## Football Rules Changed

NEW YORK, March 26 .- Before adourning to-day its session here to meet in Philadelphia on April 29 and complete its work, the intercollegiate football rules committee tentatively adopted several important changes in the playing rules calculated to make the game safer and saner.

The changes are six in number, and are designed to eliminate mass plays to a large extent, and in other ways to reduce the danger of injuries to players. All these changes will probably be definitely adopted. They are: (1) Removal of the five-yard restriction on the player who receives the

ball from the snap back. (2) A requirement that seven men be maintained by the offence on the line of scrimmage.

(3) Prohibition of the flying tackle.

(4) Division of the game into four periods of 15 minutes each.

(5) No pushing or pulling of the runner to be allowed.

(6) Limitation of the on-side kick to 20 yards beyond the line of scrimmage.

mage.

These changes will weaken the offence so decidedly that other changes will be necessary to strengthen it.

To do this two plans have been advanced one of which probably will be adopted. One is to limit the use of the forward pass to behind the line of scrimmage, and to limit the width of the line of scrimmage, either by placing at ten yards or by limiting the line of the defence to the width of the line of the defence. The second plan is to allow the forward pass about as at present, decreasing the penalty by providing that in case of an uncompletation of the offence. In the Business League.

Rolling in the Business Men's League at the Toronto Bowling Club Saturday night, the Canadian General Electric, leaders in the race, added another scalp to their belt by taking the series from Sellers-Gough, and barely missed a clean sweep by being only one pin down in the last game. Rolly Morgan, who has been rolling in great form for the electricians all season, was easily high man for the night with 589, his banner single being also high, which was a 214 count in the first game. Geo. Logan was the only other Electric over 500, with 526, For Sellers-Gough, the two Jims, McGratli and Lehane, divided honors, the former totaling 517, while the Pride of the Union Station was only one pin down, with 518. In the Business League.

George Martin says, no more team management for his after this season; the two-man affair will be plenty big enough for him to handle next season. "And the worries of trying to carry the whole team in on your back will then be cut out," concluded George.

The championship of the Union Station is again at stake. Tommy Merilhan, who almost caused a riot at Kingston by betting on Queens, has issued a challenge on behalf of Charley Duggan and filmself to again roll Jennings and O'Brien of the Canada Rallway News Company, the latter team getting the decision in the last contest. The match will be rolled at the Toronto Bowling Club Wednesday afternoon.

What the Soap Suds did to the Cream Puffs at the Parkdale alleys Friday night was a shame. The Puffs went all prepared, and headed by one Brooks, who did considerable kidding (and, in fact, kidded himself), and anchored by Southpaw Booth, thought the contest a cinch, but Chicken Mickus and his Sunday school class said nothing, but sawed the wood in great style. The feature of the game was the great judgment used by Manager Booth of the Puffs, who canned Matheson in the first game and substituted Burt, who put in the grand total of 192 for his two attempts.
