Easily Conquered

A well-known New Yorker of wide experience, has written a book telling how the tobacco or sunf habit may be easily of completely banished in three days, with delightful benefit.

The health improves wonderfully after the nicotine poison is out of the system. Calmness, tranquil sleep, clear eyes, normal, appetite, good digestion, manly vigor, strong memory and a general gain in efficiency are the many benefits reported. No more of that nervous feeling: no more need of pipe, cigar, cigarette or chewing tobacco to pacify the morbid desire. The author, Edw. J. Woods, 534 Sixth avenue, 548 N. New York City, will gend his book free on application to anyone who writes to him.

They must put aside all political ambition.

What now are the objections urged to speak a life tenure? The first is that it makes in the sense that they do not want to drink. The craving coming trom the inflamed membranes of the stomach drives them to it.

Alcura will sooth the trembling nerves and remove the craving that is running your home and stealing an otherwise kind husband or father from you. It costs only \$1.00 per box, and if it does not cure or benefit after a their household with a view to always wigor, strong memory and a general gain in efficiency are the many benefits recorded to what they are life the more of the stream to it.
