ST. GEORGE HOCKEY CLUB

Election of Officers at the Seventh Annual Meeting Held in the Mutual-Street Rink.

WILL ENTER TWO TEAMS IN O.H.A.

Varsity Club's Executive Convene to Appoint Manager and Arrange for Christmas Tour.

The seventh annual meeting of the St. George's hockey team was held at the Mutual-street Rink last night, with over 50 members in attendance, being the largest meeting ever held by the club. Among those present were: R. H. Kearns, F. Coffee, C. Webster, J. Hynes, H. Harmer, P. McBride, A. Gillies, A. Kirkwood, W. Binkey, A. Offert, H. Lambe, H. Birmingham, A. A. Wilson, T. Kinear, H. W. Bonnell, H. Henderson, W. Pardo, A. Pardo, S. Henderson, A. Larson, C. Gorrie.

The meeting was most enthusiastic, and the prospects for the club's success this season are the brightest. Two teams will be entered in the O.H.A.—a senior and intermediate—and probably a junior team.

The secretary-treasurer's report showed the club to have had a successful season last year, as they finished second in the race for senior O.H.A. honors, and have a balance on hand of $60. Arrangements have been made with the Caledonian Rink, whereby the club will practise and play all their matches in Mutual-street. The club have lost their goalkeeper of last season, but have secured two good men for that position in Gorrie and Pardo. Besides, they have one or two good forwards. If they do not reach the first team, they will greatly strengthen the second.

A vote of thanks was passed to Mr. H. A. Wilson for the handsome trophy he presented for the city championship, and to Mr. Robertson for the medals he presented to the players.

The following officers were elected: Patrons, R. H. Kearns, L. Solman, T. Kinear, T. Mitchell, D. Hoskins, Dr. Hawke; hon. president, S. H. Henderson; hon. vice-president, A. F. Webster; president, W. J. Morrison; vice-president, Frank Coffee; secretary-treasurer, A. A. Wilson; manager, H. W. Bonnell; O.H.A. delegates, W. J. Morrison and F. Coffee. The captain will be elected by the team.

Club at St. Thomas.

St. Thomas, Nov. 21.—A largely attended meeting of hockey enthusiasts was held last evening in the Grand Central parlors, some 25 young men being present. The meeting was called to consider the advisability of organizing a club. It was the unanimous feeling of all present to organize. The election of officers then followed: Hon. president, W K Cameron; president, Joseph Mickleborough; vice-president, W N Davidson; secretary-treasurer, Robert Haines; captain, Tommy Thomson; managing committee, George Beech, Will Adams, J N Sinclair and C Swackhammer.

The colors of the club will be black and yellow. The membership fee was placed at 50 cents.

There will be several new players this year, which will no doubt be a strong point in favor of the playing. Will Rose, Tommy Thomson and Tom McKnight are feeling in excellent trim, and waiting anxiously for the weather man to make his appearance with the ice. The citizens are asked to take an active interest in and support this sport as much as possible.

O.H.A. Want Varsity.

The O.H.A. are very anxious that the Varsity Hockey Club should remain in the Ontario senior series and the executive will try to keep the collegians in the league. There is no rule in the O.H.A. constitution that will prevent the college team from playing in the new Intercollege Hockey Union and at the same time playing in the O.H.A series.

Varsity Hockey Executive Meet.

At a meeting of the Executive of the Varsity Hockey Club yesterday morning, Mr. W. B. Hendry tendered his resignation as manager of the senior team, and a lengthy discussion followed as to a suitable man for the position. Several names were proposed, but the committee felt that, in view of the large expense entailed in entering the Intercollegiate League, it would be better to depart for once from the custom of giving the place to an undergraduate, and choose a graduate of more experience. After a long discussion, it was decided to ask Mr. Woodworth to accept the position. The Executive also appointed Dr. A. B. Wright to represent the club at the organization meeting of the Intercollegiate League in Kingston to-night. Dr. Wright will also represent McMaster and Osgoode Hall, who intend entering the intermediate series. The Toronto club will strongly oppose the adoption of the eastern rules, which forbid skating another man on side. The Toronto players intend starting gymnasium work within a week or so, with an eye to getting into shape for the proposed Christmas vacation tour. With regard to the latter, several schemes have been proposed, but no definite arrangements have as yet been made. The team this year should be quite as good as in former seasons, and the men are enthusiastic over the prospects of playing in the intercollegiate series.

