C.N.R. SUDBURY LINE IS TO BE INSPECTED

Board of Trade Council Will Be Taken Over the Route To-Day and To-Morrow.

The council of the Board of Trade, with the mayor and Councillors Ward and Hocken, with officials of the Canadian Northern Railway Co., are starting this morning on their trip over the Canadian Northern Ontario Railway thru Sudbury.

They leave the Union Station at 8 o'clock on a special train, and about 12.30 will start from Parry Sound—the first passenger train over the newly-completed railway from Parry Sound to Sudbury, a distance of 113 miles, the regular service on which will begin to-morrow morning.

On the special train there are the parlor car Balmoral and the private cars Atikokan and Athabasca. At Parry Sound the party will be joined by the mayor and the president of the Board of Trade, and delegations from those bodies. Between Parry Sound and Sudbury stops will be made at the chief points of scenic interest, such as the Massanawan, Still, Pickersil and French Rivers. The journey alongside the Wehnapitae will be extremely picturesque, Ragged Rapids and Burnt Chute, which are within a mile of each other, being especially pretty waterfalls.

The evening at Sudbury the party will be entertained at dinner by the town. To-morrow morning they will proceed to the Moose Mountain Iron Mines. On the way home, stops will be made at the station of Lake Joseph at Muskoka, and it is expected Toronto will be reached about 9 o'clock.

WOMAN IN GLASS CASE.

Invalid, Feasting Cold Air, Travels in Coffin-Like Casket.

SALISBURY, N.C., July 2.—Inclosed in a nearly air-tight wooden case with a glass front, Mrs. William Tryon arrived here in a baggage car to-day from her home in Fitchburg, Mass. Mrs. Tryon has suffered from nervous troubles and bronchitis, and, believing exposure to cool air aggravates her illness, has come south to a warmer climate.

She arrived wrapped in blankets and comforters, with perspiration pouring from her, but she stood the trip well and seemed quite cheerful. Her traveling case, which was built after her own designs, somewhat resembles a roomy burial casket. It is comfortably upholstered, and contains a clock and books to beguile the time. The case containing Mrs. Tryon was carried from the baggage car by several husky porters and placed in the waiting room. She will rent a cottage here.

LUMBER IN BIG BLAZE.

7,000,000 Feet and Large Amount of Other Timber Destroyed.

WAUBAUSHENE, July 2.—Fire in the lumber yard of A. C. Chew, Tannerville, about a mile and a half from this village, destroyed approximately 7,000,000 feet of lumber, 2,000,000 lath, 3000 railway ties, 50,000 broom handles, 13 Grand Trunk cars, 11 tram cars, 2100 feet tramway.

The flames leaped up in the air hundreds of feet and, when a most spectacular yet awe-inspiring sight. The roaring of the fire could be distinctly heard two miles distant, and sounded like a freight train rushing over a long bridge.

It was fortunate that the wind was southwest, as had been in any other direction the mill would also have been destroyed in the conflagration.

PICKPOCKETS A PLENTY.

Detective Murray of C.P.R. Says Ontario Has Epidemic of Them.

GUELPH, July 2.—(Special).—Detective Murray of the C.P.R. was in the city this morning. He stated that he had seen the report in The Toronto World that Jefferson, the pickpocket, who was arrested here recently, had been let go with a fine and had come straight to Guelph to get a photo of the man. He stated that pickpockets were becoming plentiful in this part of the Dominion, and that the C.P.R. had been troubled by them a great deal, particularly during June. The line between North Bay and Winnipeg had been troubled systematically. Speaking of Jefferson, he said, he knew of him as one of the best in his line of business and knew he was wanted on the other side of the line on several charges.

Fire at Killarney.

KILLARNEY, Man., July 2.—The Lawrence Bros' hardware store and adjoining buildings were burned out last night at a loss of \$25,000. W. Liddle of Grimsby, Ont., owned the building.

OBITUARY

Fred Gellinas, secretary of the public works department, Ottawa, dropped dead early yesterday morning. Mr. Gellinas was a reporter on La Patrie, when in 1898 the late J. L. He was private secretary to Hon. J. E. (now Judge) Robb, after provincial secretary under Hon. ore Mercier at Quebec.

GUELPH POLICE CHIEF IN MIDDLE OF LAW

Must Pay Farmer for Butter Irregularly Confiscated—Other Victims May Also Sue.

GUELPH, July 2.—(Special).—John Joston, an Eramosa Township farmer, who won in an interesting case here to-day in which he sued Chief of Police Randall of Guelph for the value of 25 pounds of butter which the latter seized from him on the market last January, claiming that it was light weight. No question was raised about the weight of the butter. Exception was taken, however, to the manner in which it was confiscated. There was no information laid against the farmer and he did not appear before the magistrate.

The chief merely took the butter upon finding it to be light and gave it to the hospitals. As the hospitals and children's shelter have been kept pretty well supplied with butter secured in this way during the last few months, a good deal of interest was taken in the case. There is a strong probability that other farmers and several city bakers, who also had their food products confiscated without being convicted, may follow the example of Joston and sue the chief. That official claims he had the magistrate's permission and that the farmers preferred to part with their butter than to appear in court. But Judge Jamieson contended that a seizure without a conviction was contrary to the bylaw, and said that it was about time some of the city bylaws were being enforced with more effect.

In this he was thought to refer to the Jefferson case wherein the noted pickpocket was let go with a \$200 fine and 605 costs.

The playground at Evangelia House will be open to all the small children of the neighborhood from 10 to 12 o'clock each week day morning during July and August.

COSSACKS WITHDRAWN.

Britain's Protest to Persia Ends Cordia Incident.

LONDON, July 2.—The protest uttered by the British Government has resulted in the withdrawal of the Persian Cossacks, who have been guarding the approaches to the British legation at Teheran because of the presence in the legation of Persian refugees.

The refugees are still in the legation building, and the shah's government has been informed that written guarantees for their lives, persons and property will be required before they are given up.

Advices received at the foreign office here show that the lives of Englishmen and English interests in Persia are not in danger.

New Bread Regulations.
The bread regulations passed at the last session of the Ontario Legislature are now in force, but the demand yesterday for the standard pound and a half loaf was not heavy, tho it is expected there will be a marked increase in a few days when the public recalls the provisions.

Three sizes of loaves are made—pound, pound and a quarter, and pound and a half. The last is the standard, but the others need a label giving the weight.

The Last Day of the Housefurnishing Club

Saturday is Closing Day—You Have To-Day and Half To-Morrow

A MAN once forgot the date set for his wedding. He was a sailor. It chanced that his ship arrived back in port on the very day of days, and then he remembered. He hurried at once into his best clothes, got his ring and his license and repaired to church in plenty of time. His bride, whose faith had held firm and unshaken while he was away, appeared punctually at the time appointed and they were married—just as firmly and satisfactorily as if he had the finest memory in the world.

Just so with the Housefurnishing Club. Saturday is the last day, but there is no reason why you couldn't join to-day or to-morrow morning, choose any housefurnishings you want and share in the Club charge account privilege.

Order your dining room carpet now, or the spare bedroom set. You have a good idea what you want. Get it on Club account now and pay for it gradually at convenience.

The Club Secretary's Office will be open from 8 a.m. until 1 p.m. If you cannot join to-day come first thing in the morning. You have just as much time to join the Club as you would to pay in cash. All we want to know is that you are a bona-fide houseowner.
