they have appeared up to the present time, to the other side of the account in reduction of the item "Cost of Railway and Equipment." After providing for the outstanding land grant bonds the balance of the proceeds of sales amounting to \$7,676,552 is a free asset, and may properly be classed with your surplus, available for any purpose. Of the additional \$25,500,000 ordinary capital stock authorized at the last annual meeting, the amount of \$16,900,000 was offered to the shareholders at par, and all was subscribed for excepting 2,500 shares, which will be sold in the open market.  Your directors recommend that an amount equivalent to 15% of the last issue of ordinary share capital, or \$2,535,000 be transferred, as was done in the case of the previous issue, from the accumulated surplus earnings; this amount to be transferred to a special fund for improvements, and for such other purposes as may conduce to the company's advantage.  In accordance with the by-laws the following directors will retire from office at the approaching annual meeting; they are eligible for re-election: C. R. Hosmer, Hon. R. Mackay, D. McNicoll, R. G.
