Miramichi and the North Shore, etc.

HARDWICKE VILLAGE.—The report the last entertainment of the Dutcher Society of the above place is crowed out this week. It will appear next week. Michael's R. C. T. A. Society are to give

a nevel entertainment on Easter Monday evening. The best talent in the organizaill be to the fore on this oc and the programme is really one of the most original and attractive ever offered

MAGIC LANTERN.-We would remind our readers of the St. Andrew's Church rtainment this evening in the Masonic Hall. From past experience of the man-ner in which the St. Andrews people nage these affairs we have no do

THE D. T. Rs., DOUGLASFIELD, are progressing. We have no report of their last entertainment, but at the previous one a Recitation was given by Miss Sarah E. Brehaut; Reading by Master Howard Irving; Address by Mr. Frecker and Mr. Geo. Tait of Chatham; Songs by Miss Copp and Miss Josephine King, and uses by the choir.

NEWCASTLE FIRE Co. -At a meeting o the Newcastle Fire Company held on Monday evening the following officers were ted for the ensuing year :

Captain, J. Morrissey,
1st. Lieut., W. J. Miller,
2od. "W. H. Burk.
Secretary, W. Fenn,
Treasurer, J. D. Creaghan,
1st, Pipeman, P. Wheeler,
2nd, "Hiram Fish,
Captain of the hose, R. Fairman,
Axemen, D. Quigley and R. L. Maltby.

McGILL UNIVERSITY :- We extract the following from the Montreal Gazette of 1st. ast. "The following gentlemen, 37 in number have fulfilled all the requirements to entitle them to the degree of "M. D. C. M., from this University. These exercises consist in examination both written and oral, on the following subjects: Principles and practice of

Wm. McFarlane, 1st Cornet. . Walker do. F. O'Brien, Solo Euphonium. J. Johnson, 1st Alto. J. Bell, 1st Tenor. Arch. Woods, 2nd Tenor. G. Churat, 2nd Cornet. Sergt. Mather, Baritone. I. Creighton, Bass.
R. Nixon, Side Drum.
V. Woods, Bass Drum.

St. Michael's Commercal College.

We regret that pressure of matter in our columns obliges us to shorten our report of the annual examination of St. Michael's Commercial College, which took place last week. It commenced on Thurs-Friday and Monday evenings. The attendance was by special invitations issued by Bro. Joseph, Principal of the institution, and was large, embracing leading citizens and parents of the pupils.

There are 54 pupils attending the Colstudies of these are directed by five teachers in all. The second class was examined on Thursday evening and the first class on Friday and Monday evenings. The programme of the second class ex amination was as follows :-

Instrumental Music. Sacred Instruction.

Reading, in English and French, with translation.

1 R Carroll. Song and Chorus, "The Bells," nmar and Rhetoric Instrumental Music, " History of Canada and England, Examined by Mr. Oakes Song and Chorus, "Filez, Mon Vaisseau," Solo by Peter Hachey

The examination in History displayed great proficiency on the part of the pupils and the other parts of the programme were carried out in a satisfactory manner. The programme of Monday evening was

"Obstetrics, and diseases of women and children, Medical jurisprudence and Hygiene, and also clinical examina-gie—save those to Messrs. J. F. Fry & Co.,

Objection noted.

Objection noted.

Witness continued:—Out of the 40 tons in the cars one half of them might have belonged to other parties; believe the Loggies to bear an excellent character.

Re-examined by Mr. Tweedie—Fish shipped by others might, in part, belong to Loggies, cannot remember what brought up conversation between Loggie and myself about parties fishing for them being told not to fish after 15th Feby.

Mr. Tweedie asked to call Mr. Hoganbecause, he said, of remarks made by a local paper-to shew he was instructed to look after these fishery matters. After objections which were overruled, Mr. Tweedie called Hogan and said he saw in the MIRAMICHI ADVANCE that it was said he was rendering himself contemptible by his course in this matter. He would like

Mr. Carman to the Court-Then you object to my asking this witness any more

The Court-I do Will you put that down.

he prosecution was closed. He claimed that no case was made out; that in a pro-secution for penalty nothing should be left Gazette should be produced to show the

case was continued on Monday last, at the Chatham Police Court, before G. A. Blair, posed of the objection that the smelt-fish-in a man's possession he was to pounce down upon him and put him to trouble, times.

Truate and the last the rule of the court of the smelt-fish-in a man's possession he was to pounce down upon him and put him to trouble, times.

Mr. Carman objected to Mr. Tweedie

Hogan would have his instructions and the Gazette in Court.

The Magistrate asid he would decide to the complaint.

The Magistrate asid he would decide to defence reserving one point raised by Mr. Tweedie says the complaint is most production.

