

# ACCIDENT INSURANCE FREE OF COST

A few days since, The Times made its first offer of free accident insurance to paid-up subscribers to the paper for a certain length of time. The response has been remarkable, the public showing its appreciation of the opportunity afforded by promptly taking advantage of it. Old subscribers have renewed, new ones have sent in their applications, and many of the latter have come from out-of-town readers. We started this campaign with the object of securing **One Thousand New Subscribers** before the beginning of the year. The offer will remain open during that time, so that those whose subscription to other papers expire in the meantime, can subscribe for The Times and obtain free

## General Accident Insurance Company of Canada

A Canadian Company of the highest financial standing. They send direct to you a policy, good for one year from date of registration, and the policy is unlimited as to time to be registered. All you are asked to pay is the registration fee of 20 cents. We pay the premium.

Don't you think you should protect your family when it costs nothing but a slight registration fee? Don't imagine that the registration remittance of twenty cents represents the premium on the policy. IT DOES NOT. The Publishers pay a large premium direct to the Insurance Company. The registration coupon and fee of twenty cents overcomes the possibility of dispute on any question of identity. It is not even necessary to have the policy on one's person at the time of the accident; it can be filed away the same as any other valuable document,

Attention to the immigration is not one of the activities which characterize the stay in the missioner Coombs and who accompanied him. Col. The minister that his bell said "Come The Salvation Army."

"But my drum says, 'em, fetch 'em.'"

The growth of the army was marvellous. He had the 12th corps. There were more than 8,000 corps. The Salvation Army has persons of no moral standard a case of lifting these and time again. The was a noble one.

Objections were raised against the work of the army. It was said that the Salvation Army do not send the Salvation Army because they will formed criminals. But they did work in saving the criminals, its work was with that class.
