THE MISERY OF BACKACHE

Removed by Lydia E. Pinkham's Vegetable Compound.

Meaford, Ont.—"I took Lydia E. Pinkham's Vegetable Compound for my backache, and I also had a female weakness. I felt dizzy and nervous, and was without energy. I had to force myself to do my work, and was always tired. Saw a Pinkham advertisement which induced me to take the Vegetable Compound, and my back gradually stopped aching and I felt lighter in spirit. I am recommending the Vegetable Compound with pleasure to all I meet who complain as I did."—MILDRED BROOK, Meaford, Ont.

Woman's Precious Gift The one which she should most zealously guard is her health, but she often neglects to do so in season until some ailment peculiar to her sex has fastened itself upon her. When so affected women may rely upon Lydia E. Pinkham's Vegetable Compound, a remedy that has been wonderfully successful in restoring health to suffering women. If you have the slightest doubt that Lydia E. Pinkham's Vegetable Compound will help you, write to Lydia E. Pinkham Medicine Co. (confidential), Lynn, Mass., for advice. Your letter will be opened, read and answered by a woman, and held in strict confidence.

SKY BUBBLES

(By Miriam Potter) There's a lady, somewhere high, Blowing bubbles in the sky— Wee, round clouds that softly sail Where the daytime line is pale.

In the spaces of the air Long she sits, and proudly fair Holds a pipe to rosy mouth, Blowing bubbles toward the south.

On a hill I'd like to stand, Reaching out a steady hand, Touch them with a finger light, Till they break in showers bright.

Then from out the air would call Silver voice, so shrill and small, Like a fairy organ's tone, "Let—my—bubble—clouds—alone!"

HOW TO CARE FOR BOOTS AND SHOES

After boots and shoes have been wet it is difficult to secure a good polish. To overcome this trouble it is only needful to rub a little kerosene over the boot or shoe before applying the polishing material. It is best to keep boots and shoes on "trees" and the footwear should be placed on these as soon as it is removed. If there is no time to clean the boots or shoes this is not a matter of great moment provided they are put on the "trees" at once. Where trees are not available stuff the toots or shoes with soft paper. If this is pressed in properly, the shape of the shoe will be preserved. Shoe trees can be purchased at shoe stores at a reasonable price.

Sometimes even a good fitting shoe will pinch somewhere. This is usually due to an irregularity of the foot. To remedy this place a small cloth that has been wrung out of hot water over the spot and leave for a few minutes. This should be done while the shoe is on the foot. The heat expands the leather and it becomes shaped to fit the foot.—Ex.

ANNOUNCED SPECIAL THANK-GIVING

(Shelburne Gazette)

We once heard of a minister who, after announcing to his congregation that there would be no choir during the service owing to friction between the members, asked the congregation to rise and sing Praise God From whom all Blessings Flow. Here is one from near home. As our readers know the Methodist conference met recently at Liverpool, on Sunday a week ago, while the Conference was in session, the Rev. Mr. Barrett, pastor of the Liverpool Methodist Church, announced the sittings of the Conference for Monday and remarked that on Tuesday the Conference would be gone when the local church would hold a Thanksgiving service.

WANTED A GLASS

The new curate was to preach his first sermon so naturally he was very desirous of looking his best. Arriving at the vestry, he found to his chagrin that it contained no mirror, so seeking the sexton, an old Scotsman, he asked in low and nervous tones, "Er, James, can I—that is, do you think you could get me a glass?" With a shake of his head, James disappeared, returning in a few minutes carrying something under his coat. With drawing his hand he brought to light a large black bottle which he presented to the curate, saying at the same time, "Ye maunna let on about it, for I got it as a special favor, an' wadna hae got it at all if I hadna told 'em it wis for you."

CAME DOWN LIKE A LADY (!)

"Frances," said the little girl's mother, who was entertaining callers, "you came downstairs so noisily that you could be heard all over the house. Now go back and come downstairs like a lady." After a few moments Frances re-entered the room. "Did you hear me come downstairs this time, mother?" she asked. "No dear, I am glad you came down quietly. Tell these ladies how you managed to come down like a lady the second time, when the first time you made so much noise." "The second time I slid down the banisters," explained Frances.

"I AM CONVINCED" LIVELY DECLARES

Thought Nothing Could Help Him But Has Gained Eighteen Pounds On Tanlac.

"To be quite frank, I didn't have much faith in Tanlac when I started on it, but now after giving it a fair trial, I don't know how to say enough in its favor," said Thomas I. Lively, of Gaston Road, Dartmouth, N. S. in a conversation with the Tanlac representative recently.

"Ever since I was a boy I have had a weak stomach and suffered from indigestion, and of late years it got much worse. My food always used to turn sour, bloated me up with gas so that I could hardly breathe and caused me severe cramping pains in the pit of my stomach so that I could hardly keep at my work. I was always badly constipated, had dull heavy headaches almost every day, and spells of dizziness. When I lay down at night the gas that formed on my stomach would seem to press up into my throat and almost choke me, many a night I have had to walk the floor for hours in my effort to get relief, and sometimes would not get a wink of sleep all night. I went down in weight from a hundred and eighty five pounds to a hundred and fifty five and got so weak that I would actually stagger and almost fall down at times. Often I would stay off from my work for a week or two at a time, and about two years ago I was so bad that I had to knock off for six months. For twenty four years I have been trying to find something to relieve the indigestion but nothing seemed to help me until I tried Tanlac.

