

Made in Canada

**No Upkeep Cost for 20 Years
—Absolutely Guaranteed**

Here are details of a plan to guarantee your roof for 20 years—at no extra cost.

It's a new feature of our service.

We know from an experience of over half a century that a Barrett Specification Roof, if properly laid by a good roofing contractor, will last at least 20 years. Scores of roofs of this type have lasted almost twice that period.

In order that purchasers may have the benefit of this experience we have arranged with one of the largest Surety Companies to issue, hereafter, a 20 Year Guaranty Bond on all Barrett Specification Roofs of 50 squares or more in all towns in the Dominion of 25,000 population and over—and in smaller places where our Inspection Service is available.

Our only requirements are that the roofing contractor shall be satisfactory to us and that the Specification dated May 1, 1916, shall be strictly followed.

All you have to do to secure the 20 Year Guaranty Bond is to give the roofing contractors copies of The Barrett Specification of that date, and tell them to figure on that basis. From the buyer's standpoint the arrangement is practically ideal, for under the plan the owner is assured of having an inspector on the roof whose only interest is to make it as good as possible—for if it isn't right we alone are the loser.

Do not confuse this Surety Bond with the ordinary "Guarantee."

Be sure your next roof carries this 20 year Guaranty Bond

It is something quite different. It is issued, not by an individual or a manufacturer, but by one of the largest and best known Surety Companies and is a legal, workable document that has no loopholes.

When you give the roofing contractor a copy of The Barrett Specification of May 1, 1916, to figure on, you are ordering the very best roof it is possible to construct and one that takes the base rate of insurance. In addition you secure a 20 Year Surety Bond, guaranteeing freedom from upkeep cost for that period.

If you are interested and want any further information, write our nearest office and the matter will have prompt and careful attention.

A copy of The Barrett Specification, with roofing diagrams, sent free on request.
