SPORT NEWS OF A DAY; HOME AND ABROAD

JOHNNY GLOVER vs. Young McDonough, Augusta, Me. Attell Again. New York, Feb. 17.—Abe Attell has announced that he will take another chance with the fighting game. He will try to come back and will start with Ollie Kirk, a featherweight, who made him quit in six rounds in St. Louis. They will meet at the 4th Sporting Club here on March 19, and will battle ten rounds.

BOULDERING. Roll-off. The weekly roll-off on Black's alleys was won by A. Roberts, who had a score of 107. He won a half dozen silver spoons. There were twenty-eight in the contest and of these four passed the hundred mark. The roll-off in the Victoria Bowling Academy was won by Robert Laneragen with an average of 92. The prize was a pipe. Thirty-two took part in the event.

On Black's Alleys. The Sweepstakes defeated the Tigers 4 to 0 in the second game of the series to decide the winner of the first series of games in the City Bowling League. The total pinfall was 1247 to 1207. Fohley led for the winners with 97 and Bailey for the losers with 89. Each team has now won one game. The deciding game will be played next week. The Nationals and Tigers will play in the City League series to-night and the McAvity team will play a Warwick quintette in the Commercial.

M. P. P's in Roll-off. The Gleaner says:— T. J. Carter and J. L. White, M. L. A's for Victoria, look like the champion bowlers from any one county in the legislature. Both are in the qualifying list for tonight's roll-off at the Queen Hotel alleys.

The high scores at the Queen Hotel alleys last week for the roll-off tonight follow:—H. W. Steen, 133; N. Osborne, 122; Frank Dunbar, 101; E. Peterson, 101; I. T. Gibson, 98; R. Robinson, 97; A. G. White, 97; D. L. Babbitt, 94; J. D. Palmer, 85; T. J. Carter, 82; J. L. White, 80; Ed Brown, 87.

Bouts Tonight. Young Ahearn vs. Kid Graves, and Sold Bartfield vs. Bill Bennett, Brooklyn.

BASEBALL. Treaux Signs. Jeff Treaux has sent in his signed contract to McGraw, of the Giants, leaving only Red Murray, Tillie Shaler and Harry McCormick of the valiant New York squad, to come into line. Treaux has been spending the winter in Missouri, and was reported at one time to be a hold out. Jeff thought pretty well of a record of 17 victories and seven defeats, along with one World Series victory in his first year in last company, and considered it worthy of some attention on the part of the paymaster. McGraw was willing to provide amply for him, but sent him word the other day that he must report with the recruits at Marlin Springs. This, it is understood, did not appeal to Jeff very strongly, but he signed the intention to obey orders. The big fellow needs a lot of work at all times, and the Little Napoleon wants him to start training early enough to be in top form for the opening of the season, when the Giants expect to get off to their usual flying start.

Cub Games to Start at 2.30. Chicago, Feb. 17.—Baseball games at the Cub Park will start at 2.30, instead of at 2 o'clock. The owner of the team was determined to start the contests early this year, but took the advice of Manager Eaves and Secretary Williams, who

Tom Jones and Wolgast Part Once More; Pal Brown After W. Ritchie

By TOM ANDREWS

DURING the last week there have been several mix-ups in the boxing world. Ad Wolgast announced that he had split with Tom Jones; New York promoters are after father McCarthy because he delays in signing up to meet Bombardier Wells; Willie Ritchie creates dismay among the light weights by announcing his determination to keep out of the ring until July 4, and Pal Brown, the Minnesota light weight sensation, comes to the front with an offer to wager \$1,000 cold cash that he can beat Ritchie over the marathon route.

Tom Jones and Wolgast have had several such little spats, but somehow they always get together again when the proper time arrives. The indications are that Wolgast does not intend to remain in the boxing business a great while, according to information he has imparted to close friends, and should be by chance lost to Tommy Murphy when they clash on Feb. 22 in San Francisco, it will be about his last fight over the twenty round route. The Michigan boy never has taken a great deal of training when preparing for a fight, so that he will have ample time to get ready for the Washington birthday clash. He will find Murphy in the best of condition, for the New Yorker has been training hard for some time, for he realizes his chance to get to the top. It will be now or never, and Tommy intends to make the most of the opportunity. Should Murphy happen to put one over on Ad he would become the big card on the coast and Ritchie would be compelled to give him a chance at the title. And while the 133 pound boys on the coast are chasing Ritchie for a match Pal Brown, the Minnesota sensation, is quietly going about his business, meeting all comers in the division and preparing to get after the champion in the proper way.

