The bids were made public last night The B. C. Marine Railway Company An iron drum, painted red, has been established on a mast on the top of the swing span of the railway bridge across the work in 80 days for \$85,000. The R. officials, is almost as much as the When the draw can be opened the drum steamship is worth. The bids were as

Heffernan Engine Works, Seattle, \$131,200 (including duty), 85 days. Hall Bros., Eagle Harbor, \$120,000 (plus duty), 95 days.

Moran Shipyards, Seattle, \$125,000 Willamette Iron Works, Portland, Wallace Shipyard Co., Vancouver,

Victoria Machinery Depot, \$94,300, 84 days. British Columbia Marine Railway

Co., \$85,000, 80 days. It is expected that the Princess May will be floated this evening. Just what n and is painted black.—Department of ine and Fisheries, Ottawa, Canada, August 1910.

Two courses are open, to call for new tenders or to repair the vessel by day labor. In any casioned, and as repairs will take almost three months to carry out, the steamship will not be back in service

their entire stock of salt being burned, Wokana's building, a Vancouver firm, lost everything, including boats, salt and seines. The loss is estimated at between \$12,000 and \$15,000, partially covered by insurance.

ACKNOWLEDGMENTS. Donors to W. C. T. U. Home Pound Party Were Numerous.

The W. C. T. U. pound party, which took place at the home last Tuesday, proved quite a success, as the following list will show. The committee ac knowledge these donations with thanks: Mrs. E. B. Marvin, sack of flour: Mrs W. W. Ralph, rice, soan, tea; Mrs. Todd, Cedar Hill, box of apples: Mrs. W. C. Wilson, box of pears: object of inducing him to appoint an of flour; Mrs. E. J. Martin, sack of Australian to be stationed at Vancou- flour; Mrs. Preston, sack of sugar; Mrs. ver, whose business it would be to develop commerce generally between the two countries. Mr. Tudor, the minister, it is: Mrs. Crawford, tea; Mrs. Dr. was indisposed to send an Australian Humber, bacon; Mrs. W. J. Hanna, to Vancouver to undertake the duties indicated, but said he hoped to see his way clear to induce the cabinet to ap-It is considered unlikely that the Victorian government will go outside its own state to find a successor to Mr. Tait whose residerations.
