A variety of subjects, accumulating since their previous session, confronted the school legislators at their regular meeting last night. The manual training school boards concerned and the teachers who may desire to receive training school, payment of a new appointee's salary, Children's Day at the forthcoming exhibition, and divers other matters gave the trustees plenty of scope, and they took advantage of the opportunity in their usual thorough manner.

"I asked for half a loaf and ye gave me—ont a stone—but two loaves." So might Secretary Boggs, of the Agriculture of the school bards concerned and the teachers who may desire to receive training fund, to be arranged for, unless specially authorized. I think the school boards concerned and the teachers who may necessary expense in connection with extra classes."

As you are aware, a number of your teachers have in the past availed them selves of the teachers' class held on a Friday from 4 to 6 p. m. The time is near at hand for the re-opening of this class, and I should be pleased to know if you are contended to talk the matter over with you if necessary.

Yours very truly.

By the following clause in a recent letter from Prof. Robertson:

Clause 3.—"I do not want any extra classes which will entail any expense on the manual training fund, to be arranged for, unless specially authorized. I think the school boards concerned and the teachers who may expense on clause 3.—"I do not want any extra classes."

A variety of subjects, accumulating school boards concerned and the teachers who may expense on clause 3.—"I do not want any extra classes which will entail any expense on clause 3.—"I do not want any extra classes. I them the school boards concerned and the teachers who may expense on clause 3.—"I do not want any extra classes which will entail any expense on clause 3.—"I do not want any extra classes. I them the school boards concerned and the teachers who may expense in connection with extra classes."

As you are aware, a number of your teachers have in the vere dealt with as follows:

High school laboratory supplies. In this was carried.

ordered those supplies. He didn't recall the matter having come before the board, and demanded to be shown a record of it on the minutes. All requisitions for supplies should be dealt with by the board before their purchase was ordered.

The chairman remembered the questin coming before the board, but was a little hazy as to the circumstances.

The superintendent synlained that the little hazy as to the circumstances.

The superintendent explained that the list of supplies was on the table when the appropriation of \$300 was authorschool ized by the board; that it had been pre- Outstanding pared by Mr. Pineo, and at his suggestion was cut down from \$500; that quiry on his part discovered that local firms could furnish the supplies more the shares he agreed to, and as soon as reasonably than the Eastern house at first suggested, so assuming that the appropriation was sufficient authorization 1902, ne took steps to repudiate the transaction. Continuing, the witness said: "I wish to have it most emphatihe ordered the drugs from Henderson Bros., and the other supplies from Pope's stationary store. The results were satisfactory as the order came had the stock now, and asked if it would within the appropriation by \$25 or \$30. Trustee Drury acknowledged the exbank in exchange for those he put up as planation, but was still unsatisfied. He propriations for repairing the High expenditures without being dealt with The meeting shortly after adjourned. entered into the agreement Col. Hayes by the board, and contended that no pub-asked him if he could put the stock in lic body in the province would conduct is own name, so that he could vote in its business in such a manner.

Trustee Jay remembered the list being He was cross-examined at length by before the board when the appointme was made. The discussion on this point then dropped. The last speaker then warmed each trustee's heart with the had only cost \$365, while the building and grounds committee had been allowand grounds committee had been allowed \$500 for the work. A faint but very sincere outbreak of applause, accompanied by murmures of commendation, followed this approximent. He also removed ed this announcement. He also reported and at Panama serious. that the formal opening of the new High school had been arranged for Fri-Righ school had been arranged for Friday afternoon at 2 o'clock, for which in-day afternoon at 2 o'clock, for which in-

ng mood, asked the chairman of the ther gives great satisfaction here. The sports committee if he had authorized press comment emphasises the fact that Mr. St. Clair to instruct the children to utterances of the leading papers in the To around minus their hats and eliminate ten and coffee from their daily fare.

United States prove that people of that country are convinced of the unselfish-

good accomplished among the pupils by PLACERS ON SAN JUAN. Mr. St. Clair, especially in teaching them to swim. He had attended the closing exercises at the baths, and was much ratified with the splendid results of Mr. St. Clair's instruction.

Superintendent Eaton explained that of the action taken by the board on a communication bearing his signature. He asked that a half holiday for the schools be declared during the approaching expensively and the macronal fund. He was willing to continue the instruction, but Prof. Robertson, who was in charge of the fund, which was in charge of the fund, ition, preferably on Wednesday or was not willing to pay for it. So if the Thursday, when an attractive programme class was reopened the teachers or some-body else in Victoria would have to pay the request. It was only for a half day,

eachers were paid for holidays; the final similar injuries at the same time as An-

ly deciding to leave what he "understood" in abeyance.

At another time Mr. Peters and the magistrate indulged in a little discussion anent each others infallibility.

Comusel for the defence alluded somewhat triumphantly to a previous debate which resulted in his favor. "Your Honor will remember that I was absolutely right in that matter a few min-

ordered those supplies. He didn't recall and grounds committee, who will con-

Sulley, jr., and Miss Ethel Taylor were married yesterday. The groom is a son of Mr. Wm. Sulley, sr., and Miss Taylor is the daughter of Mr. Taylor, manager of the B. C. Fruit

Packers' Association. The First Congregational church was well filled on Monday night on the occasion of the eve of the departure of the pastor, Rev. J. H. Bainton, and his wife, and to welcome the new pastor, Rev. Mr. Hindley. The meeting was opened with singing hymn 63, "Crown Him Lord of All." The first speaker, new field of labor. Rev. Mr. Bainton, in replying to the remarks of his fellow clergyman, thanked him and the members of the congregation for their many kindnesses towards him and Mrs. Bainand wished the church he was leaving every success and prosperity. The new pastor, Rev. Mr. Hindley, was then introduced to those present, and in the course of his remarks said that he w do all in his power to follow in Mr... Bainton's footsteps in helping the cause

HORRIBLE CHARGE.

Chicago, Sept. 10.-Cremation of living who represents the company, went out babies in her kitchen range is a charge to the mine on Friday morning. He found that the buildings had been visited by men who had stolen everything the by Charles Early against Mrs. Paulina Taeschler, who conducts a private hospital for women in South May vate hospital for women in South May street. Early has made this and other serious charges before the state board of health. As a result, officials of the board se-

> out a license, and the woman has been Mrs. Taeschler attributes the charges to motives of revenge inspired by her refusal to allow Early to visit a woman