Pal has written the writer to the effect that he wants to meet Ritchie, but that he has not the time to demand recognition, but he will go to the extent of \$1,000 on a side bet. He says he will deposit the money with any paper Ritchie or his manager, Billy Nolan, may name, as a forfeit, the same to go as a side bet, and he has every reason to believe that friends in Minneapolis and Duluth will add another \$2,000 to his bit. The trouble is that fighters nowadays do not pay much attention to legitimate challenges, but treat for the big money offers, whether against a dub or a worthy challenger. The Minnesota boy, however, is coming fast, and the same Wolgast did when he was climbing, and if perseverance will succeed Pal has a chance to get to the top. He is full of ambition and confidence and he comes from good old fighting stock.

thought the hour he chose was a trifle too early. Naps Secure Star Fielder. Laporte, Ind., Feb. 17.—"Biff" Lee, one of the star outfielders and batters of the Gary, Ind., ball team, winner of last year's pennant in the Northern Indiana League, will sign a contract to play with the Cleveland Americans with the understanding that he is to report for the spring training trip. His work last year was such as to attract the attention of scouts of National and American League teams. He was born in Cleveland because of natural preference for that city.

Joins the Phillies. Philadelphia, Feb. 17.—Managers Doolin has received the signed contract of Joe Finerman, a promising young tender who joined the Phillies after the close of the Virginia League season last year. Finerman was also received that Pat Moran, a veteran backstop, might not be a member of the Phillies this season. He wishes to be traded to some other club. Moran has acted as coach to the young twirlers since joining the club four years ago.

WRESTLING. Victory for Pole. Zlyso defeated Casaux in their wrestling match in Montreal last night. He won two straight falls.

MORNING NEWS OVER THE WIRES. Joasquin Miller died yesterday at his home in the Piedmont foothills, California. He was known as the "poet of the Sierras." Mrs. Eisenhauer, of Scarsdale, N. Y., yesterday, gave birth to three boys and a girl, all doing well. Three weighed six pounds each, and the other a little less. The mother is about thirty-eight years of age and has eight other children. Two former New Brunswickers were married at Moncton in 1888 by Rev. E. B. Hooper, are now in the divorce court of Brooklyn, the wife, Mrs. Kate (Ariff) Jones seeking divorce from Ernest H. Jones, of Boston, formerly of Scarsdale, N. B. Cruel and abusive treatment is alleged. Mrs. Jones asks for the custody of their two minor sons, and for alimony. One thousand "Lombardmen" struck yesterday because of their union had been unminged in Hoboken, N. Y., by the head store of the North German Lloyd line.

MANY CURLERS IN CITY FOR THE BONSPIEL

Arrangements are now completed for the bonspiel under the auspices of the New Brunswick branch of the Royal Caledonia Curling Club which will open here this afternoon. It is expected that ten clubs will be represented. Already rinks from Campbellton and Sackville have arrived. The bonspiel will open this afternoon at 3 o'clock on the ice of Carleton, Thistles and St. Andrews.

The Blair trophy, donated by Andrew Blair, of Edinburgh, Scotland, will be in competition for the doubles. A club must win it for three years to hold it permanently. A shield, presented by J. A. Sinclair, president of the New Brunswick branch of the Royal Caledonia Curling Club, will also go with this event and the club winning it this year will retain it.

Individual trophies for winners and runners up in the other events will also be given. In the preliminary matches fourteen ends will be played and in the final sixteen ends will be played. Royal Caledonia Club rules will govern and all disputes will be decided by the executive of the New Brunswick branch. The drawings for the different events were made by the executive last evening. The programme for today is as follows:

St. Andrews Ice—Qualifying Doubles. W. O. Dunham (Carleton) vs. No. 1 (Moncton). E. S. Roxborough (Carleton) vs. No. 2 rink (Moncton). M. N. Howie (Campbellton) vs. G. M. Wilson (Hampton). F. P. Wetmore (Campbellton) vs. F. E. Giggay (Hampton).

