Musette Won the Handicap.

New York, Oct. 4.—Race-goers enjoyed a good day's sport at Morris Park to-day. Weather dull and cloudy, but no rain. Three favorites were first past the wire—Redpath in the first, Modrine in the third and First Whip in the last race. Modrine won the Belle Meade Stakes at 7 furlongs, and incidentally made a new record for the course of 1.28½. Five horses faced the starter, Kamara and Flaunt being added when Greenock and Lady Elite were scratched. Modrine was always favorite and closed at odds-on, and he justified the choice by making all the running and winning ridden out by a length before Brigadier. The latter was interfered with at the start, but closed from last place in the stretch, and beat Water Cure a head for the place. The Bronx Handicap, the other stake feature, went to Musette, an added starter. She broke badly, but Shaw quickly rushed her to the front in the first furlong, and thereafter she was never headed, winning ridden out by two lengths from Meehanna, who was one-half a length before Belle of Troy, another added starter. The favorite, Belle of Lexington, ran third for the greater part of the journey, but stopped under the weight. Ondurdis won the second race for 2-year-old fillies in easy fashion, and Cyrano beat a fair field in the fifth race over the Withers mile. Summaries:

INTER-PROVINCIAL LADIES' MATCH.

Ontario and Quebec Golf Teams to Play in Toronto Next Week—Individual Contests.

The Inter-Provincial golf match between teams from the lady players of the clubs in the Provinces of Quebec and Ontario has hitherto been the only event in which players from the different provinces have been pitted against each other, and there has as yet been no individual competition open to all. A step towards the institution of such a competition is this year being taken by the lady members of the Toronto Golf Club. The inter-provincial match is to be played on the links of this club, and it has been decided to make this the occasion for some individual contests.

There will be a driving competition, and an approach and put competition, and also a match open to all members of recognized clubs in Canada. Owing to the limited time at the disposal of most of the visitors, this match will be medal play without handicaps, one round of 18 holes. The entries for the driving and approach and put may be made by the players themselves on the day of play; fee 25c.

The entries for the medal round must be made thru the secretaries of the clubs to which the players belong, and must be forwarded to Miss Maud Yarker, 271 Simcoe-street, on or before Oct. 9. Fee 50c. A prize will be given in each competition. The program will be as follows:

Oct. 10—10.30 a.m., driving; 10.30 a.m., approach and put; 2 p.m., medal round.

Oct. 11—2.30 p.m., Inter-Provincial match. The train for the Golf Club leaves the Union Station at 2 o'clock.

Y.M.C.A. Chess Club.

At a general meeting of the Central Y.M.C.A. Chess Club, it was decided to commence a handicap and a championship tournament. A match, President v. Vice-President, will be played in the Y.M.C.A. parlors at 3.30 p.m. on Saturday. All lovers of the game are invited.

VARSITY WON AT HAMILTON

Game Was Rough and a Poor Exhibition—All the Scoring in Second Half.

TIGERS FAILED TO CROSS THE LINE.

Protests Disallowed at O.R.F.U. Executive Committee Meeting—Some Notes.

Hamilton, Oct. 4.—(Special.)—The Varsity Rugby team visited Hamilton this afternoon and defeated the local players by 6 points to nil, all the scoring being done in the second half. It was about as poor an exhibition as could possibly be imagined. Still the Varsity men had all the better of it. The attendance, for an off day, was fairly large, and as per usual, the spectators were carried away with their enthusiasm. The game was late in starting, as the visitors did not arrive till nearly 4 o'clock, and some of the locals did not put in an appearance till after that time.

The Hamilton team showed improvement since they met defeat at the hands of the Argonauts, especially in the eloquent and choice language they used on the field and the dirty tactics adopted. Burkholder, one of the Tigers, had to be put out of the game for the whole time for kicking a Varsity man when he was down. Others had to be warned for scrapping and tripping.

The first half was one long, hard fight with numerous scrimmages and kicks. In the second the teams braced up; Varsity played their game and scored the only points of the day, Brown getting the ball on a pass out from scrimmage. He transferred to Rutter, who carried it up the field, and handed to Patterson, who went over. Brown converted the try, and the total score was 6 to 0. Soon the whistle blew for time.

Burkholder was put out of the game and Langtry, who came up late, went into scrimmage. The teams were:

Varsity (6): Back, Beale; halves, Baldwin, Aylesworth, Brown (Capt.); quarter, Chown; scrimmage, McKitterick, Douglas, McLennan; wings, Gibson, Henry, Snively, Rutter, Harrison, Patterson, McCallum.

Hamilton (0): Back, Murphy; halves, Hawkins, DuMoulin, Clark; quarter, Burke; scrimmage, Green, Langtry, Burkholder; wings, Bonnar, Wilson, Barry, Glessing, Burns, Marriott, Christie.

