

That "con" about Longboat turning pro has never gone beyond the American newspaper stage. The Toronto News says: Well, Shrubb is a "pro," and Longboat is an amateur, and the Bronze Mercury won't turnfor a while, at least—and says so plainly. But Longboat would like to meet tance much faster, some of the reguer o Ward over Shrubb's great record. He was especially impressed with the 2:12 2-5, others at 2:13 2-5. The slump of Wagner and Leach last week in the few games in which they took part had a tendency to make them drop in the tables this week Montreal from the two positions at the top of the National League. Wagner falled to get a hit in the two games at Chicago.

Bowerman, who has never been accused by anyone of being a hard hitter, leads this week with an average of .462, made by cracking out 12 hits in Newark 26 times at bat. Roy Thomas has also come back to life since Billy Murray has taken charge of the Quakers, and is now playing the game. Thomas has always been a fine hitter and it is not surprising to see him near the top. Besides hitting well Thomas is also doing some clever work on the bases, as his runs would indicate. He has scored 15 times in 17 games, which gives him the lead in this respect.

The Pittsburg team by a slump in batting has permitted New York take the lead they held last week. The Giants have an average of .254 Newark against fif for the Pirates. The latter are keeping up their clever base run-