Carleton Ice. J. S. Malcolm (Thistle) vs. T. W. Crocker (Newcastle). W. A. Shaw (Thistles) vs. R. C. Clark (Newcastle). After the drawings had been made last night a telegram was received from Moncton saying that only two rinks would be sent. This gave George Clarke, of Carleton, credit of winning one match by default.

FARMERS' CONVENTION

Matters of Practical Interest at Opening Session in Fredericton. Fredericton, Feb. 17.—The spirit of optimism which is showing itself more strongly than ever among the farmers of the province marked the opening meeting of the thirty-seventh annual convention of the Farmers' and Dairymen's Association last evening.

The convention was opened with an address by President L. H. Smith of Covertville, Albert County. He commented on the establishment of an experimental farm at Fredericton and the proposed agricultural schools and urged that farming and highway problems be taken out of politics. Mayor Hooper gave an address of welcome in which he referred to rapid development of the province and urged the improvement of products to meet the competition from other provinces.

Vice-president Ashley George of Epper Sackville in his reply to the address of welcome advocated the establishment of at least one demonstration farm in each county and teaching of elementary agriculture in the public schools. Hon. D. V. Landry, commissioner of agriculture, reviewed the progress made in recent years and urged the formation of provincial associations by the breeders of horses, sheep, cattle, etc.

Bishop Richardson dealt on the problems of keeping the young people in the east and on the farms and told of the effect of making farm life more comfortable and attractive. He said that during the last year he was sure he had kept more people from going west than any other man in the province.

C. N. Vroom of St. Stephen, president of the Fruit Growers' Association, described the progress made in apple growing and said that as 49,000 barrels were imported into the province last year there was not much danger of glutting the market by over production. Smith, Elgin; Carleton, W. A. Taylor, Florenceville; Madawaska, J. A. Bernier, Edmundston; Northumberland, Clifford Galloway, Chatham; St. John, R. G. Murray, St. John city; Sunbury, Milton A. Smith, Fort Station; York, W. H. More, Scotch Lake.

These reports were to the general effect that the majority of crops were about average in spite of the unfavorable weather conditions, but that hay was a poor crop, potatoes the same in many localities, and potato prices very poor at present.

Was a Victim of Bronchitis.

HAD TO BE PROPPED UP IN BED. Bronchitis is an acute inflammation of the membranes lining the air tubes of the lungs, and begins with a tightness across the chest, and a difficulty of breathing accompanied by a hard dry cough which later develops into the raising of a greenish or yellowish phlegm.

On the first sign of bronchitis you should check it immediately by using Dr. Wood's Norway Pine Syrup, and thereby preventing it becoming chronic and perhaps turning into some serious lung trouble. Mrs. John Fawcett, Salisbury, N. B., writes: "A year ago I was a victim of Bronchitis. I was so bad I could not lie down, and had to be propped up in bed. As the doctor failed to do me much good, a friend, who came to visit me, advised me to try Dr. Wood's Norway Pine Syrup. The first bottle helped me so wonderfully I took five bottles in all, and was cured. I have not had an attack of it since."

Price, 25 and 50 cents a bottle. See you get "Dr. Wood's" when you ask for it. Manufactured only by The T. Milburn Co., Limited, Toronto, Ont.

Could Not Sleep Well For Four Years.

HEART AND NERVES WERE BAD. To the thousands of people who toss on a sleepless pillow night after night, or who pace the bedroom floor with nerves unminged, heart action wrong, and to whose eye sleep will not come, Milburn's Heart and Nerve Pills offer the blessing of sound, refreshing slumber.

They restore the equilibrium of the changed nerve centres and correct the wrong action of the heart. Mrs. Wm. Douglas, Theasalon, Ont., writes:—"I am going to send you my testimonial for what your Milburn's Heart and Nerve Pills did for me. For four years I could not sleep well at night, as my heart and nerves were so bad. I tried all the doctors here, but none of them helped me. I read your Heart and Nerve Pills, and tried only a few boxes, and I can certainly say they did me a great amount of good. I can now sleep as well as ever, and can advise anyone who suffers from heart trouble to try them."

Milburn's Heart and Nerve Pills are 50 cents a box; 3 boxes for \$1.25, at all dealers, or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.
