Ladies' New Suits AND Coats For Spring

Striking originality characterizes the new spring styles in Coats and Suits. A glance at some of the new models reveals the radical nature of the new vogue.

It is a change that makes for greater novelty, more fanciful styles, and in some instances more striking extremes.

Among the fascinating styles in the Coats are: "The Balmacaan," "The New Sport," "The Slip On," and the much talked of "Flaring Coat."

The Suits are so varied in style that it is difficult to describe them in type, but you must see them.

HENRY W. KNIGHT OF ST. JOHN DIES SUDDENLY IN WEST

Stricken as He Was Dismounting From His Horse After a Ride

The news of the sudden death of Henry Whitemore Knight, son of Mrs. Frances L. Knight and the late Joshua Knight of this city, comes as a great shock to the family and many friends throughout the province.

Mr. Knight was in his twenty-eighth year. He left St. John when only eighteen years of age, after he had graduated from the Rothesay Collegiate School. He went west where he became very successful and at the time of his death was manager of a large ranch at Kaleden, B. C.

His death occurred on Saturday evening just as he was dismounting at his home after having been out riding. He had previously been affected with heart trouble and his death was instantaneous. He was unmarried and leaves his mother, three sisters—Misses Louise and Jessie of this city and Mrs. C. I. Foss who, with her husband, was spending the winter with her brother at present in Vancouver, and his wife is at present visiting in St. John. Mr. Knight was a grandson of the late Rev. H. M. Spike formerly rector of Musquash.

The funeral will take place at Kaleden on Tuesday.

PROBABLY LONGER THAN HE EXPECTED

Irvine Sent to Jail For Fourteen Months With Hard Labor

Andrew Irvine was arrested on Saturday evening and appeared in the police court this morning to answer a charge of using profane language in Charlotte street. He pleaded guilty and was sentenced to pay the full penalty of the law, it was also said that Irvine had been drinking on Saturday. The magistrate said that the police should find out where he had bought his liquor, especially since he had been put on the indictment list.

Irvine's record of attendance on the prisoner's bench since February 10 shows that he had been absent only eighteen days during the month. A fine of \$50 or fourteen months in jail, an accumulation of his previous suspended sentences, was imposed upon the prisoner, and the hardest work to be found will be allotted to him. Although he was looking for something like this, he did not expect the court to be quite so liberal.

The magistrate said that any bartender ought to be proud of the work he had accomplished on Irvine.

THREE SAILORS IN TROUBLE

Three sailors from the South African liner Kaduna were before Magistrate Ritchie in the police court this morning charged with being drunk in Smith's restaurant on Saturday afternoon and Thomas Mitchell, an Englishman, and David Goughan, a Welshman, were charged with interfering with Policeman Sullivan in the lawful discharge of his duty. Sullivan said that he was in plain clothes and when he was called into the restaurant the other sailors interfered when he attempted to arrest Healy. Healy said that he had never been drunk before and had only taken eight glasses of beer on Saturday.

Captain Purdon of the Kaduna said that he thought it was bad liquor the men bought and it had knocked them once. He said that in the old country when a man got drunk, an action was taken against the saloon keeper who sold him the liquor and that in nearly every case the police were able to tell where the man had been. The prisoners were fined \$5 each, which was paid by the captain.