After the Puck.

Mr. Alex. Creelman, ex-president of the Ontario Hockey Association, now living in Hamilton, was a visitor in the city yesterday.

Secretary Beaton has received the fees for Smith's Falls' admission to the O.H.A., which sets at rest any rumors as to their intentions.

The Ontario Bank Athletic Association, with J. G. Langton president, and T. H. Kidd secretary, will manage the team, which promises to be strong.

The size of the ice space of Galt rink is 60x160, seating capacity 300, standing capacity 1200 to 1500. H. G. Morrison and J. Charles Dietrich will represent the Galt Club at the O.H.A. meeting.

The members of the Ontario Bank who take an interest in hockey, held a meeting on Wednesday night, when it was decided to enter a team in the Senior Bank League. If their application is accepted Mr. Linton and George Simpson will represent the bank at the league meeting in Victoria Rink on Nov. 25.

At the Horse Show.

New York, Nov. 21.—The management of the National Horse Show Association provided an interesting program to-day, made up of the picked entries in many breeds. From the opening event of the morning, class 10, for stallion trotters, in which a fine lot of horses was to be judged until the evening, the entry lists showed splendid selections. First prizes were awarded as follows:

Class 10, trotters; all horses entered in this class must be standard, open to all stallions having a record of 2.20 or better, to be judged by their pedigree, individuality and racing qualities, as shown by performance—The Charmer, b., Wood Lone Farm, Mount Holly, N.J.

Class 2, champion prize, open to all stallions having taken a first prize at any of the association's previous shows, and to the stallions winning first prizes in classes 4, 5 and 6, to be judged by their pedigrees, individuality and appearance in the ring—Austral, br., owner Stony Fort Farm, Stony Ford, N.Y.

Newbra's Herpicide.

Numerous complaints have been reported at seven Richmond-street East by customers, who say it is impossible to cure dandruff and prevent hair falling out; so Mr. Beamish, the proprietor of the only 10-chair barber shop in Canada, after hearing of the wonderful discovery, went to Detroit to investigate, and, not only in Detroit, but all through the States, Herpicide is recognized and guaranteed by the firm to cure dandruff and prevent hair falling out. So, after being convinced that Herpicide would fill a long-felt want in Canada, Mr. Beamish secured the agency for Mr. Reid to handle the goods in Toronto, and, to show how Herpicide is appreciated, six quarts in single applications have been used in two weeks at seven Richmond-street East.

A GRATEFUL CONTRACTOR.

Spent Hundreds of Dollars to Obtain Freedom From Asthma—Was Permanently Cured by Clark's Kola Compound.

Mr. Albert Dixon, contractor, Nanaimo, B.C., writes: "For nearly nine years I have been a constant sufferer from bronchial asthma, night after night having to sleep sitting up in a chair. I spent hundreds of dollars with doctors and remedies, but only got temporary relief. My druggist, Mr. Stearman, recommended Clarke's Kola Compound. I took all five bottles of this grand medicine, and am to-day completely cured. I can now sleep well every night, and now play my instrument in the city band once more." This remarkable cure is also certified to by F. C. Stearman, Phm.B., one of Nanaimo's leading druggists. Sold by all druggists or by the G. & M. Co., Limited, 121 Church-street, Toronto.

RHEUMATISM.

