Athletic

Corkery to England.

Jim Corkery, Irish-Canadian runner, will leave early this month for the Old Country. Corkery won The Hamilton Spectator Marathon a year ago, and will represent that paper in the run in London on May 24th. Corkery will remain abroad until the Olympic games. Corkery is split favorite with Jim Duffy, in the Martin road race at St. Catharines on Good Friday, with O'Brien a third choice.

Eleonora Sears Out for Record.

San Francisco, April 1—Miss Eleonora Sears of Boston, has completed more than half of a 115-mile walk from Burlinghamo to Delmonte. She is trying to excel a record established some years ago by an Englishman. Miss Sears is accompanied by a professional pedestrian and friends in an automobile.

Easy for Jeannette.

New York, April 2—Joe Jeannette, the Hoboken heavyweight, so far outclassed Griff Jones, last night, that the referee stopped what had been scheduled to be a ten round bout, in the fourth round.

Golf

Miss Ostrand Lost.

The women's event of the United Golf championships at Pinehurst, N. C., ended with a sensational climax in the defeat of Miss Kate Van Ostrand, of the Jefferson County Country Club, by Mrs. J. Raymond Price, the Oakmont champion, four up with three to play. As winner from Miss Dorothy Campbel, the Canadian champion, Mia Van Ostrand, was generally regarded as a certain victor, but from the start Mrs. Price had things her own way, turning home five up, losing two holes coming in, and winning the fifteenth for the match, four up and three to play.

Baseball

The Local League.

Joe Page, who will manage the St. John baseball team this season, will leave again this week to visit one or two of the towns from which there were teams in the league last year, to see if they will be again represented this season. Last week he visited several places and found the baseball fans in each place eager for a league. It is altogether likely that a meeting will be held in the near future for the purpose of forming the league, which will be styled the New Brunswick and Maine League, as last season.

And They Fill Them.

The seating capacity at each major league park this year is as follows: National League:—New York, 40,000; Brooklyn, (Washington Park) 15,000; Boston, 12,000; Philadelphia, 20,000; Chicago, 30,000; Cincinnatti, 25,000; Pittsburg, 28,000; St. Louis, 22,000. American League—New York, 16,000; Boston, 27,000; Philadelphia, 25,000; Washington, 18,000; Chicago, 32,000; Cleveland, 25,000; Detroit, 22,000; St. Louis, 20,000.

It Costs Money.

The cost of equipping a major league baseball team of twenty-five players is somewhere in the neighborhood of $2500 each spring, according to a statement by Thomas G. Davis of the New York Americans. Here are the items: Sixty dozen baseballs, $1080; 10 dozen bats, $120; 50 uniforms and 25 sweaters, $800; bases and plates, $25; masks, chest protectors, etc., $50; 25 sliding pads, $85; movable batting cage, $60; incidentals, $100; total $2,320. The players purchase their own gloves and spiked shoes, and their own bat bags and toe plates. The salaries of a groundkeeper and assistants amount to $2000, while $500 is spent for sodding and loam.

The Tigers.

While Manager Jennings of the Detroit Tigers has not officialy announced his 1912 line-up, it is believed here that he has decided what men he will use. Perry the Providence outfielder, will alternate with Davy Jones in right field. Moriarity seems to have lost his place to Louden, a Newark recruit. Of the pitching recruits Dubuc from Montreal and Maroney of the Utica, N. Y. State League will be retained to help out the veteran pitchers. Vitt will play short unless Bush comes to time. Kocher and Onslow have apparently beaten Casey out of his catching job.

Lajoie.

Larry Lajoie is now entering upon his 17th year in the major league. During his sixteen years' service he has failed to surpass the .300 mark only twice, in 1907 and 1908. No one doubts the truth of the oft-repeated statement that Larry would have passed the mark even in those years if relieved of the managerial worries.

Larry must eventually step out of the ranks. He cannot go on forever. When he does go baseball will have lost one of its most wonderful players and grandest characters. But Larry has not gone yet.

When the king goes and his name no longer appears on the score cards there will be a monument which will forever stamp him as one of the greatest of the great. The memory of some of his feats may grow dim, but his batting average, which follows, will never grow dim in comparison to others.

His batting record—1896, .328; 1897, .363; 1898, .328; 1899, .379; 1900, .346; 1901, .422; 1902, .369;; 1903, .355; 1904, .381; 1905, .328; 1906, .355; 1907, .299; 1908, 2.89; 1909, .324; 1910, .384; 1911, .366.

It's Easy to Peel Off All Your Freckles

(From American Home).

The contrast between the freckles and the clear skin usually is so great that no bleach can be more than partially successful in obliterating the disfigurements. Ordinary mercolized wax is far better; it literally peels off the freckles. Get an ounce of it at the nearest drug store and tonight spread on enough to completely cover your face; remove in the morning with warm water. Repeat daily until every freckle has disappeared.

Rough, blotchy, pimpled skin, also common at this season, may be entirely gotten rid of by this same method, without discomfort or inconvenience. The effort is decidedly worth while, the new complexion obtained being so clear, smooth and youthful. If bothered with wrinkles, after washing off the mercolized wax bathe the face in a lotion made by dissolving an ounce of powdered saxolite in a half pint of witch hazel.

ATTRACTIVE THEATRICAL ITEMS

The announcement of famous plays that are to be given by the Helen Grayce Company which will be the attraction at the Opera House commencing Friday, April 5, has already attracted wide spread attention and the advance sale is the largest ever known for an attraction appearing at popular prices. The worth of the star, the strength of her acting company and the magnificence of her stage settings are all so well known that the engagement will undoubtedly become the red letter event of the entire season.

Blase New Yorkers turn out in goodly numbers to witness the representations of the stock company at the Academy of Music; Brooklynites for years have made the Lee avenue stock a part and portion of their winter life. In Boston the Castle Square Company has delighted hundreds upon hundreds of theatre-goers for a generation and is a fixture of the Hub. All of these companies give the best plays at popular prices. It is such an organization that is headed by Miss Grayce. The same players that have been connected with the stocks of the larger cities are now in the support of this popular actress as it is her aim to bring as equally good a gathering of artists to St. John. Her remarkable success is the best evidence that she has succeeded.

The bill for Friday afternoon is "Wildfire," and "The Squaw Man," is underlined for Friday night.

ROOSEVELT IS SPECTACULAR

St. Paul, Min., April 2—Another plank in the platform upon which Colonel Roosevelt is to fight out his campaign was brought forth in a speech here on "The Welfare of the Farmer."

The ex-president's entrance to the auditorium was spectacular. Seated in an automobile from which a dozen flags were flying, he was driven through a rear door on to the floor of the building, into the midst of the crowd. All of the seats in the auditorium were occupied and the people streamed in until there was no standing room.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity.
