Dominion Tires are GOOD Tires

NEXT time you see a number of parked cars, notice how many tires bear the white strip, the mark which easily identifies a Dominion and Yal Cord Tire.

That thin white strip on every Dominion Royal Cord Tire means much to the car owner. It stands for two exclusive Dominion Tire features—

PROCESS and SPRAYED RUBBER-features that give the Royal Cord Tire its extraordinary dependability and marvellous

that eliminates internal friction by doing away with cross-threads. Each cord is saturated, surrounded and bound to its neighbour by latex—the purest and toughest rubber that can be used.

The SPRAYED RUBBER Process ensures greater strength to the treads and sidewalls where the strain on

The LATEX-TREATED WEB CORD

LATEX-TREATED WEB CORD is a process

Dominion Royal Cord Tires are the only tires in Canada that have these superior improvements—yet they mean no increase in the price of the tire.

GIVE FINE CONCERT the superior character of the entertainment. That Saint John may be proud of her local musical talent was the opinion expressed by Rev. J. S. Bonnell, and heartily applauded by the Provincial W. C. T. U. is to

Meet in Saint John in October.