For this painful trouble, Griffiths' Liniment is an absolute pain destroyer—penetrates and lubricates the joints, takes away all the stiffness and gives relief in a few minutes—works wonders in chronic cases.

Mr. H. E. West of Water-street, Vancouver, B.C., was a great sufferer from painful attacks of rheumatism in his shoulders. So severe were the attacks that he could not raise his arms. He applied Griffiths' Menthol Liniment, the great pain-reliever, and in less than four hours the pain had entirely left him. He says: "It certainly is a great pain-reliever."

BOXING NEXT SATURDAY NIGHT.

Featherweights or Welters Will Figure in Main Bout.

The Crescent A.C. will hold its final boxing show of the season next Saturday night in the rink. The match selected is Billy Ryan of Syracuse v. Eddie Santry of Chicago, but as Milwaukee Club has a claim on Santry for the same date, Harry Gilmore's old champion may not be able to accept the engagement.

Martin Duffy tried to match with Joe Gans, but as they had a little difference on two pounds another welterweight was sought. Matty Matthews accepted, but he boxes Eddie Kennedy next Tuesday in Pittsburg, and may get beaten or hurt. However, Kennedy would take on Duffy, as also would Mike Donovan, Gus Gardner or Tom McCune, a good looking 20-round bout for the closing show of the year between feathers or welters is a certainty.

W. Wrenn, 120 lbs.; Tom Daly, 110 lbs.; J. Bass, 115 lbs.; W. Hern, 135 lbs.; A. Edmonds, 130 lbs.; Dainty, 160 lbs. are among boxers anxious to figure in the preliminaries.

LORD HAWKE'S TEAM OF CRICKETERS.

En Route From New York to 'Frisco Where They Play.

New York, Nov. 21.—Members of the cricket team which Lord Hawke, the famous cricket captain of Yorkshire, is taking to New Zealand, arrived in New York yesterday on the steamship Majestic. The team is in charge of P. F. Warner, Lord Hawke at the last moment finding that he would be unable to sail with the team, but will follow them on a later steamer. Accompanying Mr. Warner are the following players, all of whom are well known here, as they have taken part in several international matches in this country: B. J. T. Bosanquet, C. J. Burnup, E. M. Dowson, P. R. Johnson and A. D. Whatman. The team also includes F. L. Fane, A. E. Leatham, J. Stanning and two professionals, Hargreaves of Warwickshire and Thompson of Northampton.

After the tour in New Zealand the team will probably play three matches in Australia—at Melbourne, Sydney and Adelaide—against Victoria, New South Wales and South Australia. The only game to be played in America will be against a picked team of California cricketers, at San Francisco, next week.

The team made its headquarters in New York yesterday at the Waldorf, and spent the day visiting points of interest in the city. It left by the half-past 5 train over the New York Central for Chicago.

Mr. Warner spoke of the visit of an American team to England next summer.

"I am delighted that your men are coming over," he said. "The team will be heartily welcomed wherever it plays, and I hope it will have a thoroly enjoyable trip."

Australians Won by 10 Wickets.

In their closing match in South Africa, at Cape Town, the home team completed their innings for a total of 85. On following on, they did very much better. Sinclair made 104, Smith 45, and Shalders 40; but, in spite of their efforts, the Australians won the match by 10 wickets.

McClelland Beat T. Sullivan.

St. Louis, Nov. 21.—Jack McClelland of Pittsburg knocked out Tommy Sullivan of Brooklyn in the twelfth round of what was to have been a 20-round contest here last night. Sullivan was the aggressor for the first six rounds. In the seventh McClelland worked an inside right hook to Sullivan's jaw, putting him down and nearly out, the bell saving him.

In the twelfth round McClelland again worked an inside right to Sullivan's chin, putting the latter down for nine counts. When he regained his feet McClelland feinted with his right and swung a hard left to the chin, putting Sullivan out.

Billy Trueman of Brooklyn got the decision over Jimmy Vickers of Chicago in the 12-round preliminary.

