## SHORT TALKS ON ADVERTISING

I once knew a man who started a paper at two dollars a year.  
"Is your paper intended for any particular class?" I asked.  
"Yes, for the class that has two dollars," said the man.  
"SHORT TALKS" is intended for the class which has twenty-five cents—not necessarily for men interested in advertising.

It ought to give the man who has anything to sell some things to think about. The man who has nothing to sell will be entertained. He may learn some things, but that won't hurt him.

It is just a cheerful little business book—sensible without being serious.

The book costs a quarter, in paper covers.

If you had rather pay a dollar and have the book substantially bound in cloth, you may do so.

Send either the quarter or the dollar to
