LONDON, THURSDAY, JUNE 4. MR. WHITNEY'S USELESS DENIAL

Mr. Whitney, last night declared

anything like dissension or trouble in the cabinet, or anything but the harmony which becames men of busi-This is a guarded statement, which

excludes the stormy period before the Government enacted the power bill In response to the agitation led by Mr. Beck. The power bill was introduced on May 7, 1906. It was about this time that Mr. Whitney and Mr. A W. Bailey 2,424 24 and Mr. Whitney gave it a vehement contradiction, although Mr. Beck had divulged it at the Queen's Hotel, Wm. McDonough 3,898 62 Toronto, in a moment of anger, direct- P. McPhillips 603 31 ly after the row. The confidents of M. A. Manson 2,138 91 Mr. Beck were amazed at Mr. Whit-

Last night Mr. Whitney took notice N. Tackaberry 1,146 00 of the Mearns episode, which has attracted great attention throughout the province. Dr. Mearns, of Woodstock, has stated that in April last he was told by Mr. Beck that for three tness would go up in the air, owing John Macbeth to the attitude of certain members of the Cabinet." Mr. Whitney described Albert Smith 562 13 this, in his elegant way, as "an in- F. Whetter 587 91 reference to it at all. The Advertiser Cecil Wray 322 78 vote, he was entitled to ten? believes that Dr. Mearns told the surely have taken advantage of last night's opportunity to corroborate right. The question resolves itself into believes that Mr. Beck was not lying extract a promise from the Governwhen he told Dr. Mearns of the wrangle in the Cabinet. His disclosure merely confirmed the public impression But Middlesex is not the only that the Government is not a unit on Western Ontario county from which the power project, and that Mr. Whit- succession duties are collected, and ney is personally unfavorable to it. which is deeply interested in the suc-

MORE DISCRIMINATION AGAINST LONDON.

No friend of education will grudge liberal provincial aid to Toronto University, but the Whitney Government's method of financing that institution is amateurish and that the ratepayers of London should haphazard, like its school legislation. The policy of the Ross Government

was to deal with Toronto University

as with all other public institutions and with all other public expenditures-that is, to ask the Legislature annually to vote the moneys necessary for maintenance. Each session declared, for the third or fourth time louse showing the proposed expen-This Kingston, had asserted that he had liture for the incoming year. gave the members on both sides an opportunity of freely discussing the various items in committee of supply, the Minister of Education being in his place to explain and justify expenditures before they were approved. categorical denial. Their joint contra-This was the proper way, and ac- diction was published in the Toronto cording to British parliamentary press, and must have come under Mr.

In the session of 1906 this plan was abolished by the present Government which amended the university act by providing that "there shall be paid to the board of governors out of the consolidated revenue of the Province defective, was taken out and signed by yearly and every year a sum equal to his own Provincial Treasurer. The 50 per centum of the average yearly statute of 1904, passed by the Ross succession duties." This is arranged inclusion of the termina's in the Govon a three-year basis, and means the succession duties act for the in the mortgage, the omission was the present and two following years shall fault of the Whitney Government, be respectively \$500,000, \$600,000 and \$700,000, then in 1911 Toronto Uni-

This change in the law was vigorbusly opposed by the Liberals, and Ouring the last session the Opposition sincere as his first statement to the sought in vain to secure the repeal of Legislature. this act, and for the return to the old system, whereby the people's representatives were enabled to scrutinize and criticise the annual expenditures of the university. Among those who charge that is bold enough to be voted against the motion to repeal wes, at course, the Hon. Adam Beck.

versity will receive \$600,000.

This is a matter of especial import. ance to London and Middlesex, in view of the fact that this city and county contribute largely in succession duties, and that we have here a
