About our new Stays.

This is a Strip Corset, designed from the latest Parisian fashions. It is made in dove, ecru and white sateen, boned with our improved Coraline bone, is light in weight and very long-waisted, giving the wearer a neat and graceful appearance.

The "French Model Coraline Corset," made in dove and ecru, has the same length of waist as the "Long Waist Coraline Corset" and differs from it only in being shorter below the hips and at the front, which will commend it to Lady Cyclists or those who wish a shorter Corset with Long Waist.

Sold by all the leading stores in Ontario. Every genuine Corset has our name printed on the inside.