Varsity Track Club's Meeting.

The University of Toronto Track Club will hold their annual meeting on Friday, Nov. 28, in the gymnasium, when the election of officers will take place. The success of the team during the past season has been due in a great measure to Manager R. Biggs, who brought out a number of new men who made creditable showings. A new manager will be appointed for the coming year, as it is in the interests of the club that he should be appointed early, so that he will have time to unearth new candidates for next year's team.

Field Trials Close.

Ruthven, Ont., Nov. 21.—The North American field trials were brought to a very successful close by the Members' Stake, which was run off here to-day, with five starters in the race—Dan, Little Casino, Deuce, Gun and Ruby's Lady. Dan won the trial by superior bird work, pace, range and style, beating Little Casino, winner of the all-age stake of yesterday. Dan is a liver and white setter dog, owned by Dr. William J. Campeau of Harrow, Ont. In this win he becomes the owner of the McKay Silver Cup, which he has won three times in succession. The trial grounds were in excellent condition, the only fault being the scarcity of birds, which was an exception this year, on account of the cool, damp weather during spring and summer, but the walking was good and weather perfect thruout.

CHAMPIONSHIP FOOTBALL.

S.P.S. Defeated Varsity in Intercollege Association Series for Faculty Cup.

VARSITY CLASH WITH ARGONAUTS

Second Game for the City Rugby Championship to Be Played on Athletic Field.

The final game in the Intercollege Association League between S. P. S. and Varsity, played on Athletic Field on Friday, was won by the former by 2 goals to 0; and, as a result, the faculty championship cup will rest in Science quarters. The contest brought out a large number of Association supporters, and, as was anticipated, a good, hard game was played, especially in the second half, when some fast work was indulged in by both forward lines. The game during the first half was not replete with fast plays by either team, as in the second half, altho individually the game was closely contested. The defence of the Science men played stubbornly, especially Dowling, Patten, Oliver and Whilehan, who repulsed many a well-aimed attack of the Varsity forwards. Bereton, Young and McDonald played star combination on S. P. S. forward line, while McQueen, Cooper and Gilchrist were the pick of Varsity forwards. Cameron, McKinnon and Fraser were towers of strength on Varsity's defence. The game was late in starting, when, after the kick-off, the ball traveled to the Science men's territory on a neat combination between McQueen, Cooper and D. Gilchrist, the latter shooting wide. An effective attack by McDonald was repulsed by Cameron, when McKinnon placed the ball neatly in front of the posts, where a scrimmage ensued, and D. Gilchrist passed to McQueen, who shot high. Varsity kept on pressing, when Downing spoiled a rush by Cooper and McQueen. In a mix-up before the goal, Varsity should have scored, but Depew relieved. Some good defence work by Hayes and Cameron saved their goal time and again, when McQueen followed with a beautiful rush from the centre, and, passing to Cooper, who centred to Gilchrist, the latter just failing to score, Heron knocking out the ball. Young and McDonald retaliated in a hard rush, Fraser kicking behind to save the score. Varsity forwards were now playing beautiful combination, when McKinnon took a foul kick, which Depew managed to kick out. Just before half-time Dowling relieved a rush by Cooper and Gilchrist, when McDonald tried hard to score, but Cameron played sure.

After a rest the teams played hard to win, but Varsity for the first few minutes rushed things. McQueen shot on a pass from D. Gilchrist, but Depew and Dowling prevented a score. The school retaliated by rushes between Young and Bereton, Hayes and Cameron playing a stubborn defence, when Small missed an easy chance to score. The whole S. P. S. forward line participated in one of the best pieces of combination play of the day, when the ball was carried from the centre, McDonald passing from the side to Rutherford, who shot the ball thru. Before Varsity could recover, McDonald centred neatly to Bereton, who put the ball between the posts for the second and last score of the day. With only a short time to play, Varsity played gamely, but were unable to score. The teams were as follows:

Varsity (0)—Soule, goal; Nichol, Cameron, backs; Hayes, McKinnon, Fraser, half-backs; G. Gilchrist, McQueen (captain), Gilchrist, Cooper, Jamieson, forwards.

