

York County and Suburbs NEED IMPROVEMENTS AT LAMBTON PARK

Ratepayers Discuss Ways and Means to Get the Streets Lighted.

MAIL DELIVERY ALSO
Committee Appointed to Canvass District and Present Petition.

At a representative meeting last night of the ratepayers of Lambton Park, the matter of submitting a petition for postal delivery was ratified, and the committee, consisting of Messrs. Ball, Ellis, Croft, Shaw, Perkins and Adams, agreed to meet at a residence of the president, J. Ball, to draft the petition and to arrange for a canvass of the district. Some of the residents, stated the president, J. Ball, obtained their mail from Lambton Mills, while others had to travel to Station "D" at West Toronto. Delivery now extended west as far as Jane street on the north of Dundas street and as far as Langmuir avenue on the south.

It was announced that the vexed question of garbage collection had been settled, it having been arranged that collection should start on Friday, May 14, and be continued fortnightly.

Street Lighting.
Several questions entailing increase in the tax rate were discussed, the most important being the urgent need of street lighting. The meeting expressed itself as unanimously in favor of obtaining such lighting, and of asking the township council to arrange with the hydro commission or the Toronto Suburban Co. Mr. Ball was of the opinion that the private company without a vote of the people, while Mr. Adams stated the company would like to get to work and put lights in at \$14 each. Some 10 or 12 streets required lights, and perhaps 20 lights in all would be necessary. Mr. Croft thought that two mills on the dollar would cover the tax.

The meeting expressed itself as unanimously in favor also of the purchase of the three or four lots necessary to be acquired for the opening of Elson avenue on the west over the power and belt lines to Florence Crescent, and of asking the council to take the necessary steps. A thru road at this point, it was said, would improve the property, and would render long detours to get from point to point unnecessary. Indeed, said Mr. Ellis, when the proposed school was built, such a road would be urgently required. The cost would not be more, perhaps, than \$500 for each lot, thought Mr. Ball.

Gas Main.
It was also agreed that a plan of the Brooke estate showing the lots built upon should be submitted to the Consumers' Gas Co. with a request for the extension of the service to the district.

Following a discussion on the water question, a proposal to form a volunteer fire brigade was broached by J. Moore, who offered to do all in his power to forward its organization. It was resolved to ask the township council what assistance might be rendered, and S. Perkins agreed to report upon the equipment and procedure of the Mount Dennis brigade at the next meeting.

WARD SEVEN
All members of the West Toronto Company of Home Guards are reminded of the special meeting for reorganization purposes in the Annetta Street School tonight. A full turnout is requested, as special work will be taken up during the next few months.

During their three days' sewing for No. 4 Base Hospital, the ladies of West Toronto made over 400 garments and a number of towels, shirts and accessories. The work was carried on in the kindergarten of the Annetta Street School during the afternoon and evening, and only by strenuous working and the use of thirty sewing machines were the garments finished in the prescribed time. The ladies of all churches, however, responded readily to the call for assistance, and there was no lack of workers.

This afternoon, being the first Wednesday in May, a large number of West Toronto business firms will close their places of business, and will observe the Wednesday half-holiday during the next four months. Several of the grocers and meat merchants have adopted the early closing rule thruout the year.

NORTH TORONTO
Work is at last fairly under way at the Yonge street crossing of the C.P.R., and yesterday between 75 and 100 men were employed on the work of excavating, digging the foundations for the new baggage room and unloading broken stone and sand for the concrete work which will start almost immediately. The steam shovel is now digging out the street north of the tracks, and when this is done it will be taken south of the tracks, and opposite the Dominion Bank. Much of the earth cannot be removed by the steam shovel on account of the nature of the soil, which is a blue clay, and upon which it is difficult to make any impression. The work put down for pedestrians around the west side of the subway, is a great improvement, and removes much of the danger from vehicular traffic. No further excavation will, it is understood, be offered to either the five per cent. grade or the eighteen-foot subway.

