

Jubilee Convention Song

Tune—"OH, CANADA!"

1. With grateful hearts we meet unitedly
To celebrate our Golden Jubilee,
From North and South, from East and West
Of Old Ontario
We rally here and thank our God
From whom all blessings flow.
Oh Lord of Hosts, we now implore,
Bless every Sunday School the wide world o'er.
Bless every Sunday School the wide world o'er.
2. Lord make us worthy, earnest, loyal, true.
Great is Thy work that we are called to do.
Give vision to Thy people, Lord,
When here we meet to see
The larger things we must achieve
In service unto Thee.
Oh Lord of Hosts, we now implore,
Bless every Sunday School the wide world o'er.
Bless every Sunday School the wide world o'er.
3. The Sunday School, some thirty millions strong,
Seeks leaders trained, to teach the mighty throng.
Oh God, this army powerful
Must well instructed be
In truths that will produce through life
Fearless integrity.
God bless our work, till round the world
The Christian Conquest Flag shall be unfurled.
The Christian Conquest Flag shall be unfurled.
