

Friends, friends, soon shall embrace me,
With love, soothing each pain,
Friends, friends, soon shall you see me,
Hasting to meet you again.
Home, home,
Dearest and happiest home.

11.—TWINKLE, TWINKLE, LITTLE STAR.

Twinkle, twinkle, little star,
How I wonder what you are,
Up above the world so high,
Like a diamond in the sky.
Twinkle, twinkle, little star,
How I wonder what you are.

When the blazing sun is gone,
When he nothing shines upon,
Then you show your little light,
Twinkle, twinkle, all the night.

Then the traveller in the dark,
Thanks you for your tiny spark;
He *could* not see which way to go,
If you did not twinkle so.

In the dark blue sky you keep,
While you through my curtains peep,
And you never shut your eye,
Till the sun is in the sky.

12.—“COME MAY, THOU LOVELY LINGERER.”

Come May! thou lovely lingerer!
And deck the groves again,
And let thy silvery streamlets
Meander through the plain;
We long once more to gather
The flow'rets fresh and fair;
Sweet May! Once more to wander
And breathe the balmy air.