Mr. Tweedie says the complaint is in possession smelts, after the legal season had expired.

Mr. Carman's objection was noted.

Witness continued—Shipped by Messrs.

Loggie—

26th, 18 boxes, 760 lbs., to Mull & Eldred, New York.

The Magistrate asid he would decide to do not and the flash in their possession were properly accounted for and no doubt of the fact remained, and as the matter was one involving a penalty, the law should not be strained to secure a conviction.

Mr. Tweedie, in addressing the Court, said he would refer only to a few points, as he was suffering from a cold. Counsel for the defence was laboring under a manner in which he had treated a witness but perhaps the Editor did not mean all he said.

Witness continued—Shipped by Messrs.

Loggie—

26th, 18 boxes, 760 lbs., to Mull & Eldred, New York.

Mr. Was York.

The Magistrate asid he would decide to though the fish in their possession were properly accounted for and no doubt of the fact remained, and as the matter was one involving a penalty, the law should not be strained to secure a conviction.

Mr. Tweedie says the complaint.

Mr. Carman's objection was noted.

Witness continued—Shipped by Messrs.

Loggie—

26th, 18 boxes, 760 lbs., to Mull & Eldred, New York.

Mr. Blair in opening his remarks said he would refer only to a few points, as he was suffering from a cold. Counsel for the defence was laboring under a manner in which he had treated a witness but perhaps the Editor did not mean all he said.

Mr. Tweedie, has the count was to see the Logge and a sets eclusion of better paying creat at the count was one involving a penalty, the law should not be strained to secure a conviction.

Mr. Tweedie says the Court.

With respect to the consumer as of the count was the count was one involving a penalty

It appears that the members of the 73rd Battalion Band were not placed in their proper order in our notice of last week, Mr. Tweedie answers that objection should have been taken before, and as it given them from memory. He this week supplies the names in order of instrumentalism as follows:

J. H. Templeton, Bandmaster, Solo Cornet.

J. H. Templeton, Bandmaster, Solo Cornet.

Wm. McFarlane, 1st Cornet.

Geo. Smith, testified—Have been fishing smelts this winter. Loggies got all my fish; 1 had about six tons. They got about a ton from me after the 15th, which were caught before 15th, they got about a ton from me after the 15th. I did not fish after the 14th. They would have had to pay for these fish whether they took them or not, as they had arranged to take all my fish.

John Doyle, testified, I was catching smelts this winter and delivered 500

The court ruled the evidence from agent's book admissible.

The court ruled the evidence from agent's book admissible.

Geo. Smith, testified—Have been fishing smelts this winter. Loggies got all my fish. It had about as to whether similar evidence could be given under the Fisheries Act, he had offered no objections to the Loggies by each of the wished to give them fair treatment.

He found in the Advance allusions to the case which were unfair and unjustifiable. That paperstated that accase had been brought against the Loggies by Over product to some after 15th, which were caught before to fish their fisher the 15th, which were caught before to fish the adoffered no objections to the Loggies by each of the wished to give them fair treatment.

He found in the Advance allusions to the case which were unfair and unjustifiable. Messrs. M. Martin and Frank Desmond of Chatham and Jas Oning of St. John axed ing to the time small fishing should stop.

The believed he was disposed to trifle with his oath. Even if all the smelts claimed under the old tariff, while the Americans proved to be false by over twenty sworn truth of these remarks. Large size 75 cents. Try it and be convinced. Messrs. M. Martin and Frank Desmond of Chatham and Jas. Quinn of St. John excel in Book-keeping and John Wallace, M. Martinand Clement McCormack in general Mathematics. John Knight and Robert Allan of Chatham are well up in History. Some finely executed architectural drawings by Mr. M. O'Keeffe and Mr. Patrick Murray of Chatham were shown as well as good mechanical drawing by Mr. M. O'Keeffe and Mr. Patrick Murray of Chatham were shown as well as good mechanical drawing by Mr. O'Keeffe and Mr. Patrick Francis Desmond and John Carroll of Chatham had some well executed projection

Mestra M. Martin and Frank Desmond of Chatham and Jas. Quinn of St. John excel ing to the time smelt fishing should stop. He did not care whether Hogan was a fishery officer or clergyman of the Church his oath. Even if all the smelts claimed to have been legally caught were shipped to have the Washington Treaty abrogated in order that they may impose that industry entirely. Such is the effect of the policy against which the Liberals of their course; they must not place the quint of the National Policy—the policy of the onus of their position on Hogan and hide beind him from the consequences of their own wrong. Why were they not brought there was disposed to trifle with his oath. Even if all the smelts claimed to have been legally caught were shipped to do it as a gentleman. He w ham had some well executed projection drawings, while James Delaney of Chatham excelled in ornamental drawing.