S.P.S. (2)—Heron, goal; Depew, Dowling, backs; Patten, Oliver, Whilehan, half-backs; Bereton, Young, Small, McDonald, Rutherford, forwards.

Referee—D. G. Galbraith.

For the Galt Game.

The University of Toronto Association Football Club will practise this morning at 11 on Varsity campus to get in the best of condition for the great game on Tuesday with Galt. The Varsity boys are confident that they will be able to defeat the strong Galt team, who at present hold the championship of the W.F.A. The following men, who will represent the collegians on Tuesday, will turn out for practice: Soule, goal; Galbraith (Meds), Dowling (S.P.S.), backs; Green (Victoria), McKinnon, Patten, half-backs; Young (S.P.S.), McQueen (Varsity), left wing; Gilchrist (Varsity), centre; McDonald (S.P.S.), Rutherford (S.P.S.), right wing; Nichol and McKay, spares.

Association Football.

Mr. H. H. Evans was appointed referee for the Toronto-Gore Vale game at Toronto Street Railway grounds.

In the M.Y.M.A. Football League the King-street Club will meet the Young-street team on Sunlight Park at 3 p.m.

The Toronto football team will play the Gore Vales a league game to-day at the white bridge, at 3.30 p.m. All players are requested to be on hand in good time.

At a meeting of the Toronto Intermediate League, held last night, the protest of the Scots against All Saints was postponed till Monday, in order to allow the teams to procure further evidence.

The Gore Vale II. team to meet the Torontos on the Street Railway grounds, Dundas-street bridges, at 3.30, will be chosen from the following: Newton, Pittam, Webster, Fraser, Stewart, Hobbs, Doyle, Squires, Beatty, Holden, Taylor, MacCallum, Ure, Hobbs.

The team to represent Euclid in their league game with Crawford at the Exhibition Park to-day will be picked from the following: Dunlop, Sinclair, Spence, J. Roe, L. Roe, Gibbons, Lang, Boynton, W. Taylor, Beattie, A. Taylor, McClelland, Kaiser, Connecteau, Higgins, Davis. Players are requested to be at the big ring at 3 o'clock.

The Scots' F.B.C. of Toronto will hold a special meeting at the Crown Hotel, Bay-street, on Monday evening, at 8. The meeting has been called for the purpose of discussing the prospects of holding a smoking concert, the proceeds from which will be invested in leasing a club room. They will also discuss hockey and reorganize for the coming season. All members and officers of the club and those wishing to join are requested to be on hand at 8 sharp.

The Scots' intermediates will play their juniors a practice game to-day at Bayside Park, at 2.30. The juniors will play for the Ontario championship at Galt or Preston on Dec. 6. The following are requested to be on hand for the juniors: Holmes, Moore, Mowat, Hitchman, A. Moore, Dowdell, Killaly, Dunn, Mitchell, Barkey, Harris, Bavington, G. Lea and Slim Ledger. Chopper Holmes, the crack goalkeeper of the juniors, has decided to turn out in uniform to-day, so beware, ye good shooters of the intermediate forward line, as Chopper plays a good game when in uniform.

Give Us English, Not Yankee Game.

