

March 30th, 1927.

Sir George Burn,
Rideau Club,
Ottawa, Ont.

Dear Sir George:-

I have a letter from Colonel Snow in which he says that he feels sure that His Excellency will be only too glad to give his consent to become a patron of the Canadian National Committee for Mental Hygiene, but he does not wish to write to His Excellency about it unless we consider it urgent. I replied saying to leave the matter until His Excellency returned from his trip.

Yours faithfully,
