CHILD GETS SICK, CROSS, FEVERISH IF CONSTIPATED

Look at tongue! Then give fruit laxative for stomach, liver, bowels.

"California Syrup of Figs" can't harm children and they love it.

Mother! Your child isn't naturally cross and feverish. See if tongue is coated; this is a sure sign the little stomach, liver and bowels need a cleansing at once.

When listless, pale, feverish, full of cold, breath bad, throat sore, doesn't eat, sleep or act naturally, has stomach-ache, diarrhoea, remember, a gentle liver and bowel cleansing should always be the first treatment given.

Nothing equals "California Syrup of Figs" for children's ills; give a teaspoonful, and in a few hours all the foul waste, sour bile and fermenting food which is clogged in the bowels passes out of the system, and you have a well and playful child again. All children love this harmless, delicious "fruit laxative," and it never fails to effect a good "inside" cleansing. Directions for babies, children of all ages and grown-ups are plainly on the bottle.

Keep it handy in your home. A little given today saves a sick child tomorrow, but get the genuine. Ask your druggist for a bottle of "California Syrup of Figs," then see that it is made by the "California Fig Syrup Company."

Easy to Make This Fine Cough Remedy

Thousands of families suffer by its prompt results, inexpensive, and save about \$2.

You know that pine is used in nearly all prescriptions and remedies for coughs. The reason is that pine contains several peculiar elements that have a remarkable effect in soothing, relieving the membranes of the throat and chest.

Pine cough syrups are combinations of pine and sugar. The "syrup" part is usually plain granulated sugar syrup. To make the best pine cough remedy that money can buy, mix equal parts of Pine (50 cents worth) in a 16-oz. bottle and fill up with water. Shake 16 ounces—more than you can buy ready-made for \$2.50. It is pure, good and very pleasant—children take it eagerly. You can feel this take hold of a cough, or cold in a way that means business. The cough may be dry, hoarse and tick, or may be persistently loose from the formation of phlegm. The cause is the same—irritated membrane—and this Pine and Syrup combination will stop it—usually in 24 hours or less. Splendid, too, for bronchial asthma, hoarseness, or any ordinary throat ailment. Pine is a highly concentrated compound of genuine Norway pine extract, and is famous all over the world for its prompt effect upon coughs.

Beware of substitutes. Ask your druggist for "24s. ounces of Pine" with directions, and don't accept anything else. Guaranteed to give absolute satisfaction or money promptly refunded. The Pine Co., Toronto, Ont.

"Cure Your Rupture Like I Cured Mine"

Old Sea Captain Cured His Own Rupture After Doctor's Said "Operate or Die."

His Remedy and Book Sent Free.

Captain Collings sailed the seas for many years; then he sustained a bad double rupture that soon forced him to not only remain ashore, but kept him bedridden for years. He tried doctor after doctor and finally made him a cripple. Finally, he was assured that he must either submit to a dangerous and abortive operation or die. He did neither. He cured himself instead.

"Fellow Men and Women, You Don't Have To Be Tortured By Ruined Health."

Captain Collings said a study of his own case showed that a rupture is not a disease, but a condition. It is a simple, easy, safe and inexpensive. Every ruptured person in the world should have the Captain Collings book, telling him about how he cured himself, and how anyone may follow the same treatment in their own home without any trouble. The book and medicine are FREE. They will be sent prepaid to any ruptured sufferer who will fill out the below coupon. But send it right away—now—before you put down this paper.

LAST CANADIAN HOME BY AUGUST

Ottawa, Jan. 10.—It is stated in militia circles here that the end of August next will see the return to Canada of the last units of the military forces of Canada now serving overseas in Europe.

KEEP LITTLE ONES WELL IN WINTER

Winter is a dangerous season for the little ones. The days are so changeable—one bright, the next cold and stormy—that the mother is afraid to take the children out for the fresh air and exercise they need so much. In consequence they are often cooped up in overheated, badly ventilated rooms and are soon seized with colds or grippe. What is needed to keep the little ones well is Baby's Own Tablets. They will regulate the stomach and bowels and drive out colds and by their use the baby will be able to get over the winter season in perfect safety. The Tablets are sold by medicine dealers or by mail at 25 cents a box from Dr. Williams Medicine Co., Brockville, Ont.