"As I've said I didn't have much faith in it when I started and even when I had finished the first bottle, I was thinking that it was no better than all the other medicines I had tried. But I kept on taking it, and I am mighty glad that I did for it has made a new man of me. I have a fine appetite, can eat anything, and my digestion and stomach trouble seems entirely gone. All signs of sourness, gas or cramping pains have disappeared. I am no longer constipated and the headaches are a thing of the past. I sleep like a top now, and each morning get up feeling like a man refreshed. I have only been taking Tanlac for five weeks, but I have gained eighteen pounds in weight already, and haven't enjoyed such health for years past. I'm on deck for duty every day now and my work is a pleasure instead of torture. I don't hesitate to recommend Tanlac as the best of all medicines for indigestion."

Tanlac is sold in Bridgetown by S. N. Wear in Middleton by Clifford A. Mumford, and in Bear River by L. V. Harris.

NO "SEE MORE SKIRTS"

For this Judge, no Matter How Warm It Is A Springfield, Ohio, despatch says: Judge Geiger, of Common Pleas court has issued a warning that women who apply for divorces in his court must be careful if their dress. The judge told attorneys that "I don't care if it is as hot as these women have got to wear more clothes when they come into his court. This thing of peek-a-boo waists and see more skirts has got to stop."

A WORD OF APPRECIATION

"Halloo, Rivers! You seem to have a bad cold?" "Worst I ever had." "I'm sorry for you old fellow. Wish I knew something that would cure you, but I don't." "Give me your hand, Banks," replied Rivers with tears in his eyes. "You're the only man I've seen for three days that hadn't a certain cure!"

HOUSE AND HOME

A house is built of bricks and stones, of sills and posts and piers; But a home is built of loving deeds that stand a thousand years. A house, though but an humble cot, within its walls may hold A home of priceless beauty, rich in Love's eternal gold. —Nixon Waterman

REAL SYMPATHY

A country schoolmarm sent word one morning that as she was suffering from an attack of illness there would be no school that day. Late in the afternoon she received a large bouquet of wild flowers from her pupils with a note attached which read:—"Teacher, please stay sick to-morrow, too, and we'll send you another bunch."

THE UNVEILING OF MEMORIAL TABLET

An Important Patriotic Event Took Place at Lower Granville Wednesday Evening

(From our Lower Granville Correspondent)

The unveiling of the Memorial Tablet, in the Union Church which was placed on the South wall in grateful and loving memory of the four young men, who laid down their lives in the Great War took place Wednesday evening, June 30th, in the presence of a large and reverently attentive congregation. The service throughout was one of inspiration and a tribute to the valor and sacrifice of the dead. Mr. J. K. Winchester, chairman, called for the presentation of the tablet to the church which was presented by Mrs. J. K. Winchester, President of the Lower Granville Red Cross, in her pleasing manner and accepted in behalf of the trustees by Mr. H. H. Anthony.

The unveiling was then performed by Harold McCrae, brother of one of those who made the Supreme Sacrifice and whose name was on the tablet unveiled. Rev. H. Patterson and Rev. I. Brindley gave forceful and appropriate addresses. Miss Gene Bogart who had just returned from overseas where she had been employed in the American Red Cross Nurse work, gave an interesting address. The tablet itself is remarkable not only for the oak frame which surrounds but for the beauty and design of the lettering on the brass. The inscription reads as follows: To the glory of God and in memory of Corp Harry Robblee, Pte Reginald Young, Pte. Elmer Winchester, Pte David McCrae, who gave their lives in the Great War 1914-1918.

Greater love hath no man than this that a man lay down his life for his friends. Miss S. E. P. Elliott gave an excellent reading pertaining to Flanders. Mr. P. Doyle returned soldier also gave an interesting speech. One of the most impressive services that ever took place in the Union Church (Goat Island) ended by singing the National Anthem by congregation and benediction by Rev. H. Patterson.

ANOTHER NEW ENTERPRISE

A motorist touring in a western stage got stalled in a tenacious mudhole. While making a vain attempt to escape, a boy appeared with a team of horses. "Haul you out, mister?" "How much do you want?" "Three dollars." After a long and fruitless argument the motorist was pulled to dry land. After handing over the money the motorist said: "Do you haul many cars out in a day?" "I have pulled out twelve to-day." "Do you work nights, too?" "Yes, at night I haul water for the mudhole."

ONIONS DRUG IN MARKET

A Washington despatch says: Onions have become a drug on the market for the first time in years, the Department of Agriculture reported today in its weekly market review. Because of the slight demand for onions, due the Department's review says, to an over supply and to refusal of retailers to lower prices as wholesale prices decline, California onion growers are plowing under their crops because the onions are not worth the cost of marketing.
