The commissioner and made to him a proposition in writing to sell the cedar at \$6.50 and Ontario patents at \$5.50 at housand feet. The commissioner and made to him a proposition in writing to sell the cedar at \$6.50 and Ontario patents at \$5.50 at har. Harris' course in the matter was protested against and a slight reduction was made, but as the demand of a return to the old rates was not made, the business was witheld from the railway. The result is that two schooner-loads of molasses have arrived here from II.

Chatham Town Council met in special session last Thursday evening, all the members being present excepting ald. McIntosh who

was not in town. Tenders were read as follows :-From J. B. Snowball-dimensioned cedar \$7; do. do. hemlock \$5.75 per M. From Geo. Stothart-nails, \$2.15 in 5 keg lots or ever; \$2.25 per single keg.

A discussion then arose in reference to some cedar which Mr. John Maloney, of themen of the council. Mr. Tweedie pro alleged contract therefor with the town.

hibition daily, says:

"What Prohibitionists are aiming at is not so much a Prohibition law as a Prohibition people. We are not going to admit that a Prohibition law would be a calamity if the people were not thoroughly enlisted on its behalf, for law itself is a great educator, and would do much toward bringing about the greater end. But, let us any it insistently, the greatest thing to be gained by the contest that is before us is the arousing of the people to drive their great enemy out of the people that they have a duty in this respect. This can not be done without a full and frank discussion of the subject. People who act upon the presentation of only one side of a question are likely to recede when afterward they some face to face with the other side."

Rogersville, had sent to Chatham under an alleged contract therefor with the town.

Ald. Loggie explained that as a member of the people with the public works committee he had stated in writing that if the oedar were required by the late street commissioner, and the other agent would not agree with him? The members of the commitseoner for it, it should be bought for town use. It appeared that the then street commissioner had asid the cedar was required and ald. Maher, a member of the committee, had signed the order for its delivery. All.

MeIntosh, another member of the committee had not signed?

The Witness has opened its columns to other side."

The Witness has opened its columns to add Mr. Maloney sent the cedar that any man act any man act the therefor such as Mr. Maloney had been writing that if the oedar were required by the other side to require the public works commissioner, and the other agent withing the order for two nuse. It appeared that the them at the town as the stated in writing that if the oedar were required by the other side and the committee had an order the pople to dive their great enemy of the commissioner and all the order order for its delivery.
