Knickerbocker Ice Co'y.
 TORONTO.
 Office—147 Richmond Street West.
 Decks—Foot of George Street.

To our Customers and others:—We have secured during the past winter a very large stock of exceptionally good ice, cut near the Island, under the direction of the Board of Health and personal supervision of the medical Health Officer, and pronounced to be of excellent quality, suitable for family, hotel and office use. We make a specialty of this class of trade, and say, without fear of contradiction, that there is no better ice put up in this city than what we have in store, no matter by what name it may be sold under. On May 1st we commence our regular delivery to all parts of the city.
 We here beg to thank our old customers for their kind patronage in the past, and again solicit a renewal of their orders for the coming season.

**WHAT
AILS
YOU?**

Do you feel dull, languid, low-spirited, lifeless, and indescribably miserable, both physically and mentally; experience a sense of fullness or bloating after eating, or of "grogginess," or emptiness of stomach in the morning, tongue coated, bitter or bad taste in mouth, irregular appetite, dizziness, frequent headaches, blurred eyesight, "floating specks" before the eyes, nervous prostration or exhaustion, irritability of temper, hot flashes, alternating with chilly sensations, sharp biting, transient pains here and there, cold feet, drowsiness after meals, wakefulness, or disturbed and unrefreshing sleep, constant, indescribable feeling of dread, or of impending calamity?

If you have all, or any considerable number of these symptoms, you are suffering from that most common of American maladies—Bilious Dyspepsia, or Torpid Liver, associated with Dyspepsia, or Indigestion. The more complicated your disease has become, the greater the number and diversity of symptoms. No matter what stage it has reached, **Dr. Pierce's Golden Medical Discovery** will subdue it, if taken according to directions for a reasonable length of time. If not cured, complications multiply and Consumption of the Lungs, Skin Diseases, Heart Disease, Rheumatism, Kidney Disease, or other grave maladies are quite liable to set in, and, sooner or later, induce a fatal termination.

Dr. Pierce's Golden Medical Discovery acts powerfully upon the Liver, and through that great blood-purifying organ, cleanses the system of all blood-taints and impurities, from whatever cause arising. It is equally efficacious in acting upon the Kidneys, and other excretory organs, cleansing, strengthening, and healing their diseases. As an appetizing, restorative tonic, it promotes digestion and nutrition, thereby building up both flesh and strength. In malarial districts, this wonderful medicine has gained great celebrity in curing Fever and Ague, Chills and Fever, Dumb Ague, and kindred diseases.

Dr. Pierce's Golden Medical Discovery CURES ALL HUMORS, from a common Blotch, or Eruption, to the worst Scrofula. Salt-rheum, "Fever-sore," Scaly or Rough Skin, in short, all diseases caused by bad blood are conquered by this powerful, purifying, and invigorating medicine. Great Eating Ulcers rapidly heal under its benign influence. Especially has it manifested its potency in curing Tetter, Eczema, Erysipelas, Boils, Carbuncles, Sore Eyes, Scrofulous Sores and Swellings, Hip-joint Disease, "White Swellings," Goitre, or Thick Neck, and Enlarged Glands. Send ten cents in stamps for a large Treatise, with colored plates, on Skin Diseases, or the same amount for a Treatise on Scrofulous Affections.

"FOR THE BLOOD IS THE LIFE." Thoroughly cleanse it by using **Dr. Pierce's Golden Medical Discovery**, and good digestion, a fair skin, buoyant spirits, vital strength and bodily health will be established.

CONSUMPTION, which is Scrofula of the Lungs, is arrested and cured by this remedy, if taken in the earlier stages of the disease. From its marvellous power over this terribly fatal disease, when first offering this now world-famed remedy to the public, Dr. Pierce thought seriously of calling it his "CONSUMPTION CURE," but abandoned that name as too restrictive for a medicine which, from its wonderful combination of tonic, or strengthening, alterative, or blood-cleansing, anti-bilious, pectoral, and nutritive properties, is unequalled, not only as a remedy for Consumption, but for all Chronic Diseases of the

Liver, Blood, and Lungs. For Weak Lungs, Spitting of Blood, Shortness of Breath, Chronic Nasal Catarrh, Bronchitis, Asthma, Severe Coughs, and kindred affections, it is an efficient remedy. Sold by Druggists, at \$1.00, or Six Bottles for \$5.00. Send ten cents in stamps for Dr. Pierce's book on Consumption. Address, **World's Dispensary Medical Association, 663 Main St., BUFFALO, N. Y.**

EVERYBODY

THE DAILY MAIL is kept on file, bound up for reference, by Judges, County Clerks,

READS

Registers, Public Libraries, and by the various Governments, Provincial and Dominion. The important events in the life of yourself and your family should be recorded there. Notices of births, marriages and deaths should be inserted in THE DAILY MAIL, not alone for the reason that such is the social custom, but also because such notice is a registry of

BIRTH

the facts for time to come. The small charge of 50 cents for one insertion of a birth,

MARRIAGE

marriage or death notice should deter no one, and interested parties should see to it that the record is made. Another point that

DEATH

should be borne in mind is this: It is well that some one paper should have all of these notices. THE MAIL now receives nearly every one of them; therefore, when you can afford to insert in only one paper,

ANNOUNCEMENTS

have it in THE MAIL, for these two reasons:— 1st. Every one else has birth,

IN

marriage and death notices in THE MAIL. 2nd. THE MAIL, as before stated, is a perfect perpetual register, easy of access at all times and to all people.

THE MAIL

THE MAIL now occupies the foremost place in Canadian journalism.—"Halton News."
 Among the marvels of journalism. Its prosperity cannot be questioned, and it is a pleasure to say it deserves it.—"Utica (N.Y.) Herald."
