

debates, and the training, reading and thinking required for these, qualify the young men for efficiently engaging in the different branches of Church work.

NAZARETH STREET MISSION HOUSE.

The Sabbath School meeting in this building celebrated its twentieth Anniversary on the evening of Christmas Day, when there was a large attendance of the parents and friends of the children. The meeting was held in the hall, No. 261, with a staff of connection with the Nazareth Street Evangelical Church, and harmoniously carried out in the time to the interest will be maintained in the work; and that a large number in the field, so that the work was carried on in connection with the School.

PE

During the past year, in connection with this Association were a large number who continues under the same number in attendance, of whom over 20 are between 17 to 30 years of age. A number received a new membership in the congregation, which has been a great help.

Having thus reviewed the work of the past year, we are glad to see the settlement amongs
