## The Weather

M. I bis is a subject of any sin order and like Mark I vaine after dinner toost, The Rabies, can be responded to by any of us. We have all been babies. as Mark said, without exception; also we have all experienced, and are always interested in, the weather. Now, people who live in less favoured countries always presume to shiver as with cold when Manitoba weather is men To these ill-informed and tioned. thin-blooded bigots I would suggest a glance at the following temperature chart, showing the position of the mercury at the Industrial Farm from Sun day, December 15th, to Wednesday, January 15th, as reported each morn ing at 7.30 from the Dominion Govern ment standard thermometers supplied 90 Weather Bureau, by our reliable
