Duplicate whist will be played, and in order to eliminate the objectionable memory feature on the overplay, the suits will be transposed, upon the system which has been found to be the only successful one for pair matches. The tourney will probably continue for six or seven weeks, according to the number of pairs engaged. Players are requested to form their pairs and make their entries to the chairman of the committee, Mr. J. J. Higglas, at 101 Bay-street, or at the club, and to be chand at 8 p.m., so that play may commence exactly at 8.30.

The Coffee Cooler Won.

Newcastle-on-Tyne, Nov. 25.—In a 20round contest here this evening for a purasof £300 between Frank Craig, the Harlem
coffee cooler, and George Crisp of Newcastle, Craig won in the 13th round. In
the betting Craig was favorite, 2 to 1. The
men were fairly even in the opening
rounds of the bout, but before the sixth
round was over the coffee cooler had Crisp
in difficulties, the Newcastle man being
greatly puzzled by the American's tactics.
Crisp recovered somewhat during the ninth
round, and the fight was for a time more
even. In the 13th round Craig got a left
home heavily on the jaw and sent Crisp
to the boards, where he was counted out.
Craig showed no signs of punishment.
