it is infallible, curing cares that had resisted all other treatment for nearly a lifetime allaying every phase of inflammation, and leaving the joints in a natural condition. In

it is a sovereign remedy-causing new circulation of the blood around the edges of the sore, and apsedily filling up and drawing together the flesh, which in old sores is generally inert and hieless. In

SORE EYES AND RUNNING EARS

the effect is truly wonderful. The scrofulous and depraved blood and humors on which such sores feed and live, are neutralized at the stomach, the fountainhead, and new and healthy blood soon washes away every vestige of disease. In.

the effect is equally gratifying, although of course, it is necessary to persevere for some months in diseases such as those having their origin in bad blood and humors; and in such diseases as

## Vegetable Sicilian Hair Renewer

Has stood the test of seven years before the public; and no prepara-tion for the hair has yet been dis-covered that will produce the same beneficial results. It is an entirely new scientific discovery, combining many of the most powerful and restorative agents in the VEGETABLE KINGDOM. It restores GRAY HAIR TO ITS ORIGINAL YOUTHFUL COLOR. It makes the scalp white color. It makes the scalp white and clean; cures dandruff and humors, and falling out of the hair; and will make it grow upon bald heads, except in very aged persons, as it furnishes the nutritive principle by which the hair is nourished and supported. It makes the hair moist, soft, and glossy, and is unsurpassed as a HAIR DRESSING. It is the cheapest preparation ever offered to the public, as one bottle will accomplish more and last longer than three bottles of any other preparation.

bottles of any other preparation.
It is recommended and used by
the First Medical Authority. The wonderful results produced by our Sicilian Hair Renewer have induced many to manufacture preparations for the Hair, under various names; and, in order to induce the trade and the public to purchase their compounds, they have resorted to falsehood, by claiming they were former name. have resorted to falsehood, by claiming they were former partners, or had some connection with our Mr. Hall, and their preparation was similar to ours. Do not be deceived by them. Purchase the original: it has never yet been equalled. Our Treatise on the Hair, with a statement for the heart. with certificates, sent free by mail. See that each bottle has our private Revenue Stamp over the top of the bottle. All others are imitations.

# Ayer's Hair Vigor,

For restoring Gray Hair to its natural Vitality and Color.

A dressing which is at once agreeable, healthy, and effectual for preserving the hair. Faded or gray hair is soon restored to its original color with the gloss and freshness of youth. Thin hair is thick-

ened, falling hair checked, and baldness often, though not always, cured by its use. Nothing can restore the hair where the follicles are destroyed, or the glands atrophied and decayed. But such as remain can be saved for usefulness by this application. Instead of fouling the hair with a pasty sediment, it will keep it clean and vigorous. Its occasional use will prevent the hair from turning gray or falling off, and consequently prevent baldness. Free from those deleterious substances which make some preparations dangerous and injurious to the hair, the Vigor can only benefit but not harm it. If wanted merely for a

## A BOUQUET

#### VIOLETS AND WATER LILLIES

Exhale an exquisite fragrance, agreeable to the most fastidious, but in the Florida Water of Murray & Lanman it is not to these two floral beauties alone that we are confined; in it we have the full fragrance of a whole houquet of blooming tropic flowers.

#### MOSS-ROSE AND JASMIN,

Exquisite in their odors, are yet poor by comparison with the clouds of incense that arise from Marray & Lanman's Florida Water, so justly styled . The Queen of Floral Perfumes'

ORANGE FLOWERS AND HONEYSUCKLE.

Delightful in the pure delicacy of their sweet breath, but faint and fading when compared with the refreshing and strengthening perfore of Murray & Lanman's Florida Water.

### PRIMROSES AND HELIOTROPE,

Full of sweet perfume, and agreeable to many, but void of those important hygienic properties which make Murray : Lauman's Florida Water so welcome in a sick-room.

#### DAISIES AND BUTTERCUPS.

Nature's every day performes, exhaling fibral incense familiar to us all, but from which we turn eagarly away to the more refined, delicacy of fragrance of Murray & Lanman's Florida Water. LAVANDEB AND MAGNOLIAS.

#### Rich with heavy perfume, but not invigorating nor refreshing, and so sweet that the secse of smell soon

cloys, and longs for the simple freshness of Marray & Lanman's Florida Water. SWEET BRIER AND CLOVER BLOOM, Bringing memories of country life, and exhaling a perfame pare and delicate, but lacking uniformity

#### and permanence so marked a feature in Murray & Lanman's Florida Water.

MIGNONETTE AND DAFFODILS. Of poetic celebrity, sweet and pleasant in the perfame but still only the perfame of single flowers. In Murray & Lauman's Florida Water we have the combined fragrance of more than all these floral beauties; We have the unapproachable richness of the far-off tropic flowers made permanent, and giv-ing justly to the exquisite Toilet-Water the title of

THE EVERLASTING PERFUME. Purchasers should be careful to ask for the Florida Water prepared by Lanman & Kemp, New York, who are the sole proprietors of the genuine
