

PREFACE.

THE following Hints for Language Lessons and Plans for Grammar Lessons are part of the author's instructions in "Method," as given to the students of the Ottawa Normal School.

It is not claimed for these plans that they are the best which can be made for the respective lessons; but they are at least *suggestive* and make a *starting-point* or *rough sketch*, from which the intelligent teacher may develop better ones.

The author has been frequently asked to publish them in book form. In complying with this request, he does so with the hope that they may be found useful to teachers generally.
