tune of 8 to 3. It was a heartbreaking game for the youngsters. Aura Lee cost heart in the second period and it was all over but the cheerage. They took a saight brace in the cheerage. They took a saight brace in the cheerage, they took a saight brace in the cheerage, they took a saight brace in the chosing stanza, but could not overcome the long lead.

Lattre, who get out of bed to play, was forced to give up and was not able to play the last period. Klemmer was dropped and the teams played much better hockey with six a side. They bunched, aroamed and made many mistakes with seven men a side.

Brown scored a goal in the second period from the side, but the referee called it back, claiming off-side. This broke the former juniors all up and they were beaten. The referee claimed that Watson was camping in the net when Brown shot from the side. It is a matter of opinion. Many fans believed that Watson was not near the play and that Brown was the only Aura Lee player anywhere near the Riverside end.

Little was unable to start when the bell rang for the final period and Klemmer was dropped to even up. Aura Lee got going better with the men off and opened up some nice rushes and passed prettily. Merrick relieved a press and only had the defence to pass. He wiggled his way in and scored. Boyle and Brown got together for the next. Brown scored. It was Rennie and Brown for a counter three minutes later. Rennie let Brown thru before he gave him the pass. Merrick scored the last goal of the game on a pass from Dopp.

Many fans believed that Walson was not near the play and that Brown was the entry Aura Lee played and that Brown was the control of the played and hockey in the popular that he played and hockey in the popular that he provided and their checking was only half-hearted. The puck-carrier generally was skated into the corner and their shooting was erratic. Harry Watson was back on the defence. He showed up to the front line in the last period. Riversides had the expertence. They worked well together and the defence played a strong game. Ernie Collett was back in the net and his work was good. Tode Farr was unable to play and McCaffery was moved over to centre with Klemmer, late of St. Patrick's, on the right boards. McCaffery played a much improved game and neemed to be right at home in centre ice.

Wilkinson was best man for Aura Lee, Hie was given pop protection all night was pestering the Riversides with his work close in to the net. They worked their way up to the defence, drew it over and passed smoothly. The senior champons got the only two goals scored in the opening session. The report that on account of the importance of the Ottawa game here tonight an assistant to Dr. Wood will be appointed is incorrect. President Robinson announces that by a vote of the clubs it has been decided to return if possible to the double referee system and it had been expected to start this tonight. On account of Harvey Pulford's inability to act in Montreal tonight, however, it is unlikely that the change will be made before the end of the week. The change will be made simultaneously in all three cities and will certainly not go into effect in Toronto before the league is prepared to place two officials on the ice in the other places. Steve Vair will likely get a chance as the second man in Toronto. The report that on account of the im-

DRUMBO BEAT AYR.

Drumbo, Jan. 23.—An exhibition game of hockey took place in Drumbo Arena tonight between Ayr and Drumbo, Drumbo winning, 5 to 2. The vis'tors are a fast bunch, and with a little practice will make a good showing during the season. Drumbo having their usual fast hockey bunch, the score was never in doubt. The rushes of Cohen were the feature of the same, he scoring most of the goals. Miller was fair, had it not been for his rough playing; also Balkwell and Clark. The rest of the team played well, considering their little experience.

Washington, Jan. 23.—That organized labor will have no part in the current baseball fracas was made known here to day, when a well-known labor leader said that Dave Fultz, president of the Baseball Players' Fraterilty, had been turned down flat by the American Federation of Labor. The Elijah of the downtrodden baseball stave gumshoed into Washington last Saturday, spent two days amid the highways and byways of the capital, conferred with Frank Morrison and other leaders of the American Federation of Labor, and then went away again, with nothing to show for his trip but a couple of Pullman checks and the broadening influence of travel.

Athletes Perform Today in New York

New York, Jam 23.—Glancing over the Millrose Athletic Association's program of events in Madison Square Garden to-morrow night, and the many stars entered in each event, it is almost impossible to pick the greatest attraction.

Columbia (Mo.), Chicago and Evanston (Ill.), Annapolis (Md.), Starksville (Miss.), Toronto (Canada), Worcester and Boston (Mass.), New Haven (Conn.), Princeton (N.J.), Washington (D.C.) and Philadelphia (Pa.) are some of the distant points from which athletes will come.

tant points from which athletes will come.

Among the five hundred or more entries, are forty-four present and past champions, with a title-holder or world's premier on the honor post in each event.

The feast of athletic entertainment will start with a special scratch seventy-yard dash, in which all of the fastest sprinters now in competition are entered. These include the names of Joe Loomis of the Chicago A.A. Alvah T. Meyer of the Irish-American A.C., Brooke Brewer of the Maryland State University, the new junior national champion; Roy Morse, C. W. Loomis and F. P. (Thara of Boston, A. B. Kelly of Holy Cross and Frank Stephenson of the Trinity Club.

Loomis' performance in Chicago on Friday last, when he equaled the present champion's form, and the fact that all the aforementioned stars are in the best of shape is sufficient assurance that a first-class, if not a record, performance should result.