That Deen stated by Mr. Ferrey that the consequences of the the had proved by the Loggies' own conversations that they knew the fishery season had expired. Mr. Tweedie contended that because he knew they had taken their that officer had not troubled the Loggies, because he knew they had taken their that officer had not troubled the Loggies, because he knew they had taken their that officer had not troubled the Loggies, because he knew they had taken their that officer had not troubled the Loggies, because he knew they had taken their that officer had not troubled the Loggies, because he knew they had taken their the consequences of their three was considerable illegal fishing, yet that officer had not troubled the Loggies, because they dare had expired. Mr. Tweedie contended that the consequences of their three was considerable illegal fishing, yet that officer had not troubled the Loggies, because they dare had expired. Mr. Tweedie contended that the consequences of their three was considerable illegal fishing, yet that officer had not troubled the Loggies, forward? It must be because they dare not come? Mr. Tweedie went into figures that a comparatively few manufactures that their three was considerable illegal fishing, yet that officer had not troubled the Loggies, forward? It must be because they dare not come? Mr. Tweedie went into figures that the consequences of th am excelled in ornamental drawing.

The institution is an efficient one, reflect—

had expired. Mr. Tweedie contended that because he knew they had taken their not come! Mr. Tweedie went into figures the law, instead of being so tyrannical as nets off the ice the day the fishing season to show that 30 tons and 7 cwt. of smelts ers may be enriched. represented was a lenient one, inasmuch as expired and he had their licences. Mr. were accounted for as being rightly in it provided that ignorance of it might be Loggie also gave Hogan liberty to go and Loggies possession, while they had shipped taken as an excuse for its violation. He had proved, sufficiently, that the fishing season had expired on the night of 14th February, and he thought the 19th section distribution.

The Law wisely puts the onus of proving without enquiring as to the man's mode of Mr. Carman objected to Mr. Tweedie of flour in this country to consumers, es. perfectly correct, for I have it on good legal possession at an illegal season, just the same as a man found with stolen goods the same as a man found with stolen goods ly manner, fishermen had better leave off Mr. Tweedie went on to say he had Joseph McNeill station agent, Chatham Railway, was called by Mr. Tweedie for the prosecution. In response to request by Mr. Tweedie, he referred to his freight book, and showed that Messrs. A. & R. Loggie shipped from the Station after 15th Feby., fish, as follows:—

I because the noble-minded farmers and millers of Canada won't take any advantage of the duty and won't be dealt leniently with the defendants and should have brought evidence that he could have brought evidence of them. Under the prima facie case which he had made out the Loggies must distance them to say he had dealt leniently with the defendants and should have brought evidence of them would have brought their illegal work home to say he had dealt leniently with the defendants and should have brought evidence of them. Work home to the prima facie case which he had made out the Loggies must dissuppose to request them. Under the prima facie case which he had made out the Loggies must dissuppose to request them. Under the prima facie case which he had made out the Loggies must dissuppose to request them. Under the prima facie case which he had made out the Loggies must dissuppose to request them. Under the prima facie case which he had made out the Loggies must dissuppose to request them. Under the prima facie case which he had made out the Loggies must dissuppose to request them. Under the prima facie case which he had made out the Loggies must dissuppose to request them. Under the prima facie case which he had made out the Loggies must dissuppose to request them. Under the prima facie case which he had made out the beauting that was so long farmers and millers of Canada won't take any advantage of the duty and won't charge any additional price for their goods. Ans.—No; Because the noble-minded farmers and millers of Canada won't take any advantage of the duty and won't charge any additional price for their goods. Ans.—No; Because the noble-minded farmers and millers of Canada won't take any advantage of the duty and won't charge any additional pr

pounds to Loggies after 15th; they were caught before 14th, under licence. The nets were owned by John Morrison and I fished them on the halves.

Seer John Hogan, of Newcastle, "whose "uname is associated with acts of official "nersecution against his neighbors, which this particular can be made. As an ex-"ed those others to go undisturbed."

more witnesses and the court adjourned of that paper for the accuracy of the reports of local matters which he published the "periodical" question is that indifrom time to time, he submitted that the vidual subscribers living in country place omitted a witness he intended to call and above was not a proper way to treat the who have magazines sent to them by pubmatter when it was before the Court. lishers through the mails, must be annoyhis course in this matter. He would like to know if he (Hogan) receive instructions to make these complaints.

Amos Perley, Overseer of the district from east end of Beaubear's Island to Miramichi Bay, and now under suspening on the ground that he should produce in the public and he did not destroy that he was Overseer until 13th March last. He had issued smelt net licenses in his district last winter.