Nine out of ten of the old-time Rugby men, all of whom have the game at heart, will endorse the views of Billy Smith, scrimmager for the old Toronto and Osgoode Hall teams. He writes: There has been a great deal of discussion lately in regard to some changes in the game of Rugby, and as one who has always taken more or less interest in the game, I am now taking the liberty of making a few suggestions. I should say that we are just about now nearing a crisis in Rugby, and it is felt that a change must, and will, shortly be made. What I say is to go slow, as too frequent changes in the game will not tend to better it. The Burnside rules have been spoken of, and I do not say they would not work well for a short time, but under these rules, as I understand them, it is entirely a game for the half-backs. Now this style of a game, if adopted, would not last long in its original state, as you would want to make use of your forwards and wings, and by so doing it would result in the introduction of mass and wedge plays, and in the near future it would be hard to distinguish it from the Rugby game as played over the line, and which would never do for us Canadians, and especially the city teams. If any change is to be made—and I do not deny that it is not time for such a change—why not play the game that used to be played here, and is the only game of Rugby known in England, and which, if it is played strictly according to the rules, would not only be appreciated by the players and spectators alike, but would be the means of doing away with all the padding, nose guards and other paraphernalia which should be entirely foreign to the good old game of Rugby. What I would say is to adopt the old game, which would do away with the wings, and play the game as it is played in England, with eight or nine men in the scrimmage and the remainder behind it. I think if this were done, it would do away with all rough and off-side play, and would have the effect of inspiring a healthier spirit into one of the best games ever played.

Wellesleys Will Play in Open Field

Kingston, Nov. 21.—Unfortunately for the Limestone Rugby team, they will not be able to secure the use of the Athletic Grounds for their league game with the Wellesley team of Toronto Saturday. There is no alternative for the local juniors but to play in the cricket field, and depend on the generosity of the lovers of sport to give them financial assistance to compensate them for the loss of their gate. It is, therefore, hoped the general public will patronize the game and deal liberally with the juniors, who have guaranteed the Toronto team $50 for the game. It is also hoped the spectators will keep a respectable distance from the gridiron, so the game can be contested without the interference of the crowd. The visitors will not likely stand any crowding on the grounds, and it will be to the local club's interest to keep the field clear.

Ontario Football Association.

The Executive Committee of the Ontario Football Association will hold an important meeting at the Walker House at 10 o'clock this morning, when the protest of Galt against the University and other matters will be discussed.

Rugby Notes.

The London intermediates passed thru Toronto last evening en route to Peterboro, where they play the O.R.F.U. final this afternoon. They say they will go on the field in better condition than they have ever been this year, which, however, is not saying as much as would seem. The boys seemed in fair shape, and are prepared to put up a good stiff argument.

The Wellesleys leave for Kingston at 9 o'clock this morning, to meet the Limestones of that city in the junior O.R.F.U. semi-finals. Should they win to-day they should have little difficulty in finally landing the honors, and bringing one Canadian Rugby championship to the city. The Wellesleys will line up: Back, Tyner; halves, J. Hewitt (captain), Harcourt, Tcoze; quarter, Brown; scrimmage, Purse, Harris, Cook; wings, Marsh, Hunt, Sharpe, Miller, Suckling, Dale, Menzies, Schooley, Bretz.

At 10 o'clock on Saturday morning the Pickering College Rugby team will play Harbord a return match on Varsity campus. The first game was won by Harbord at Pickering by the close score of 7 to 6, so a tight contest is assured. All players are requested to be on the grounds at 9.45 a.m. The following will represent Harbord: R. Clark, Madden, Graham-Bell, Pardoe, Hutty, Minnette, Graham, Aitkens, Pratt, Taylor, Scott, Henderson, Jacques, Harper and Bryce. The Pickering boys will be the guests of Harbord to dinner at the Temple Cafe after the game.

Yale and Harvard.

New Haven, Nov. 21.—An unprecedented crowd of college men and their friends arrived in this city to-night. They have crowded every available place of shelter and the tax upon the hotels, cafes and boarding houses is unprecedented. More money will probably be placed upon the issue of to-morrow's contest than in previous football games. Yale is willing to give odds, some small bets even being laid at odds of 2 to 1. In the main wagers are 3 to 2 and larger wagers more cautiously placed. Odds are even that Harvard will not score.
