### MISCELLANEOUS.

Mr. Sidney Colvin is preparing a selection of R. L. Stevenson's Samoan letters for publication in the autumn.

Mr. Rhodes, on behalf of the Chartered Company, has presented a farm to the first European baby born in Manica-land.

The *Daily Times* of Otago has had an obituary notice of Prof. W. Garden Blackie, confounding him with the late Prof. J. S. Blackie.

### RINGING NOISES

In the ears, sometimes a roaring, buzzing sound, are caused by catarrh, that exceedingly disagreeable and very common disease. Loss of smell or hearing also result from catarrh. Hood's Sarsaparilla, the great blood purifier, is a peculiarly successful remedy for this disease, which it cures by purifying the blood.

Hood's Pills are the best after dinner pills; assist digestion, prevent constipation.

An "ecclesiastical case" of interest is "up." A. U. P. Presbytery suspended a minister after trial. He appealed to the Civil Court. The Presbytery replied that it was acting within its own jurisdiction, and that no court of law could restore the ecclesiastical status of the condemned minister. The Court of Session refused to accept the plea, and ordered a trial. This raises a question of moment to all the non established churches of Scotland.

SOMETHING WE WOULD RECOMMEND TO THE EARNEST ATTENTION OF MINISTERS, FATHERS AND MOTHERS.

A GREAT FIELD OPEN FOR THEIR ENERGY IN STRIVING TO STOP OR DIMINISH THE "ALCOHOL" AND "MORPHINE" HABIT.

Much has been said about men and women acquiring the above pernicious habits through taking patent medicines, which are largely made up of these ingredients. Of course these powerful nerve tonics stimulate for a short time and make people "feel good," but the stimulant must be taken frequently, and in this manner the baneful habits attach themselves to the user, never to be got rid of.

To avoid or diminish these evils as much as possible "MANLEY'S" Celery Nerve Compound, with Beef, Iron and Wine, was placed before the public. It is a scientific combination of celery for the nerves, beef, iron and wine for the blood and strength, and camomiles and other tonics, and is based on glycerine (the most perfect germ destroyer, and healing, cooling laxative known to the medical profession) instead of alcohol.

Just think of the beneficial effects this will produce, and being free from harmful narcotics, the horrible evils our dear friends may be saved from.

If your hand is sore or the skin irritated would you use a burning irritant like alcohol if you had glycerine? No! Then why use it on the more tender membranes of the stomach? If you need a pure, health-building, common sense tonic, devoid of any ingredient that can harm the most delicate woman or child, we recommend you to take "MANLEY'S" Celery Nerve Compound, for in this you avoid even the appearance of evil. Recommend it to your friends for the above, and also for the reason that it is *unrivalled* in health-giving properties. You can buy it of any druggist, or write to the Lion Medicine Co., Toronto. Remember "MANLEY'S" is what we recommend.