The animus of the Advance article was apparent; it placed Hogan in a wrong light before the public and he did not destroy that he was Overseer until 13th March last. He had issued smelt net licenses in his district last winter.

for 2 years—before that the nets were simply registered; there might have been a little illegal fishing after 15th. I captured some nets which were fishing illegally. I reported to the Department that there was considerable illegal fishing in all districts.

as no made the Loggie's of his own motion and in the spirit charged by the Advance. A man who simply does his duty will not be condemned by the public but it is those who seek to break the law and who while the dealer receiving twenty copies to the househt in subjection to the from the same publisher would have to This closed the case for the defence and have to be brought in subjection to the from the same publisher would have to Mr. Carman here said that the case for Mr. Carman addressed the Court. He law, those also who sympathise with them pay duty. The principle which will claimed that all the smelts seen by Hogan and would shield them from the con- be practically applied in the periodical and all that were shown to have been sequences of their illegal acts who bring business will be about the same as it it

were accounted for legally and properly, even without taking into account the fact ed. The interest was a growing and im-Gazette should be produced to show the regulation prohibiting catching &c., of smelts after 15th February. He moved for dismissal of the case on the following

book and 26th of the 3rd book, given at Mr. Carman also called attention to the did not have a fish on hand after the day smelts and the Governor in Council had

Loggie shipped from the Station after 15th Feby., fish, as follows:—

Feby., fish, as follows:—

Officer he was bound to prove his position and also the regulation. If he would get one half of he penalty if he could succeed in getting out, by this prosecution would break down. It was a question whether Hogan, 26th., 20 boxes smelts, 850 lbs., to J.F. Fry & Co., Boston.

26th., 20 boxes smelts, 850 lbs., to J.F. Garman here objects that the prosecution is not for shipping fish at the Station and also the regulation of the something under all this prosecution or Black Brook, and it is not competent for the Gazette in Court.

Mr. Carman said that when Hogan is a Fishery Officer he was bound to prove his position; the full penalty of the law should be imposed, but he was anxious that as the full penalty of the law should be imposed, but he was anxious that as the case had been proved and as the in-plaint? It was possible he had two objects in view. He would get one half of the penalty if he could succeed in getting on the form of the case had been proved and as the indicator of the case had been proved and as the indicator of the case had been proved and as the indicator of the case had been proved and as the indicator of the penalty of the law should be the fift of their fellow countrymen!!!

Q.—If a duty of 40 cts. per bbl. be the fift of the irrellow countrymen!!!

Q.—If a duty of 40 cts. per bbl. be the fift of the irrellow countrymen!!!

As a Fishery Overseerhad a right to prose cut before a Magistrate as he might made to the full and the full penalty of the law should be the fift of the duty out of their own pockets for the benefit of the induction of the benefit of the fully occurrymen!!!

Q.—If a duty of 40 cts. per bbl. be price to the case had been proved and as the induction of the case had been proved and as the induction. If he fully penalty of the law should be the fift of the duty out of their vellow countrymen!!!

As a Fishery Overseerhad a right to pisse the case had been proved and as the inductio

to deal with the smelt as well as the other fisheries.

The case for the defence was then proceeded with.

Thes. Jeffrey testified that he had worked with A. R. Loggie and was at their place about 15th Feby; saw smelts boxed and loose—about 35 tons—this was on or about 15th Feby; saw smelts boxed and loose—about 35 tons—this was on or about 15th.

Cross-examined—I don't know when I left Loggies, but remember I was in their place on 15th, because they were taking in the nets on 14th. I left about 2 weeks ago; I will not swear I did see them brought in. I was packing fish some days and some days and some days and some days ach other work.

Mr. Tweedie claimed witness was trifling with court and the Magistrate said the seen and animus was placed in the seen of the law and evidence.

Mr. Blair in opening his remarks said he knew nothing about any political feeling, for although he had political opinions, and, perhaps, strong ones, he always remembered that, as a Magistrate, he was consideration such items as, the was concerned that the loggies called upon to prove it. Why were not the loggies and paid for before 15th.

Cross-examined—I don't know when I left Loggies and paid for before 15th.

Cross-examined—I don't know when I left Loggies called upon to prove a good deal in their own favor if they had been doing in the nets on 14th. I left about 2 weeks ago; I will not swear I did see them brought in.

I was packing fish some days and so "We may be a many of the control of the products of the produc

have made him an object of contempt." ample of the difficulties that arise we may Further down in the article it was set state that there are dealers in periodicals forth that "the unmanliness of Hogan, in nearly all Canadian towns and cities. "in bringing the suit will be understood When they receive their supplies by exwhen we state that Mr. Wyse and press or freight from publishers of the other personal friends of his were pack- United States or Great Britain they pay a "ing and shipping smelts at the same duty of six cents per lb. for them.