Referee—W. J. Morrison. Umpire—J. L. Counsell.

Protests Disallowed.

The Executive Committee of the Ontario Rugby Football Union met last night at the Rossin House, with President J. L. Counsell in the chair, and Vice-President Shaw (Granites), D. F. Maguire (Argonauts), T. L. Church (Toronto), V. E. Henderson (Varsity), J. S. Robertson (unattached), H. Leggatt (Hamilton), and Secretary McMurrich present. B. A. Martin, who was the Hamilton representative, resigned, and Mr. Leggatt was appointed in his place.

The Ottawa protest against the Granites for crowd interference was not entertained, as there was not the necessary $25 deposit forthcoming.

The protest against J. M. Elliott by Mr. Maguire, on behalf of the Argonaut Club, was disallowed, and Mr. Elliott was declared to be, and always has been, an amateur of good standing.

A complaint was laid against a member of the Ottawa Club for having used profane and abusive language to Referee McMurrich last Saturday, and if an apology is not forthcoming the committee will further deal with the case. The O.R.F.U. has decided that referees must be treated with respect and courtesy during a game.

E. P. Brown of Varsity was agreed on as referee for the Ottawa-Hamilton match, the referee for the game here is yet to be appointed.

Rugby Gossip.

The oarsmen had a good turnout yesterday, two full teams and some good work was put in by the players.

The Keadon Rugby Club would like to arrange a match with any team, average age 16 years. Address E. B. Hardy, 667 West Queen-street.

The Varsity scrimmage that played at Hamilton yesterday was one of the fairest of the year.

The plan for the Varsity-Granite game opens at Nordheimers' to-day.

Varsity's team yesterday was composed mostly of their intermediate team, as the first side, Barr, Meredith and some others were absentees.

Arthur Langtry will be an improvement on Hamilton's scrimmage. McCarty will also be out for the game against the Rough Riders.

Harry Lyles, an old Hamilton boy, now a coach at Cornell, has been at his home for the past week, coaching the Tigers.

Varsity has dug up two new scrimmage men from the veterinary college. They each weigh over 200 pounds, and have played the American game. They will have their first practice to-day.

Hunt, a big 200-pounder, who played with Varsity in '98, will turn out to-day for the first time.

The speculating on the city championship between Varsity and the Argos has commenced already, as some of the Argonauts offered to bet even money last night on themselves.

The Crescent Rugby Club of the Junior League would like to hear from the Junior Young Torontos, regarding the location of the field for the scheduled game on Saturday next. There is some talk of the Young Torontos defaulting. Address the secretary, G. Lea, 116½ Sherbourne-street.

The Granites will arrive here to-night from Kingston.

The betting on to-morrow's game between the Granites and Argonauts is at even money.

The Granites will play the same team that defeated Ottawa last week.

The O.R.F.U. Executive has taken a good stand regarding the abusive language to referees, as this sort of thing from the crowds on the touch-lines and stands will drive the good men from the work.

Secretary J. D. McMurrich has positively refused to referee either at Ottawa or Hamilton, owing to the treatment he has received on those places.

The Excelsior-Shamrocks will practise this evening on Bayside Park.

The following players will represent the Excelsior-Shamrocks in their game with the Victorias on Bayside Park, foot of Yonge-street, Saturday afternoon at 3.30: Back, May; halves, Suckling, Hynes, W. Gallows; quarter, Harman; wings, Maxwell, McLean, Flannagan, McNichol, Tooze, Rogers, Foster, Sharpe; scrimmage, Walsh, Gilles, Sparkhall.

The oarsmen to-morrow will greatly miss the services of Wylie, who is laid up at Hamilton. He is doing nicely, however, and should be out in about a week.

West End Y.M.C.A. Harrier Club.

The Harrier Club will hold their annual meeting on Friday evening immediately after the members' supper, given by the Ladies' Auxiliary. All members of the association are especially requested to be present, as election of officers, etc., will take place.

This is, perhaps, the oldest club of its kind in Canada, and one of the strongest, having a large membership and winning the majority of the prizes wherever any of its representatives compete. The club intend pushing outdoor exercising in the form of running, etc., as much as possible.

I have made a careful analysis of a fair sample of the Distillers' Company's stock of Very Old Special Scotch Whisky, taken by my assistant from the bonded stores in which it is lying ready for shipment, and the results of my analysis indicate that it is a pure whisky, which has been matured for a long time in wine casks, and I am of opinion that it is exceptionally mild to the taste and of fine flavor.

SATURDAY'S BIG BOWLING GAME.

