Oil a true and faithful
friend. To ease pain, relieve colds,
dress wounds, subdue lumbago and
overcome rheumatism, it is excellent.
Therefore, it should have a place in
all home medicines and be amongst
those taken on a journey.

Nervous Breakdown Relieved
Toronto, Ontario. — "It is pretty hard
to explain your feelings in nervous
troubles. I felt low spirited, had pains
in my head and eyes, always crying, and
did not want to go anywhere. I do
knitting and fancy work, and I would
get irritable after a few minutes of
work. I have been in Canada five years
and have been this way ever since I
came. I am taking Lydia E. Pinkham's
Vegetable Compound and I sleep better
and it seems to make me eat, and I must
say I am feeling more jolly. I have
great faith in your medicine because
of what it has done for my husband's
sister and she recommended it to me."
— Mrs. A. SMITH, 10 Burleigh Avenue,
Tombor, Toronto, Ontario.

All druggists sell this dependable medi-
cine, and women suffering from these
troubles so common to their sex should
give it a trial now.

Dresden has a Business Girls Club.
Plays, dances, social evenings, etc.,
have been arranged by them during
the past winter.

Dresden stores will re-open on
Tuesday, Thursday and Saturday
evenings, throughout the spring and
summer months.

A motor bus is now making regu-
lar trips from Strathroy to London,
serving Mt. Brydges, Delaware and
Lambeth enroute.

"I hear you gave a party last night
old chap. What was it to celebrate?"
"It was for my wife. It was the tenth
anniversary of her thirtieth birth-
day."

A number of parties are being
arranged in London for Miss Rowena
Weld, whose marriage to Dr. Septi-
mus Thompson, of that city, will be
a smart society event of April.

It is reported that Hugh Montgom-
ery, ex-M.P.P. has sold his hotel prop-
erty, in Sombra, the "Grand Union"
to a Mr. Hill, of Detroit, for \$15,000.
It is also said that the O. Wright
property, "Wright-Roost" has been
bought for a Detroit club for \$5,000
with some reserves of buildings.

Jos. Lamantia of Strathroy is plan-
ning to erect a beautiful residence
of most modern design and appoint-
ments, on his lot on the south side of
North Street, facing Alexandra Park.
The site is the old Auld property for-
merly owned by the late Effie Bently.

The funeral of the late John Borth-
wick, who died in Forest last week,
aged 88 years, was held on Thursday
afternoon under Masonic auspices.
Richard Williamson, of Watford, P.
D.D.G.M., conducted the ritual ser-
vice at the grave. The pallbearers
were Hugh Russell, Ed. Karr, Em-
erson Burney, Claude Neilson, Adam
Kent and T. H. Rumpfard.

The Lambton Packing Company at
Petrolia intends to operate its fac-
tory on a large scale this summer, ac-
cording to the amount of acreage the
firm is advertising for. Three hun-
dred acres of peas and 400 acres of
corn will be the acreage this year. If
the weather continues as at present
seeding will begin about the middle
of April.

Ontario farmers would do well to
take the best of care of their spring
and fall litter of pigs this year, and
to "make hay while the sun shines."
A recent survey of the hog situation
in the American corn belt, the great
feeding and breeding ground for hogs
in the United States, shows a decrease
of 19 per cent, or from 11,000,000 to
12,000,000 fewer hogs raised in 1924
than in 1923.

At the last meeting of the Essex
council a discussion took place on the
purchase of a fire truck for the town,
it being the opinion that it would
save the mains. With the high pres-
sure required for fires it is feared
some mains will spring a leak during
a fire. With a fire truck it would not
be necessary to have more than 30
lbs. pressure. A Reo truck would cost
\$5,000.

Mr. W. R. Nicholson of Wyoming,
and his assistant, Mr. F. Enridge, have
been engaged during the past week
in planting trees at Bright's Grove,
which the proprietor is sparing no
cost or trouble in making an ideal
summer resort—a sort of "Atlantic
City in Miniature." The lake front-
age has been surveyed into town lots
and streets, and upwards of 200 Man-
itoba maple and poplar trees set in
rows, in addition to which a number
of new cottages have been erected.
No doubt Bright's Grove will become
a mecca during the summer for tour-
ists as well as citizens wishing to
spend a holiday during the heat of
the summer.

