### "PATRIOTIC ACRE" SCHEME

Regina, Nov. 25—The Grain Growers of Saskatchewan have adopted a novel scheme to support the patriotic movement. The central organization has recommended that the various units discuss the question of whether or not each member should give the crop off one acre of land each year to the patriotic fund, and without exception so far as can be learned, the ideas of the central organization are being followed out. In addition to the "patriotic acre" scheme, the farmers are being requested to make cash donations, and are responding readily.

There has been a steady growth in the number of farmers co-operative associations in Saskatchewan, during the last few months. The number now is 103.

Ritchie himself to receive 60 per cent of all over that amount." Ritchie considered the scheme and then turned it down.

### CANADA IN THE WAR

Twenty students of the University of New Brunswick have volunteered for foreign service and will enlist with the heavy artillery now mobilizing in Fredericton. Among the St. John students are Harry Holman and John Hipwell.

Local employers are co-operating with the committee active in getting recruits for the 28th infantry battalion. W. H. Thorne & Co. Ltd., T. McAvity & Sons, will keep positions open and pay the salaries of any of their help going to war; the C. P. R. will hold the positions open and give material assistance; the Royal Hotel and Scott Bros. will hold positions; and F. W. Daniel will hold positions and give aid to the families.

It has been proposed to fit up a room in the city as a sort of club room for the soldiers while they are quartered here. A reading room for the 28th battalion will soon be opened in the exhibition building.

Of the 20,000 men to be recruited in Canada, according to the latest programme, 25,000 are already enrolled. Of these 17,000 will form the second contingent. Only one regiment of 1,000 men will be raised in the maritime provinces.

### A Smooth, White Skin That Defies Weather

During the coming months of biting winds and intense cold, you who wish to keep your skin smooth, white and velvety, should turn your attention to the new cream. Nothing else will so effectively remove a chapped, red, cold discolored surface. By gradually absorbing the cream, the skin is kept in perfect condition, and even the heaviest exposure to weathering is not shed. If your skin is blotchy, pimply, or covered with dry scales, the cream will completely transform the most unattractive complexion into a smooth, white, and youthful appearance, even after one application, will smooth you.

If weather, age or poor health has marred your face with wrinkles, have good news. You can quickly remove every line by using a harmless, refreshing lotion prepared by dissolving in a few drops another skin, the more youthful appearance, even after one application, will smooth you.

### DOCTOR SAID SHE HAD BRIGHT'S DISEASE.

Bright's disease is a term applied to one of the most serious of all diseases of the urinary organs which show that the urine contains a large amount of albumen. Dropsy is also another forerunner of the disease. The doctor told me I had Bright's disease. My kidneys got so bad I could not eat or sleep. The doctor's medicine did not give me any relief. I used four boxes of Doan's Kidney Pills, and they put me in good shape again.

Doan's Kidney Pills are the original kidney pill, so when you ask for "Doan's" do not accept any others with similar names.

Price, 50c. per box, or 3 boxes for \$1.26, at all dealers or mailed direct on receipt of price by The T. McIlwain Co., Limited, Toronto, Ont.

When ordering direct specify "Doan's."

### Free Advice About Your Manly Strength

TO MY READER:

Whether or not you lack an abundant vigor, here is a free offer which will surely interest you, and through which you may easily profit from now on to the end of a ripe, healthy, advanced age. I have compiled a little treatise for self help (book form) which I am pleased to send absolutely free by mail in a perfectly plain, sealed envelope to any man anywhere who writes for it. Over a million copies have already been thus distributed to those who wrote for them from all over the world. There is no obligation whatsoever involved in this offer, nothing which you are required to pay for in any way, either now or in the future. It is just simply an out-and-out free proposal.

In this little book of 72 pages, 6,000 words and 80 half-tone photo reproductions, I have endeavored to give a straightforward talk to men, young and elderly, single and married, a concise compendium for self-reference, a perfectly plain discourse upon those important personal matters relating to vital strength of men, the preservation of vitality, its possible self restoration, its legitimate uses and its wanton abuses. Every man should be in possession of this book. One part describes a little drugless mechanical vibrator, which I make and distribute, but whether or not you wish to use one of these vibrators, the book should be read by all for its own real worth. Therefore, please use free coupon below.

SANDEN, Toronto.

Reader, the whole world is today alive to the importance of a better understanding of sex hygiene.

The much discussed science of eugenics is teaching the great mass of people that strong, healthy, rugged parents beget equally sturdy children.

Manhood, no matter where or in what condition of life we find it, is the single power that most fascinates both men and women. The one who radiates this manly influence, this result of a vigorous, sturdy nerve force, is the one who forges to the front, while weaker people stand aside.

It is my opinion that any man may hope for a complete restoration of his manhood and vigor if he but makes up his mind that he WILL conquer. Men: 8 to 6.
