

RESTORES EYESIGHT

"Actina," a Marvellous Discovery That Cures All Afflictions of the Eye Without Cutting or Drugging.

There is no need for cutting, drugging or probing the eye for any form of disease. There is no risk or experimenting, as thousands of people have been cured of blindness, failing eyesight, cataracts, granulated lids and other afflictions of the eye through this grand discovery, when eminent oculists termed the cases incurable.

Mrs. A. L. Howe, Tully, N.Y., writes: "Actina removed cataracts from both my eyes. I can read well without glasses; am 65 years old." Robert Baker, 80 Dearborn St., Chicago, Ill., writes: "I should have been blind had I not used 'Actina.'"

Actina is sent on trial, postpaid. If you will send your name and address to the New York and London Electric Association, Dept. 46B, 929 Walnut St., Kansas City, Mo., you will receive free a valuable book, Prof. Wilson's Treatise on the Eye and on Disease in General, and you can rest assured that your eyesight and hearing will be restored, no matter how many doctors have failed.
