SPORT NEWS OF A DAY; HOME AND ABROAD

BOWLING

On Black's Alleys.

In the two-men tournament on Black's alleys last evening Brown and Stables tied with Bestow and White, three points each, 814 to 820. Jordan and Coan took six points from Norris and Logan, 878 to 860. Coan had an average of 90 1-3, eight Sullivan and Armstrong with 87 Sutherland and Irvine.

ATHLETIC

Fred Cameron in Chicago.

Ambrose News-Fred S. Cameron left yesterday for Chicago, where he will spend a year taking a course in physical culture work.

BASEBALL

N. B. and Maine League.

It is expected that the meeting to arrange the schedule for the N. B. and Maine League will be held here tomorrow. Leonard is expected here then.

Players We Know.

"Hannah" Hoyt had a hit on Monday when they beat Worcester nine to two. That hit was one of sixteen made by Brockton. He also figured in a double play and had five put-outs.

McGovern for Fall River had a hit, six extra put-outs and an assist.

For Lowell Lee had a hit a put-out and three assists.

Ganek, Portland's first baseman, had three put-outs and an error in a double play.

For Lynn, Joe Neptune showed improved form, having one hit, one sacrifice put-out and two assists and figuring in one double play. For the same team Wilson had one base hit and nine put-outs.

Stahl Doing Well.

Jake Stahl who was operated on in the Corey Hill Hospital, in Boston, and a growth removed from the ball of his left foot, is resting very comfortably.

Montreal, Too.

Hitler, of the Montreal Royals' pitching staff, entered the General Hospital in Montreal this week to undergo treatment for his foot, which has bothered him since joining the Royals.

Four Hits, 15 Bases.

Four swats for a total of fifteen bases are enough to knock any pitcher stiff and win any game. There is good reason, then, why the Phillies beat "Rube" Marquard on Monday 6 to 3. The Giants also hit well and hard, but not hard enough.

It was home run day, sure enough, and had Harzog's smash in the eighth been a few inches higher and cleared the coping of the left field bleachers he would have had a fourtimmer to his credit. As it was, he scored McCormick.

It was the fourth consecutive time "Johnny" McGraw's Giants have fallen before the Phillies in the present series. But his time it was a one-run victory.

Alexander pitched in rare form, only three hits being scored against him, Marquard did well in street ball, but at critical times he appeared to be well up in the air. Crath made one home run and Magee made two.

Why Owens Was Diminished.

President Lynch, of the National League, announcing that he had dismissed Umpire C. P. Owens for violation of the rules of deportment, said:

"Umpires in the National League by their deportment in and off the ball field are supposed to add dignity to their positions as representatives of the league. They are backed up by the president in the discharge of their duties, and in order to gain and hold the respect of the players, the press and the public, it is most essential that their conduct at all times be above reproach."

"Mr. Owens' action has forfeited the right to the protection afforded him by the president of the league, and for the good of the game he is discharged."

The alleged violation was entering a gambling resort.

Which is The More Brutal, Boxing or Club Swinging

By TOM ANDREWS

Can it be any more brutal for a man to box with big gloves on his hands, get a few clouts about the head or body, even have his eyes discolored than it is to permit a man to stand on a platform and swing three and a half pound Indian clubs for 100 hours without any rest whatever, and to end with the man becoming delirious and wanting to fight his own friends?

The other day in London, at the Alhambra theatre, Tom Burrows, a famous Australian club swinger, endeavored to beat his own record of eighty hours for continuous club swinging and at the same time to beat the Australian record of 100 hours made by Jack Beamish and 112 hours by Martin Dobrilla, although Burrows said that these records were not authentic. Burrows had held the record for many years until these men went after it. He had no trouble beating his own mark of eighty hours, passing it in good condition, and also the 100-hour mark, but after that he began to show signs of weakening, and when he had gone 100 hours he collapsed and became delirious, wanting to fight all his attendants. He was finally quieted and put to bed where he went into a sound sleep, utterly exhausted. His nervous system was shot to pieces and the question once more arose, "Is it not more brutal to let a man go to such extremes than to permit of even the hardest kind of a boxing match, even even a prize fight?"

There are several Australians who have been after the record for club swinging. In addition to Beamish and Dobrilla breaking Burrows' mark, Harry Lawson last year set a mark of 113 hours for swinging 8-pound clubs, and he was followed by Dobrilla again, some saying 120 hours, for continuous work. It may be clever work in the minds of some people, but at this distance it seems that it is a terrible ordeal to put a man through and he is liable to be more broken up after such a feat than he could possibly be after going through the severest kind of a fight, London or Queensbury rules.

JOE PAGE SEES SUCCESS FOR THE N. B. & M. LEAGUE

Bangor Commercial—Among the visitors in the city Tuesday was Joseph H. Page, of Montreal, who is a guest at the Punocho Exchange.

Mr. Page is a baseball fan of the 32nd degree and more than that, is interested in the business, for he is editor of the Canadian edition of Spalding's baseball guide and Canadian representative of the Chicago American league baseball club. He is not a stranger to Bangor as he came here occasionally to play ball in the old days. He recalls that the last time he visited this city to play ball was with the Montreal team in 1897.

"I have always considered Bangor one of the best ball towns in proportion to its population," remarked Mr. Page, "and I have no doubt that the city will have a team in the Maine and New Brunswick league and be well added with its 12th place in the old days.
