The Great Annual Sale of

PINE GROVE SHORTHORNS

At ROCKLAND, ONT., on

Wednesday, January 9th, 1907

THE PROPERTY OF

SENATOR EDWARDS & CO.

This is the third annual sale of young bulls, heifers and breeding cows offered by the celebrated farm at Rockland to the breeders of Canada. There is no better blood, nor pedigree, nor better form or feature in this great breed of cattle than is found in the barns at Pine Grove. The bulls from this year's sale all made records for themselves this year in the neighborhood where they went. The herd dams and sires are the best money can buy and the best of it is that these young animals will all be sold at prices within the reach of every farmer. The farm is a few miles from Ottawa and train connection is good.

The sale will be conducted in a steam heated pavilion, with a jolly good time for everyone. The families represented here are exclusive ones and here's the chance. Take the train and enjoy the senator's hospitality.

Houghton Beat Pittsburgh.

Calumet, Jan. 1.—(Special.)—Pittsburgh Lake defeated Pittsburgh, 3 goals to 2, in tonight's International League hockey game at the Amphitheatre, Houghton. The Pittsburgh men showed a marked reversal of form and every one did well. Pittsburgh's forward line was fast, but it could not penetrate its opponents' defence as usual. The Pittsburgh team lost to the Houghton team in the first half, but in the second half they were more successful. 2 TORONTO TEAMS LOSE ST. GEORGES AND ARGOS

Lack of Practice Told—Wasson, Peterboro's Goal Keeper, Had Shoulder Broken.

Guelph, Jan. 4.—(Special.)—St. Georges and Guelph met for the first time in a senior game at the Royal City rink to-night in a fairly fast and thoroughly interesting game. It was the first time this city has put a senior team on ice and consequently the interest was intense. There was a tremendous crowd in attendance and the good plays of both teams received liberal applause. St. Georges did not prove to be so fast a team in any part of the game as Guelph, but that is not saying they did not put up a good game in the light for supremacy. The score of 6-2 well represents the play.

St. Georges were generally on the defensive and had it not been for the splendid work of Argadh in goal the score would have been much greater. His work was magnificent, and shot after shot was staved by his adroitness. It is hard to particularize the good work done by Guelph. Every man was in the game for all he was worth, but perhaps Dayman, who tried for countless goals, and Buck Irving, were the particular stars. Fyfe, Oullette and Dayman are a great combination.

In the first half Dayman scored the first goal for Guelph eight minutes after play started. Fyfe found the net for another from a face-off and Houser scored St. Georges' only one in this half on a pass from Sale. Dayman closed the half by scoring third for Guelph in a scrimmage two minutes before time.

It took three-quarters of an hour to play the half because of frequent stoppings. Argadh was laid out by being struck by the puck when Fyfe scored. It was a clean, fast half with good combination, and different from the second, which, with soft ice, tired the players and the game degenerated into little more than shinny. Dayman took the puck from Sale after four minutes' play and scored. Five minutes afterwards Oullette scored on a rush from side and repeated the same dose shortly after. Not to be outdone St. Georges rallied and Houser repeated the tally of the first half and made it two for St. Georges. The teams:

St. Georges (2)—Goal, Argadh; point, Whale; cover, McArthur; centre, Houser; right, Sale; left, Cosgrove; rover, Webster.

Guelph (6)—Goal, Bothe; point, Christian; cover, Irvine; centre, Fyfe; right, Aylesworth; left, Oullette; rover, Adams of Brantford referred satisfactorily.

Penalties—Aylesworth, 2 mins.; Cosgrove, 2 and 3 mins.; Irvine, 2 mins.; Oullette, 2 and 3 mins.; McArthur, 3 minutes.

Varsity Losses at Peterboro.

Peterboro, Jan. 4.—(Special.)—By a score of 9 goals to 4, Peterboro defeated Toronto Varsity in an exhibition hockey match here to-night. The locals were in fine fettle and kept in the lead all the time. The ice was in good condition, and both teams played mid-season hockey. The halftime score was 4 to 2 in favor of the home team, and in the second half they managed to drive in five more, while the visitors only located the net twice.

Wasson was in goal again for Peterboro, but met with an unfortunate accident just before half-time. He collided with one of the Varsity forwards and had his left shoulder-bone broken. He will likely be out of the game for the season. He was replaced by Lang, Glover and Crowley played a great defence game for Peterboro and proved too much for the Varsity forwards. Hal Clarke and Hanley excelled for the visitors, although the whole team played a splendid showing.

In the second half Peterboro played Miller, a City League graduate, at left wing, and he looks good for the position.

The teams were:

Peterboro (9)—Goal, Wasson (Lang); point, Glover; cover, point, Crowley; rover, Whitcroft; centre, Morgan; right wing, Graham; left wing, Moore (Miller).

Varsity (4)—Goal, Keith; point, Hal Clarke; cover, point, Hanley; rover, Herb Clarke; centre, Martin; right wing, Tom; left wing, Davidson.

Referee—F. B. Clarke, Peterboro.

Hanley and Herb Clarke got one each and Tom took two for Varsity while Whitcroft and Morgan did the bulk of the scoring for the home team. The checking was hard and close, and the penalties, although numerous, were not for severe offences. About 800 people saw the game.

Wingham 7, Listowel 4.

Wingham, Jan. 4.—The Wingham Hockey Club, champions of Northern League, played the first game of the season to-night with Listowel Cup Hunters. The locals, who have had no practice at all, won a hard fought game by a score of 7 to 4. Fleming and Elliott, on the Wingham, played a fast game, and assisted by McGillivray and McLean, made Listowel's defence work overtime. Johnston, at cover, was a whole game in himself, playing faster than any other player, as usual, was always in the way. Moore, in goal, had little to do, but what came his way he was able to handle. McLean scored two goals, El-
