YORK COUNTY AND SUBURBAN NEWS NOTES

Big Grist of Live Items From Over
a Wide District—West, East
and North.

NORTH TORONTO, Jan. 17.—(Special.)—The inaugural meeting of the North Toronto public school board will be held in the school chamber at 10 o'clock on Wednesday evening. From the attention given school matters generally during the past year, it is probable that the board of the board will in future be better attended and a livelier interest manifested.

In the event of the weather on Thursday night being unfavorable for the holding of the fancy dress carnival scheduled for that night, it will take place on Saturday evening.

The several events at the Best fancy dress costume, lady, 1st and 2nd; best costume, girls, 1st and 2nd; best couple, one prize each; best comic costume, gentlemen prize; best girls' costume, one prize.

The lecture in Eglington Presbyterian Church to-night on "The Life of General Gordon" was well attended and was of a most interesting nature.

The hockey match between the North Toronto and Broadview on the local rink to-night was won by 7 to 2. The game was exciting from start to finish, and while the North Toronto players had admittedly the best of the match from the outset, the Broadviews are a fine lot of enthusiasts and made a lot of friends by their play.

The home team are starting out in great shape.

At a meeting of the board of works, Chairman Murphy presiding, to-night a number of matters more or less important were taken up, including the water, fire and light committees, under Chairman Pears, also dealt with some outstanding questions.

The matter of salaries was dealt with, and Engineer Black, who has his salary increased from \$300 to \$360. Caretaker Moore, whose duties have been largely increased owing to the founding of the public library, got a little boost, going up from \$250 to \$285, a well-deserved advance.

Chief Collins also preferred a number of requests for the removal of ladders and such like, and will get pretty much what he wants, the committee realizing that the equipment might well be fairly generous. A number of accounts were ordered.

Town council meets to-morrow (Tuesday) evening.

Townpeople generally are wondering what action the G. T. R. are taking with respect to the new line. Six months ago it was stated by officials well up in the councils of the local trunk railway that the preliminary work on the re-laying and installation of rolling stock would start last fall. So far, however, not a tap has been made to carry out this work, the long hard haul up Yonge-street to the town continues, as of old. What are the G. T. R. going to do about it?

Large quantities of good, lumber, broken stone and gravel are being brought down the Metrolincoln and unloaded at the old power-house switches. The wood, principally pine, is for use in the local brick yards.

WEST TORONTO.

New Public Building in Runnymede
—Notes About Town.

WEST TORONTO, Jan. 17.—The ground will be broken for the new four-story public building for the Runnymede Public Library. It will be located on a lot on the corner of the Episcopal Church, and when completed, will be used on Sundays for the holding of religious services. A notable feature of the library is the fact that it will be the first public building erected for the citizens of Runnymede as a community, and consequently will be a significant factor in making the district assume urban responsibilities.

The library has only recently been established, and already contains upwards of 300 volumes. The four-year-old daughter of Mr. and Mrs. A. Morris, 140 Mulock-avenue, died of diphtheria on Jan. 15.

The Homebrew Club held their second dance of the season to-night in the Masonic Temple.

Two eight-year-old boys in West Toronto have occupied themselves during the past few days in stealing pigeons. Evidently thinking that their crime would be collected the stolen birds in a basket and handed them over to the police for their punishment.

Fifty days in jail was the sentence handed out by Magistrate Denison this morning to Mrs. Mary Shewring on

charges of stealing a fur stole from T. J. Sheppard's store, Dundas-street, and a skirt from the emporium of William Sheppard. Accused has lately been making free use of laudanum and whiskey as a drug.

The secretary of the Druggists' Council is taking proceedings against the West Toronto druggist who sold her eight and eight ounce bottles of laudanum.

George MacKenzie, who was arrested at Keele-street on Friday evening for disorderly conduct on the rear platform of a street car, was fined \$5 and costs in police court this morning.

EAST TORONTO.
EAST TORONTO, Jan. 17.—(Special.)—Thoms, a resident on the Danforth, took place the other day in a fight with a very ugly brute who was on the top one, he fell clear to the bottom. Dr. Britton was called at 11:30 last night, as Mr. Thoms was unconscious, but he is progressing very well to-day.

A meeting will be held by the executive committee appointed to look after the Y. M. C. A. the latter part of this week.

They are generally conceded well worth the money. The one bred by Mr. Paris the only a three-year-old, stands 17 hands high and is well proportioned.

WEST YORK FARMERS.

West York Farmers' Institute will hold supplementary meetings in Islington, Thistlethwaite, Ella, Mackenzie and Schomberg on Jan. 25, 26, 27, 28 and 29. The Women's Institute will hold meetings at the same time and place, and altogether this series will, it is expected, be of more than ordinary interest.

WESTON.

WESTON, Jan. 17.—(Special.)—In the Baptist Church yesterday J. L. Gilmore, D.D., of McMaster University, preached two excellent sermons to a large and deeply-interested gathering. Rev. Canon Walsh of Brampton will deliver an address under the auspices of the St. John's school-house on Wednesday evening, Jan. 19, at 8 o'clock sharp. A collection will be taken up in aid of the piano fund.

St. John's Roman Catholic Church will hold a concert in the town hall here on the evening of Wednesday, 26th. A big galaxy of first-class artists has been engaged.

GOOD TEAMS SELL HIGH.

The sale by John Lowrey of the 10th concession of Markham to William Michael of his fine general purpose team for the handsome sum of \$900 took place the other day. This team, while popular in the district, can hardly be classified as either general purpose, agricultural or draught, but all the same they were practically unbeatable. Good horses are always in demand.

MARKHAM VILLAGE.

MARKHAM VILLAGE, Jan. 17.—(Special.)—Before leaving Markham Village to take up the duties of a nurse at the Western Hospital, Miss Jean Urquhart, one of the teachers in St. Andrew's Sunday school, was presented by her fellow-teachers with a complimentary address and a handsome gold watch.

The address was read by Miss Mary Parks, and the presentation was made by Miss Ina Lehman, and the best wishes of the town go with her in her new sphere of labor.

KING PLOWMEN'S BANQUET.

Secretary Salgeon is Honored by His Fellow Members.
The annual banquet and entertainment of the King and Faughan Agricultural Association held at the Royal Hotel, Aurora, was a great success. Nearly 300 of both sexes gathered for the long hard haul up Yonge-street to the town continues, as of old. What are the G. T. R. going to do about it?

Large quantities of good, lumber, broken stone and gravel are being brought down the Metrolincoln and unloaded at the old power-house switches. The wood, principally pine, is for use in the local brick yards.

Success Has It's Counterfeits
Because Dr. Chase's Syrup of Linseed and Turpentine possesses such extraordinary curative properties as to make it an enormous success, there are imitators on all sides using the words "linseed" and "turpentine" on many kinds of "cough mixtures."

But these imitations are alike in name only. They do not contain the ingredients which have made this great medicine the most successful treatment for coughs, colds, croup and bronchitis which this country has ever known.

When you see the portrait and signature of A. W. Chase, M. D., the famous Receipt Book author, on the bottle you buy, you can be sure you are getting the genuine.

Do not be satisfied with imitations for they will fail you at the critical moment. You know that

Dr. Chase's Syrup of Linseed and Turpentine
will cure you. Insist on having it. 25 cts. a bottle, family size 60 cts., at all dealers or Edmandson, Bates & Co., Toronto.