Fifty-Two Rinks Will Compete East v. West on the Different City Club Lawns.

Fifty-two rinks will compete in Saturday's lawn bowling game, East v. West, games to be played on the Granite, Victoria, Prospect Park and Canada lawns, the largest number of entries for any bowling tournament ever held in Toronto. Yesterday afternoon the secretaries of the different lawn bowling clubs of the city met at the office of A. S. Wigmore, secretary of the Dominion Lawn Bowling Association, and made the draw. It was decided to commence the games at 2.30 o'clock, play to cease at 5.30. Messrs. D. Carlyle, E. F. Garrow, Dr. Gordon and A. S. Wigmore were appointed umpires. The score cards will be collected at the close of each game, by the different umpires, and a meeting of them will be held at the Granite Club Saturday evening at 8 o'clock, when the result will be made known.

The losers in each match, thru their skips, will contribute $1, and the skips are requested to forward the money to A. S. Wigmore, 10 Melinda-street, on Monday, so that the proceeds can be immediately handed to the Sick Children's Hospital. The following is the draw, showing the different skips and whom they are drawn against, also the lawn on which they play. From the great interest manifested at the meeting this promises to be one of the most interesting bowling matches of the season. FIVE DOLLARS A BOX.

The Price Cut No Figure With Him.

"I want to say for the benefit of some poor dyspeptic that Stuart's Dyspepsia Tablets will give comfort and a cure every time. Five dollars a box would not stop me purchasing them should I ever suffer again as I did for a week before using them.

"The one 50 cent box I bought at my druggist's did the work, and my digestion is all right again.

"Many of my neighbors have also tried these tablets and found them to be just as represented, and Mr. Elims also wants me to use his name in endorsing Stuart's Dyspepsia Tablets. (Signed) A. Elims and Chas. F. Buzzell, Asst. Postmaster, South Sudbury, Mass.

Mrs. Jas. Barton of Toronto, Canada, writes: For eighteen months I suffered from what I supposed was bladder and kidney trouble, and took medicine from three different doctors, without any sign of cure. I felt so ill at last I was hardly able to do my work.

I thought I would try a box of Stuart's Dyspepsia Tablets and see if they would make me feel better, never really thinking I had dyspepsia, but after only three or four tablets had been taken all the acid trouble disappeared, and then I discovered I had had acid dyspepsia, while the doctors had been treating me for kidney and bladder trouble, and one of them treated me for rheumatism.

My digestion is fine, my complexion clear, and I am able to do my work and low spirits are unknown to me.

I am so thankful for finding a cure so good and so pleasant to take as Stuart's Dyspepsia Tablets. I am surprised at the change they have made in me.

All druggists sell and recommend Stuart's Dyspepsia Tablets, because they contain only the simple natural digestives, and taken after meals prevent acidity and cause prompt digestion and assimilation of food.

Physicians everywhere endorse them because they are as safe for the child as for the adult; they are invaluable for sour stomach, nervous dyspepsia, heartburn, gas on stomach and bowels and every form of stomach derangement. 35

MARKHAM'S SPLENDID FAIR

Forty-Eighth Annual Exhibition of the East York Agricultural Society a Grand Success.

SPLENDID EXHIBIT OF HORSES.

Yesterday Was School Children's Day—Contests in the Horse Ring—Crowd Expected To-Day.

Markham, Oct. 4.—(Special.)—The pretty little town of Markham is en fete to-day, the occasion being the 48th annual Exhibition of the East Riding of York Agricultural Society. Perfect weather and a large attendance have combined to render this the second day of the Fair, a pronounced success in every particular. From early in the day an almost continuous stream of visitors began to arrive on the grounds from the surrounding country, while the north and south bound trains brought many from nearby towns and villages, and a happy, jostling crowd they were.

School Children's Day.

This has been school children's day, and before the Fair was far advanced this fact became very evident. They swarmed over everything, and made the life of all those whose business necessitated the distribution of fancy business cards a burden. The first prize of $20 for best turn out and best dressed school was won by Mount Joy, while Markham captured first honors in drilling. The schools presented a very neat and creditable appearance.

Good Show of Horses.

In heavy draught and general purpose horses the exhibit this year is remarkably large, and meritorious. Graham Bros. of Claremont have 20 head on exhibition. Mr. George Gormley of Unionville and George Davison and Sons of Cherrywood have large displays of heavy horses. In general-purpose teams William Lamaroux and Alfred Myles of Milliken, and John Johnson of Malvern, among many others, are large exhibitors. An idea may be formed of the magnitude of the display in horses from the entries, which total 400.

In cattle, more especially the shorthorn class, entries are far above the average. In the poultry section, many of the most prominent fanciers in Ontario are represented.
