	PAGE
<b>VI. DISEASES OF THE EAR AND GUTTURAL POUCHES</b>	
(1.) Wounds of the External Ear . . . . .	357
(2.) Edema of the External Ear (Othaematoma) . . . . .	357
(3.) Inflammation of the External Auditory Meatus (Otitis Externa). Otorrhoea . . . . .	359
(4.) Fistula of the Ear. Dentigerous Cysts . . . . .	360
(5.) Chronic Catarrh of the Guttural Pouches . . . . .	363
(6.) Tympanites of the Guttural Pouches . . . . .	365
	372
<b>VII. DISEASES OF THE SKULL</b> . . . . .	373
(1.) Fractures and Injuries to the Cranial Bones . . . . .	373
(2.) Concussion of the Brain (Commissio cerebri) . . . . .	373
(3.) Fractures of the Frontal Bone . . . . .	377
(4.) Loosening of the Horns . . . . .	377
(5.) Wounds and Injuries to the Skull . . . . .	380
(6.) Yoke-injuries in Working Oxen . . . . .	380
(7.) Trephining the Cranial Cavity in Sheep or Cattle, or Opening by the Trocar . . . . .	381
	382

## DISEASES OF THE NECK.

<b>I. WOUNDS AND BRUISES OF THE TISSUES OF THE NECK</b> . . . . .	388
<b>II. FRACTURES OF THE CERVICAL VERTEBRAE</b> . . . . .	391
<b>III. DISTORTION OF THE NECK (TORTICOLLIS)</b> . . . . .	393
<b>IV. GOITRE, STRUMA</b> . . . . .	401
<b>V. INFLAMMATION OF THE BURSA OF THE LIGAMENTUM NUCLE</b> . . . . .	406
<b>VI. PILEBITIS. INFLAMMATION OF THE JUGULAR VEIN</b> . . . . .	409
<b>VII. DISEASES OF THE PHARYNX AND ESOPHAGUS</b> . . . . .	413
(1.) Foreign Bodies in the Pharynx and Esophagus . . . . .	413
(a) Foreign Bodies in the Pharynx and Esophagus of the Horse . . . . .	414
(b) Foreign Bodies in the Esophagus of Cattle. (Esophagotomy) . . . . .	416
(c) Foreign Bodies in the Esophagus of Swine . . . . .	423
(d) Foreign Bodies in the Pharynx and Esophagus of Carnivora . . . . .	424
(e) Impaction of the Crop in Birds . . . . .	425
(2.) Injuries to the Pharynx and Esophagus (Esophageal Fistula) . . . . .	426
(3.) Ectasia, Diverticula, and Ruptures of the Esophagus . . . . .	427
(4.) Stenosis and Compression of the Esophagus . . . . .	431
(5.) Paralysis of the Pharynx and Esophagus . . . . .	431
(6.) Tumours in the Pharynx and Esophagus . . . . .	433
<b>VIII. DISEASES OF THE LARYNX AND TRACHEA</b> . . . . .	437
(1.) Injuries, Inflammation, and Tumours in the Larynx (Laryngitis. Perilaryngitis) . . . . .	437
(2.) Neuroses of the Larynx—Spasm of the Rima Glottidis—Laryngismus Stridulus—Hemiplegia and Diplegia Laryngis . . . . .	442
(3.) Fracture, Deformity, and Stenosis of the Trachea . . . . .	444
(4.) Foreign Bodies, Tumours, and Parasites in the Trachea . . . . .	447
(5.) Tracheotomy . . . . .	449
(6.) Laryngotomy . . . . .	460
