LORD LOVAT COMMANDS SCOTTISH BRIGADE

Placed in Charge of Mounted Corps — Calls on Canadians to Enlist.

Dr. Alexander Fraser, Ontario archivist, Toronto, received a cablegram on Saturday afternoon from the Right Hon. Lord Lovat, Beaufort Castle, Scotland, stating that he has been given command of a Highland mounted brigade, and calling any of the old Lord Lovat Scouts now resident in Canada, who wish to serve under him in this brigade during the war, to send their names to Dr. Fraser.

The Lovat Scouts consisted of two battalions raised by Lord Lovat for service in South Africa in the Boer war. They were expert mountaineer riders, and their services on the veldt were exceptionally valuable. At the close of the war the corps was reorganized on a permanent basis, with short terms of enlistment, and the corps will now form part of the Highland Mounted Brigade. Quite a number of the members have in recent years settled in Canada, and it is to these Lord Lovat's call has come.

In addition to these scouts offers of service will be considered from men between the ages of 20 and 30 years, willing to go, and arrangements are in progress for their enrolment, full particulars of which may be obtained from the undersigned. Mounted corps are always popular in the service, and to such a gallant commander as Lord Lovat a hearty response may be looked for.

Applicants are requested to communicate at once with Dr. Fraser, parliament buildings, Toronto, and Evan Hugh Fraser, 67 Woodlawn avenue, West Toronto.

KAISEL IS WANSANE, SAYS PREACHER

Inhuman Brutalities of Soldiers Horrify Civilized World—Belief in His Doom.

Speaking in Edin Street Methodist Church last evening Rev. Dr. W. F. Wilson, pastor of the church, said that the world is the most talked-of man in the world this hour. A remarkable man, and yet he seems insane, misguided, and fanatical. While we deplore and utterly condemn his actions we need not enter at him, nor ignore him, for he must be reckoned with, conquered, and shorn forever of his imperial power.

"The civilized world is justly horrified at the outrageous conduct and inhuman brutalities practiced by his officers. Helpless women, murdered, little children mangled, Red Cross nurses cut down, peaceful citizens tortured, with unparalleled destruction of property, we might well ask the Kaiser, 'What is this?'"

"Who he is gifted, and makes great pretensions of piety, even linking himself with the Deity, he acts like a mad man, risking the power of his empire, the stability of his throne, and the happiness of his people in the greatest war tragedy of history."

"The cousin to our beloved King, nephew of Edward the peacemaker, and grandson of the great Victoria, he seems to have none of the higher instincts of those of British blood. I venture to predict that the Kaiser will be taken away, and that never again will he any other single human being be permitted to rule over millions of men, suffering, poverty and tears, millions in this colossal monster. Why, to be calm and confident in the face of the justice of our cause, and looking for Divine help and guidance, we hope in the near future to see the Kaiser, the ruler of the world's liberty and peace will triumph, and the awful tragedy now resting upon the Kaiser will be averted, and the benign influence of Christ, the Prince of Peace."

PREFERRED STARVATION TO EXCAVATION WORK

Some of the Unemployed Too Particular — Earls Court and Fairbank News.

"I cannot understand the action of the board of control in hesitating over awarding the big pump contract to the Canada Landry Company, when they have promised so many men employment."

Deputy Reeve Miller yesterday, "We had all the work kept in the city. It is possible to secure, and why the order was ever awarded to the United States. I cannot understand. The township council said Mr. Miller 'was doing the best they can for the large number of men who are applying daily for work. They are waiting for the order to be issued by the board of control, and the foreman in charge of the sewer on Laurier avenue, and twelve of them secured employment, others when they saw it was sewer work, walked away, and one man, a resident of Fairbank, remarked 'I would rather starve than do sewer work.'"

"This man," said Mr. Miller, "had a sick wife and a baby two days old, and other children, and his home was all of cracks and holes. What are you to do with cases like that? We have a great deal to pay for sickness in the township. Within the last month we have had three cases from Runnymede, four from Swansea, four from Tedderton, one from Colton, one from Lyth, and three from Oakwood and Fairbank, and the heaviest of all was the section of West Fairbank and Silverthorne with 30 cases."

"These cases cost the township \$7 a week for each person. It is easy to see the necessity for providing all resources and keeping all the work in the city."

Entertaining Children.
 Five little girls, Dorothy Lyon, Ellen Barlow, Beatrice Barlow, Grace Swain and Dorothy Fisher held a bazaar at the home of Mrs. W. J. Miller, 734 Keele street, on Saturday evening to raise funds for the Patriotic Fund. They charged 1 cent for each child, and were entertained with palmistry, a baby show and other features. The receipts amounted to about \$7, which will be added to the headquarters of the Patriotic Fund.

A movement is on foot in the St. Clair district to form a Red Cross auxiliary. The meeting of the women of North Toronto. Mrs. David Douglas is arranging a meeting to be held this week at the headquarters of the Red Cross Society.

Success-made cakes organized by the Fairbank Women's Association in aid of the Ratepayers' Hall was a great success, the stock being sold out early on Saturday.

The building is being rapidly pushed ahead, and the members of the two associations are anxious to see their new quarters by the winter. President Geo. Cunliffe requests the members and all residents of the district to be present at a meeting in connection with the new building, to be held at the Caledonia avenue, this evening, when some questions of special interest to the district will be discussed.

Both accommodation sidewalks and street lighting for the Silverthorne district will be discussed next Thursday evening at the meeting of the Silverthorne Branch, B.I.A., in the Methodist Church, Silverthorne avenue. The residents of Kew Gardens and all residents of the Silverthorne district are requested to attend. School trustees from Mount Dennis are expected to be present.