The Advisory Board appointed by
the County Council to confer with
Road Superintendent McCallum, have
made a survey of all the roads in
the county, with the exception of
Dawn and Sombra, which they will
finish this week, and will report their
findings and recommendations at a
special meeting of the County Coun-
cil to be held today (Thursday). An
earnest effort is being made to have
crushed stone used on the county
road right through to Rutherford, as
it is held that gravel is useless when
put on clay roads. To back up this
contention it is pointed out that a
mile of crushed stone was laid last
fall south of Edy's and that today
with the exception of Oil Springs,
Main street, also of crushed stone,
it is the best piece of road in the
south part of the county. The
Board consists of Reeve McDonald of
Dawn, Chairman; Muma of Warwick
Harkness of Sarnia Twp., Warden
Hackett and Supt. McCallum.

Petrolia is running up a record
for fires, having had four in three
days last week.

The directorate of Strathroy Fair
took a decidedly forward step on
Saturday in arranging for an elab-
orate special attraction for the ex-
hibition this fall. The board signed
a contract for the production of a
historic pageant requiring over two
hundred people and involving an
expense of about \$1,000. The page-
ant will portray the history of
Middlesex County from the time of
the Indians up to the present. Local
talent will be secured and trained
for the various characters required.
The whole troop of performers will
be appropriately costumed and
equipped in order to provide a real-
istic presentation of scenes from the
past. The pageant will be staged in
front of the grandstand at Exhibi-
tion Park, and on three nights dur-
ing the fair, the dates of which have
been set for Sept. 8, 9, and 10. Re-
hearsals for this big novelty attrac-
tion will be held a few weeks prior
to the exhibition. The question of
this year's general admission fee was
freely discussed by the board, and
in spite of some agitation for a 35-
cent ticket, it will remain the same
as last year at 25 cents.

The Poets Corner

GLADNESS
Give me the sunny songs of youth
The sprightly innocence of truth
Exuberant spirits of the spring
Like birds that's always on the wing
Glad atmosphere.

Immaculate! with soften'd blue
No gloom to intercept the view
The pure young blood incessant flows
Description fails but each one knows
The childish cheer.

A kiss will soothe, a growl will hurt
They love to play they love to work
Their laughter after sudden pain
Like summer sunshine after rain
They will not mope.

Now see them dancing in the sun
Nor stop to walk, but skip, and run
A stomach ache, just for a while
And followed by a dimpled smile
And sobs will stop.

To make this permanent we must
Prove worthy of their simple trust
Intensify their glad delights
And gently draw to higher heights
They're immature.

Oh who would dare those souls to
cheat
By feeding them with sweet deceit
But as development begins
To save them from all childish sins
And things impure.

"There's grace sufficient!" let us try
Dispel those clouds from their young
sky
It takes some tact, but we no doubt
Can help to keep those evils out
That makes us sad.

'Tis sin that darkens all their sky
'Tis sin that hurts and makes them
cry

"We're born in sin," but there's a way
To keep us happy all the day
And pretty glad.

Grateful that gladness is our choice
In childlike trust we must rejoice
For gladness is our normal state
So it's indeed a great mistake
In being bad.

April 5th, 1925. —W. B. Laws.

WHEN THE SYSTEM IS ALL RUN DOWN

Often All That is Needed is a Tonic
to Build Up the Blood

There are many women who have
been invalids or semi-invalids so long
that they accept their condition as a
life burden. They have endured broken
sleep, stomach trouble, nervous-
ness and weakness so long that they
have given up hope of enjoying
good health. In most of these cases
a well chosen diet, fresh air and a
tonic to build up the blood would do
wonders. To all run-down, nervous
people the experience of Mrs. H. J.
Cameron, Waterville, N.S., will be of
deep interest. She says:—"About two
years ago I was in a miserable run-
down condition. I was unable to do
my work, my head ached day and
night, my nerves were all unstrung,
and for three weeks I could not eat
or sleep. I then decided to give Dr.
Williams' Pink Pills a trial and got
six boxes. By the time I had used half
of them I felt much better, and when
I had taken the six boxes I was as
well as ever. I could work all day and
not feel tired and have been strong
and healthy ever since. I have never
taken any medicine that did me so
much good and will always highly re-
commend Dr. Williams' Pink Pills.
You can get these Pills from any
medicine dealer, or by mail at 50
cents a box from 'The Dr. Williams'
Medicine Co., Brockville, Ont.