TODMORDEN
It is probable that the opening of the new Todmorden public school will be followed by the inauguration of another branch of the Toronto Military Training Association. Several residents have signified their intention of joining the corps. It is proposed to acquire the large house at the school authorities to be the base of operations as a shooting range. The matter was brought up at a recent meeting in the district by Dr. E. A. McDonald, the president of the training association. Within the next ten days the different corps of the Toronto Military Training Association will compete for a challenge cup. Shooting matches will be held by each corps in the city, with 16 men to a side, and the cup will be awarded to the branch which obtains the highest score, coupled with the best shooting.

MOUNT DENNIS
That death was natural and due to rupture of aortic aneurism, was the verdict at the inquest held by Coroner Dr. W. J. Charlton last night at Speers' undertaking establishment on the body of Edwin George Oide, who died suddenly on Sunday morning at his residence at Mount Dennis.

The late Mr. Oide is survived by a widow and three children.

SWANSEA

The home of L. W. Woods on Kennedy avenue, Swansea, was burned down and the adjoining houses of W. Clark partly destroyed by a fire which broke out early yesterday morning.

Mr. Woods was roused by the smell of smoke and with his wife and two children succeeded in escaping in their night clothing.

The fire was eventually subdued by the city fire brigade from West Toronto. The houses were partly insured.

FORM ASSOCIATION AT SILVERTHORN

Local Conservatives Met to Inaugurate District Organization.

OFFICERS ARE ELECTED

Large York Township Council to Insure Men Going to the Front.

Moved by A. Sim, seconded by G. W. Book: "That this meeting of the Silverthorn Conservative Association be of the opinion that the York Township Council should immediately take action to insure the residents of the township who have enlisted for service in the Canadian Expeditionary Force with the Metropolitan Life Insurance Company, and that a copy of this resolution be sent at once to the officers at the inaugural meeting of Silverthorn Liberal-Conservative Association, held in Miles Hall, Silverthorn, last night. Officers were elected as follows: President, William Cook; first vice-president, G. W. Book; secretary-treasurer, Arthur Sim.

NEW PRESIDENT

William Cook, 304 Alleen avenue, who was elected president of the Silverthorn Conservative Association, officers and members of the new association and said: "It is possible that there may be an election in the summer or fall, as there is a good deal of talk in government circles in that direction. If an election does take place the government will have good grounds for an appeal to the country. The election will be largely on account of the great war. The government has done all it possibly can. It voted in the beginning fifty million dollars. At the last session one hundred million dollars were voted, and

HAS THREE THOUSAND MEMBERS AT FRONT

Grand Supreme Lodge Officers of Sons of England Visited Western Lodge.

A visitation to the western division lodges of the Sons of England was made last night by the grand supreme lodge officers. The meeting was held in Orange Hall, corner College and Euclid. Bro. Callaway, district deputy, was in the chair.

Among the supreme officers who were present and spoke were: Supreme President Bro. Wm. Randall, Supreme Vice-President Bro. David Proctor, Supreme Treasurer Bro. Charles Meech, Past Supreme President Bro. T. Ferguson.

The supreme president reported that over 3000 Sons of England were now at the front.

TOWNSHIP'S OPPORTUNITY TO INSURE SOLDIERS

The York Township Council has now an opportunity to protect the wives and dependents of township residents who have enlisted in Toronto regiments."

Arthur Sim, Silverthorn, to The World yesterday. "The township council can take advantage of the offer of the Metropolitan Life Insurance Company to cover the 200 men already enlisted for a total sum of about \$800, and issue debentures to cover the amount, if they are patriotic enough and wish to do their best in the interests of the people of the township."

TWELVE THOUSAND MEN CONSTRUCTING FORTS

Austrians Within the Walls of Czernowitz Preparing for Heavy Siege.

Special Cable to The Toronto World. BUCHAREST, May 4.--Twelve thousand men are working on the construction of two lines of fortifications around Czernowitz. There are said to be 16,000 Austrians within the walls of the Bukovina capital. Artillery duels have recommenced in the neighborhood of Bojan. Near Marmalage in Bessarabia, two Austrian aeroplanes threw incendiary bombs, setting several houses on fire.

Russian aeroplanes have flown over Czernowitz dropping leaflets setting forth the situation as regards belligerents and the war generally. Fighting continues north of Bukovina.

The Hamilton Club is not sure of getting Britannia Park this season.
