**Two Titles, McTigue's Aim**  
Mike McTigue, Irish middleweight,  
and his manager, Joe Jacobs, are mak-  
ing it not unlikely. They have laun-  
ched a campaign, which has as its ob-  
ject both the world's middleweight and  
heavyweight titles. McTigue, a 160-  
pounder, has his eyes on Johnny Wil-  
son's middleweight, and is equally will-  
ing to arrange a bout with Georges  
Carpentier for the world's lightweight  
title if Carpentier's consent can be  
secured.  
McTigue has boxed a number of prom-  
inent middleweight and light-heavy-  
weights, and has had encouraging suc-  
cess. In continuing his campaign he is  
eager to arrange bouts with men who  
still stand in his path. Mike Gibbons,  
Happy Littleton and Mike O'Dowd are  
singled out for preference in the sweep-  
ing belt issued by Manager Jacobs.  
Harry Greb, Billy Shady and Ray Keiser  
would be welcomed as light-heavy-  
weight opponents for the boxer.

**BASEBALL**  
Ruth and Landis.  
Elmira, N. Y., Oct. 18.—Babe Ruth,  
Bob Meusel, and Pitcher Pincus, played  
a scheduled game with a local club  
yesterday, the visitors winning 6 to 0.  
Ruth repeated his defiance of Commis-  
sioner Landis' ruling that the "Harm-  
ful" expedition was contrary to the  
contract of the players with the Na-  
tional baseball commission. Ruth and  
Meusel knocked two home runs each.  
New York, Oct. 18.—Regret that some  
Yankee players had violated the rule  
prohibiting world series contestants from  
appearing in post season exhibition  
games was expressed last night by Col.  
Lippert and Col. Huston of the New  
York Americans.  
Asserting that the rule had been vio-

led so defiantly that Baseball  
Commissioner Landis had no alternative but  
to meet the situation firmly, the statu-  
tute continued.—This rule appears to be  
unjust in many respects, but so long as  
it exists it should be obeyed. The  
players made a mistake in not petition-  
ing for modification of the rule.

**Louisville Wins.**  
Baltimore, Oct. 18.—The post season  
series between Louisville and Baltimore  
was brought to a close yesterday when  
the American Association champions

The Protestant Orphanage Fair was  
formally opened by Lieutenant Governor  
William Pugsley last evening. The  
fair will continue for several  
days is promoted by the Protestant  
Fraternity organizations of the city. The  
general convocation of the fair was  
held in the hall of the Y. M. C. A. and  
the ladies' auxiliary of the Y. W. C. A.  
were in charge of the evening. St.  
Mary's band rendered a programme of  
music.

Commissioner Pinks represented Mayor  
Schuchert and acted as chairman. The  
lieutenant governor spoke of the worthy  
object of the fair and referred to the  
work being done by those present on  
behalf of the societies. He hoped that  
the necessary money to aid the orphans  
would be raised. He remembered as one  
of the most successful of the fair was  
the rink is the tea-room of the ladies

governor and Mrs. Pugsley for their  
presence at the opening and it was  
passed with three cheers.

Along both sides of the big rink which  
was fully decorated with bunting and  
flags, bunting, and spruce and cedar  
boughs, were rows of booths devoted to  
games of chance and to the merchandis-  
ing of a variety of articles.  
Immediately to the right upon entering  
the centre of the rink in charge of the  
Pythian Sisters, Mrs. C. Green, Mrs.  
K. Spear and Mrs. A. Whipple are the  
conveners of the committees in charge  
of this booth.

The King's Daughters and the Y. W.  
C. A. have a novelty booth on the left  
side of the rink, where fancy sewing,  
springs, and other goods are displayed.  
Mrs. E. J. Fleetwood, of the Y. W. C. A.,  
and Mrs. E. Stevens, of the King's  
Daughters, are the ladies who exercise  
general supervision over this booth.

The Rebecca have established a fish  
pool nearby under the direction of Miss  
Jessie Brittain, where the anglers may  
test his skill in the way of catching a  
prize.  
A game similar to the punch-board,  
except that one draws a collar button  
instead of a card, is in charge of Miss  
O. Golding.  
Men's Booths  
All the booths of which the men are in  
charge are managed by representatives  
of the joint committee of the several  
men's organizations participating in the  
promotion of the fair. Among them are  
the fruit booth, in charge of Harry  
Coleman; the soft drink booth, in charge  
of I. Mercer, and four wheel-of-fortune  
booths, over which M. V. McKinney, E.  
C. Clark, P. Gibbons and R. B. Stack-  
house preside. There are both men's  
and women's air-gun shooting galleries  
the former in charge of R. M. Anderson,  
and the latter in charge of H. Stevens.  
The game of ten pins and a similar  
game called "excelsior" are in charge of  
F. Wilson and H. B. Duke respectively.  
A golf-playing game is in charge of W.  
H. Golding. Mr. Golding also has a  
miniature theatre at which miniature  
moving pictures are shown.

A game known as the "Devil among  
the thorns" is in charge of Percy Nichols  
and the house-house game is managed  
by a corps of workers under the direction  
of Arvid Duffy.

## RIGHTS OF THE STILLMAN BOY IN THE MILLIONS

New York, Oct. 18.—John E. Mack,  
guardian for Guy Stillman, yesterday  
brought legal proceedings to establish  
the child's right to a share in trust  
funds totalling \$37,393,000 established by  
his grandfather for his five children.  
This action was taken in connection  
with the divorce suit brought by James  
A. Stillman, millionaire banker, against  
his wife, in which the legitimacy of the  
child is questioned.  
Mr. Mack obtained an order for the  
executors or trustees of the Stillman  
estate to show why they should not be  
joined in the divorce action. Mr. Mack  
told the court that Guy had an inter-  
est in each one of the trust funds, and  
that the order, if sustained, would elimi-  
nate the possibility of litigation over  
Guy's rights in the future.
